Principal's Message

Dear Parents,

December is a short school month; however it is a very busy time of the year. Elementary teachers are working on report cards and scheduling appointments for conferences. Kindergarten - 5th grade students will be receiving report cards during conference week, December 15th - 21st. It is our goal to meet with ALL kinder - 5th grade parents. Please make arrangements to attend your child's parent-teacher conference.

Our intermediate teachers are working on progress reports. Sixth - 8th grade students will receive progress reports through the mail. Intermediate teachers will be meeting with parents during conference week, December 15th - 21st, to address concerns and discuss strategies to support students that are missing classroom assignments, homework, and/or failing courses.

First semester for 6th-8th grade students ends on January 29th. Sixth - 8th Grade report cards will be sent home in February. It is very important that we have your correct mailing address.

Let's work together to make this a successful year for all of our students!

Thank you for your support.

Debbie Prieto
