

The college displays set up by individual college representatives will be in our Gymnasium. It is a good idea to visit the schools to which you may apply. Looking at pictures in brochures is no substitute for actually visiting the campus and seeing the dorms, the dining facilities, and the surrounding community. Students should use this time to identify several campuses from each of the four systems for further exploration.

TESTING TIPS

1. Study your notes regularly.
2. Get a good night's sleep and eat a healthy breakfast.
3. Review your notes on the morning of the test.
4. Make sure you are prepared with the tools you will need for the test.
5. Skim the entire exam.
6. Make a check mark besides any questions that you do not understand.
7. Go through the test and answer the ones you know.
8. Go back and answer all remaining items.
9. Monitor your time carefully.
