Principal's Message

Welcome Back!

We are looking forward to an exciting school year. Our staff has been working throughout the summer, preparing for this BIG DAY! We have enrolled nearly 1300 students, distributed books and materials to every classroom, and added 6 additional teachers to our staff.

It is important that we continue to work together throughout the year. Please read the monthly bulletin, check the marquee and log-in to our website to find out what is happening at school. This year we will also use email to keep you informed. Don't forget to check your child's backpack; sometimes important information is found at the very bottom of a backpack :)

Let's work together to ensure that all of us have a Fun, Safe, Successful Year!

Debbie Prieto

Pick-Up/Drop-Off Procedures

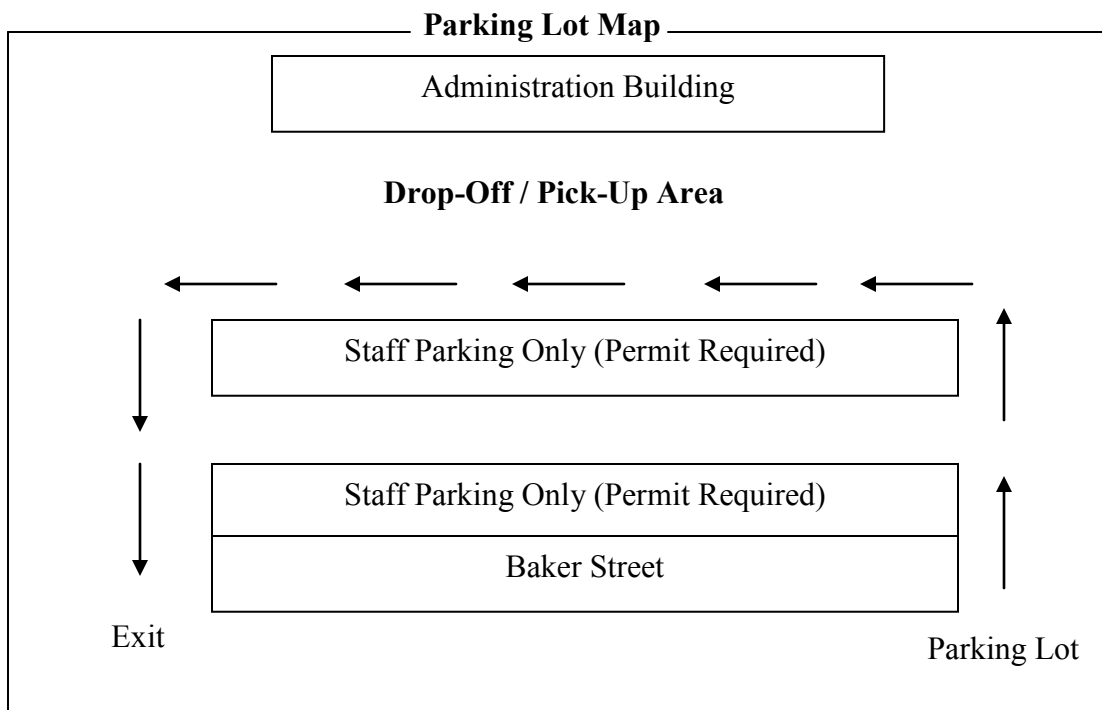

Santiago School is committed to keeping students safe at all times. The following are the procedures for dropping off and picking up students:

Drop-Off Procedures

- Students should not be brought to school earlier than 7:30 am.
- Parents dropping off students with a vehicle should only use the main entrance to the parking lot. Drop off the students in front of the school office.
- For the safety of the students, do not drop-off/pick-up students in the red zone area in front of the school.
- Once on campus, students are to walk directly to the cafeteria area for breakfast or to wait for the bell to ring.
- Students riding their bikes to school must walk their bikes once they are in front of the campus. Students are to continue to walk their bikes to the bike rack.

Pick-Up Procedures

- Students must wait for parents in the designated pick-up areas.
 - Students with siblings: The eldest sibling is responsible for all the siblings in the family. All siblings are to meet the youngest sibling and then walk together to the designated pick-up area. Students will be guided through this process during the first week.
 - No Left Turn when exiting the parking lot.
 - In the afternoon, to help the flow of traffic, no left turns from Baker Street are allowed into the parking lot.
- Thank you for your cooperation.

Street Sweeping on Baker Street is on Tuesdays. Please avoid parking on the street from 11:30 a.m.-3:30 p.m. as sweeping will be done on both sides of the street that day, and you could be cited. For your convenience we have designated visitor parking in our staff parking lot.
