BOARD MEETINGS

Board meetings are held the second and fourth Tuesday of each month at 6 p.m. Unless otherwise posted, meetings are held at the school district administration center, 1601 East Chestnut Avenue, Santa Ana, CA 92701, Board Room. Meetings are also broadcast live on Time Warner Cable, Channel 31, and repeated the following Saturday at 3 p.m. and Tuesday at 6 p.m.

STEFANIE P. PHILLIPS, Ed.D.

Building a Direct Pathway from Preschool to College

When parents enroll their children into the Santa Ana Unified School District, they are opening the door to a world of opportunities including a direct pathway to college for children to reach their career goals and become productive contributors to our global society. With a focus on nurturing and cultivating the whole child, beginning as early as preschool, the Santa Ana Unified School District offers programs and resources that are specialized and unique for each child. From dual language programs to learning environments with a focus on STEM (Science, Technology, Engineering and Mathematics) and Visual and Performing Arts, we offer a personalized program for each child to help them excel and develop a passion for learning.

As your Superintendent, my primary focus is our classrooms, community, and building connectedness. What that essentially means is connecting the entire community together -- parents, teachers, staff, and community members - to support our core business of providing a high quality education for our students in and out of the classroom. One example of that is our collaboration with Santa Ana College (SAC), California State University Fullerton (CSUF) and University of California Irvine (UCI) to make college accessible to our graduates beginning with free tuition and a laptop during their first year of college when they attend SAC as a full-time student. This is a unique opportunity only for Santa Ana Unified School District graduates. Additionally, to encourage students to continue their educational journey, SAUSD students may enroll in a program called Santa Ana ¡Adelante! that will provide them guaranteed admission to CSUF or UCI when they complete all criteria while enrolled at SAC.

The Board of Education and I are thankful for the families that have entrusted us with the education and safety of their students. We take pride in knowing that we have made the college dream accessible to all students. For those parents who are looking for a special place where your children can thrive, I invite you to entrust them in our care. We'd love for you to be a part of our family. To learn more about our schools, please visit www.sausd.us.

ABOUT US

Founded in 1888, the Santa Ana Unified School District is the largest school district in Orange County serving the children of Santa Ana and the 2nd largest employer in Santa Ana, providing job opportunities to approximately 4,000 employees.

DEMOGRAPHICS

7th largest school district in California

Enrollment of **53,000**

96% Hispanic

1.9% Asian

2.0% Other

60% of students are English Language Learners

91% of students qualify for free and reduced lunch meals

Approximately **4,000** employees

Number of Schools

36 Elementary Schools

9 Intermediate

7 High School

3 Educational Option Secondary Schools

1 Dependent Charter

1 Deaf and Hard of Hearing Resource Center

1 Early Learner Childhood Education Special Needs Developmental Center

2016 Recognitions

2016 National Blue Ribbon School
Middle College High School

2016 Golden Ribbon Schools
Franklin, Greenville, Lincoln, and Walker elementary schools

High School Inc. at Valley High School Culinary Arts Program students
National Culinary Arts Champions, 2016
for 4th time

OUR GOALS

All Public School Districts in the State of California receive funding to educate students and operate schools through the Local Control Funding Formula (LCFF). In order to ensure that districts are addressing the specific needs of their students, school districts are required to engage with their communities to develop a Local Control Accountability Plan (LCAP). Over the last three years, the Santa Ana Unified School District has involved a wide variety of stakeholders to develop its LCAP. Each section in this brochure reflects the priorities of the community and categorized by Classroom, Community, and Connectedness.

130 Meetings held
in the District
5,900 Participants
2015-16 School Year

Our students need the knowledge, skills, and values to become productive citizens in the 21st Century.

Our students need equitable access to a high-quality curricular and instructional program that is accessible from school and home.

Our students and staff need healthy, safe, and secure environments in which to learn.

