

Accessing Homework in ST Math

Connect

To access ST Math at home students need a computer with internet access.

1

Go to **stmath.com**. Click on JiJi.

4

Type in the school name. Press **Enter**.

2

Click on the **Homework** button.

5

Begin playing assigned homework.

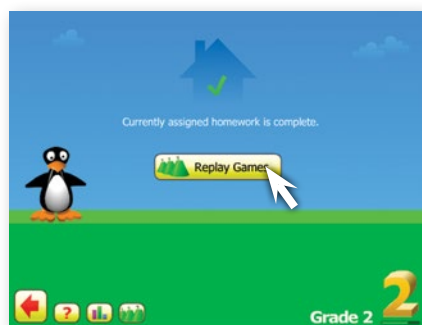

3

Enter the password.

Students can play:

- ✓ Objectives that have been assigned as homework
- ✓ Objectives that have already been completed

Tip: If there is no Homework assigned, access previously played content by clicking on the green cones.
