School Description & Mission Statement

Gonzalo and Felicitas Mendez Fundamental Intermediate School ("Mendez Fundamental") is located at the intersection of North Bristol Street and West 17th Street. During the 2009-10 school year, 1,407 students in grades 6-8 were enrolled. Demographic composition of student enrollment includes 5% receiving special education services, 37% qualifying for English language learner support, and 82% enrolled in the Free or Reduced Price Meal program. In 2007-2008 Mendez was the first intermediate school to exit out of program improvement and was recognized for its accomplishments at the Orange County Department of Education. On April 1st, 2009, Mendez was recognized as a California Distinguished School. This proud accomplishment is a reflection of hard work and dedication on behalf of staff, students and parents.

As a school of choice, students residing in the district's attendance boundaries are eligible for enrollment through a lottery system. Students attending a fundamental elementary school within the district and siblings of current students are given first priority for enrollment.

Daily class schedules fill an eight-period day. On Wednesdays, students attend all eight classes and on Monday, Tuesday, Thursday and Friday they follow a block schedule (80 minutes per period) with 4 periods per day. Math and language arts instruction are provided daily, as they are comprised of 2 periods each. The class schedule is available on the school's web site.

School Mission

At Mendez Fundamental Intermediate School, a California Distinguished School, it is our mission to provide students with a rigorous learning environment that encourages high expectations for success through standards-based, student-centered instruction. We believe education is the shared responsibility of the student, parents, school and community. Together, we provide an academically rich, caring and supportive environment that promotes respect and motivates students to learn, to act responsibly, to monitor their own academic progress, and to develop skills for life-long success.

District Vision

The Santa Ana Unified School District is recognized as one of the leading American urban school districts, notable for the achievement of its students, the quality of its teachers, support staff, and administrators, the engagement of its community, the clarity of its strategies, and the effectiveness and efficiency of its systems. The District is on the cutting edge of equipping all students to succeed in their life goals, in American society, and in the free-market economy.

Opportunities for Parent Involvement

Parents are encouraged to get involved in Mendez Fundamental Intermediate School's learning community by volunteering their time, attending school events, or sharing in the decision-making process. The school welcomes assistance in the classroom, and library and/or media center on special days. Parents are include child abuse reporting procedures, teacher notification of dangerous pupil always invited to help chaperone field trips. Mendez Fundamental Intermediate School provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts; these may include:

School Inspections

The most recent facilities inspection at Mendez Fundamental Intermediate School took place on 8/27/10. Schools are required by state law to report the most recent three-year period. condition of their facilities; the School Site Inspection table illustrated in this report identifies the state required inspection areas and discloses the operational status in each of those areas.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Mendez Fundamental Intermediate School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most current safety plan was reviewed and updated prior to 2/5/10. The Santa Ana Unified School District's Board of Trustees reviews the safety plans annually by March 1. The most recent staff meeting addressing safety plan components and individual responsibilities associated with the school safety plan was held in 2/5/10.

Deferred Maintenance

Deferred Maintenance funding was swept by the State last year, and the State no longer provides matching funds for deferred maintenance projects at this time. To ensure Santa Ana Unified School District provides a safe, effective, and well- maintained learning environment at all school sites. SAUSD has budgeted approximately \$1.7 Million in the deferred maintenance program with zero match from the State of California. This represents 0.64% of the general fund budget. This funding is used for major repairs or replacements of existing building components so the educational process may continue. Typically this includes plumbing, HVAC, electrical systems, wall systems, floor systems, and interior/exterior painting.

Also SAUSD has completed major projects using funding from other sources such as Measure G, ERP, and E-Rate to assure a positive learning environment for all students. Projects completed were roofing replacement, electrical upgrades, fire safety, fencing for safety and security, and data / phone system upgrades.

Facilities Maintenance

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of Mendez Fundamental Intermediate School repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation.

Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day- custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the day custodian inspects facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds.

School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian and administrators check restrooms throughout the day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping.

Instructional Materials

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district's Board of Trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health. District textbook review and adoption activities occur the year following the state's adoption. On October 12, 2010, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No 09/10-2807 which certifies as required by Education Code §60119 that for the 2010-11 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12. inclusive, is available to pupils.

California Standards Tests (CST)

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts and mathematics in grades 2 through 11; science in grades 5, 8, 9, 10, and 11; and history-social science in grades 8, 9, 10, and 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found at the CDE Web site at http://star.cde.ca.gov. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy.

DataQuest and Access to Data

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners). Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

California Physical Fitness Test Results

Every year, the California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students scoring in the healthy fitness zone on four out of five, five out of five and all six fitness standards for the most recent testing period.

Federal Intervention Program

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Web site at http://www.cde.ca.gov/ta/ac/ay/.