LCAP **Local Control Accountability Plan**
for Student success

www.sausd.us/alleyesonlearning

CLASSROOM

Goal #1 - Our students need the knowledge, skills, and values to become productive citizens in the 21st Century.

HOW DO WE GET THERE?

Reading by **3rd Grade**

Increase English Learner Redesignation Rate

College Readiness for all students

Reading by 3rd Grade by offering Reading Academy for K-3 teachers, increased access to books for elementary students, Expanded Instruction in Phonological Awareness, Phonics and Sight Words, and coaching to support teachers

Increase English Learner Redesignation Rate through additional learning time to address support for English acquisition, teacher professional learning on the ELD Standards and instruction, and coaching to support teachers

College Readiness for all Students through extended learning opportunities in English Language Arts and Math, teacher professional development, and collaborative partnerships to align instructional practice and course sequences with high school English and Math teachers and Santa Ana College instructors

Providing Real-World Opportunities to Ensure Students are Competitive in our Global Society

INDICATORS WE ARE ON TRACK

32 Pathways offered to students including a **91%** graduation rate from the Engineering, Law, BioMed/BioTech, and Digital Media pathways

907 Industry Certifications Earned

400 Internships

6 Academies within High School Inc. at Santa Ana Valley High School

- Culinary Arts & Hospitality
- Healthcare
- Automotive Logistics & Transportation
- New Media
- Global Business
- Engineering & Computer Technology

24 AP classes with **242** sections offered at secondary campuses to support rigorous coursework similar to college-level classes

19 Secondary and **20** Elementary schools implementing AVID school-wide on their campuses to develop students organizational and study skills to prepare them to be successful

1.1 device nearly in grades K-12 to increase student access to technology

96.9% Student Attendance Rate

9% increase in Graduation Rate over last 6 years that surpasses State Average Rate

All schools have rigorous academic standards that require students to demonstrate their understanding and knowledge of content through theory and application.

INDICATORS WE ARE ON TRACK

Free first year tuition and laptop for SAUSD graduates when they enroll full-time at Santa Ana College

Increased college courses offered all of our traditional high school campuses as part of the **College Now** program

100% graduation rate at Middle College High School, dual enrollment high school located at Santa Ana College where **94%** students received **AA** degree in 2016

25% of graduating seniors received the Seal of Biliteracy, demonstrating their competency in two or more languages

4,890 English Learner students were redesignated, no longer classified as English learners, an increase of **2,055** from the previous year

WE PROVIDE STUDENTS AND PARENTS CHOICES

- Science, Technology, Engineering, and Mathematics (STEM)
- Visual and Performing Arts
- Dual Language
- Seal of Biliteracy representing fluency in 2 or more languages
- Career and Technical Pathways
- Dual Enrollment in High School and College Courses
- Advanced Placement Courses
- Advancement Via Individual Determination
- Film and Screenwriting Academy
- Pre-International Baccalaureate Program
- Legal Studies Academy
- CIF Leading Sports Programs

WE OFFER PARENTS AND STUDENTS OPTIONS

We proudly offer comprehensive Pre-Kindergarten services to ensure students are successfully prepared for Kindergarten and beyond.

EARLY CHILDHOOD EDUCATION

21 Early Childhood State Preschool Program serving **1215** students

7 Head Start Centers serving **550** students

1 Early Childhood Special Education Center serving **467** students

Children ages 3 – 5 for part day and full day Pre-Kindergarten education opportunities.

OUR FOCUS WITH EARLY LEARNERS

Science

Approaches to Learning

Creative Arts

Our Promise to parents is a pathway beginning in preschool through high school and beyond with the collaboration of our Higher Education Partners

OUR HIGHER EDUCATION PARTNERS

SANTA ANA
COLLEGE

CALIFORNIA STATE UNIVERSITY
FULLERTON

University of
California, Irvine

For the past 33 years, the Santa Ana Partnership has developed a pathway from the earliest years in the Santa Ana Unified School District (SAUSD) schools to Santa Ana College and onward to a baccalaureate-granting institution.

Through a program called Santa Ana ¡Adelante!, SAUSD graduates will receive free college tuition their freshmen year, worth an estimated \$1,104.00, when they enroll at Santa Ana College full-time. To support their education, they will also receive a free laptop.

SAUSD graduates who enroll in the Santa Ana ¡Adelante! program attend Santa Ana College, and who complete the transfer requirements, will receive guaranteed admission to California State University Fullerton or University of California Irvine.

The partnership with Santa Ana College has provided opportunity for students to enroll in college courses for dual/concurrent enrollment during the school day at Century High School and Godinez High School. Additionally, juniors and seniors are provided access to college coursework at our local high schools, in alignment with career pathways, through the College Now program after the regular school day.

COMMUNITY

At SAUSD Parents Make the Difference

ANNUAL PARENT CONFERENCE

800 parents attended the District's 22nd Annual Parent Conference that was held at Saddleback High School on October 1, 2016.

Parents learned about the resources, programs, and best practices to support their child's success.

PARENTS OF THE YEAR

57 parents who demonstrate excellence in supporting their individual schools are honored at the Parent of the Year Celebration.

PARENT CENTERS

4 Parent Centers at Valley, Century, Santa Ana, and Saddleback high schools

5 Parent Centers at Mc Fadden, Sierra, Lathrop, Willard, and Spurgeon intermediate schools

1 at Madison Elementary School

VOTERS SUPPORT OF MEASURE G TO MAINTAIN OUR SCHOOL FACILITIES

\$200 Million Bond approved by Santa Ana

\$400 Million Bond provided by State of California

JOINT-USE AGREEMENT WITH COMMUNITY PARTNERS:

- City of Santa Ana At **18** Sites
- Santa Ana College At **37** Schools
- YMCA Pool At Segerstrom High School
- OC Heritage Museum At Centennial Park
- NorthEast Little League At Sierra Preparatory Academy

HOW HAVE OUR SCHOOLS IMPROVED

- Our local general obligation bond, Measure G, leveraged with other state and local funds allowed SAUSD to keep our learning environments safe, effective, and well-maintained
- Reduced temporary portables from **854** to **228**
- Completed **18,247** work orders in one year
- **581,000** square feet of building space added over **8** years due to Measure G

UPCOMING PROJECTS

- New portable-to-permanent (P2P) projects ongoing at McFadden, Remington, and Valley HS
- Future P2P's designed at several more schools
- Roosevelt/Walker Community Center
- Santa Ana High School Kitchen Renovation
- **\$47** million in modernization eligibility at **12** schools

CONNECTEDNESS

How we are connecting the dots to support our students and programs

NUTRITION SERVICES

Offers breakfast, lunch, and snacks at no charge to all students to ensure students have healthy, nutritious meals

Offers free meals to all community members age 18 and under during the summer to ensure students are fed when they are not in school during the extended summer months

Serves more than **12 million** meals per year to students

Employs more than **365** classified staff members

Plans menus based on student and parent input from interactive Voice Your Choice food taste testing shows

Manages an annual budget of **\$39 million**

CONNECTEDNESS

Total Number of Employees Working to Serve Students in SAUSD **4,000**

One of the largest employers in the City of Santa Ana

2,374 Certificated employees

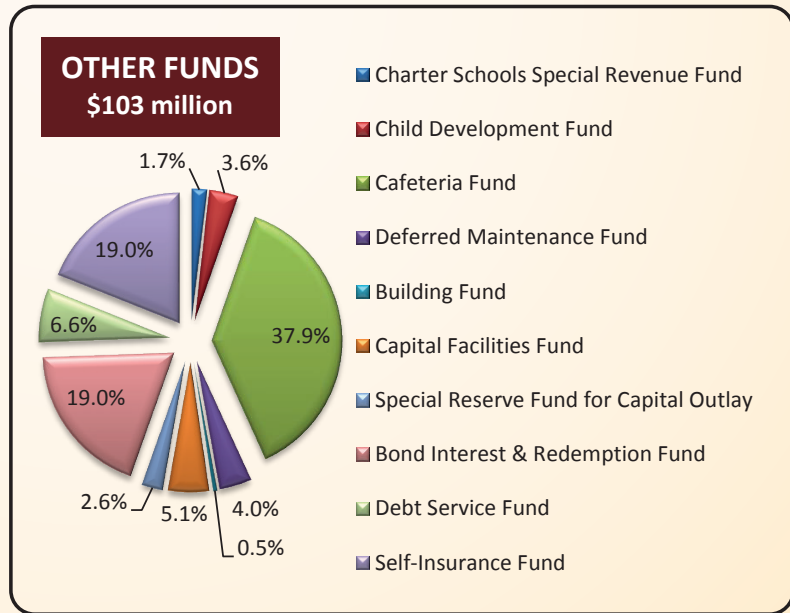

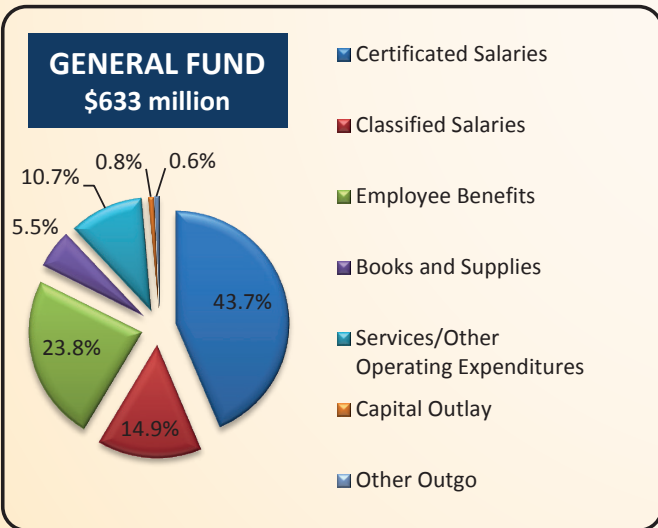

1,440 Classified employees

231 Management employees

Operate on a budget of approximately **\$633 million** in general funds and **\$103 million** other funds

2016-17 JULY 1 BUDGET

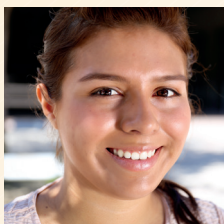

Martha Sosa Johnson, MD.

Graduate of Santa Ana High School

“As a student participating in the Bio-Med Program at Santa Ana High School, I distinctly remember a field trip to UC Irvine School of Medicine. It was one of those “Aha” moments in my life as I realized on that day that if I chose this path, I could indeed go to medical school, me a daughter of Mexican Immigrants, whose primary language was Spanish until the 3rd grade.”

Ana Maldonado

Graduate of Godinez Fundamental High School

“I recently graduated from Princeton University thanks to the support and encouragement of my Santa Ana teachers, principals, and other staff members who equipped me to be accepted and successful at one of the most prestigious universities in the world.”

Aileen Navarette

Graduate of Century High School

“I went to a summer bridge program before 9th grade to help me get ready for high school. I was told to set goals to pursue in high school. I thought to myself that I wanted to be the valedictorian, so I would get all A’s. I did! I was accepted to Harvard University, and I was one of 1,000 seniors nationwide to receive the Gates Millennium Scholarship, which funds my entire education. This has been a dream come true for me and my parents, who emigrated from Mexico 20 years ago.”

Eduardo Lara, Ph.D.

Graduate of Santa Ana Valley High School

“I love Santa Ana. I would not be the same person today without Mr. Stancil, my student government teacher who pushed my thinking on social justice leadership, or without Ms. Andrews, my social science teacher, who inspired and loved me and all my classmates. I attended UCLA for my Ph.D, and California State University Long Beach for my undergraduate studies, where I now teach sociology classes.”
