School Description

James A. Garfield Elementary School is located on Brown Street, southeast of Santa Ana Blvd. in the "Station District".

The average class size in grades TK-3 is 27 students and is 28 students per class in grades 4 and 5. Garfield Elementary hosts a state preschool program on site. There is a morning preschool class which is open from 8:00 a.m. to 11:00 p.m. and an afternoon session which is open from 1:00-4:00. Parents meeting state requirements are invited to enroll their four-year-old children in the program.

School Mission

The mission of the school is to facilitate optimal learning and foster respect for all students, to empower them to lead fulfilling and productive lives in a changing, diverse global society, by establishing literacy across the curriculum, and by establishing a strong academic foundation.

District Profile

Santa Ana Unified School District is the sixth largest district in the state, currently servicing over 57,000 students in grades K-12 and residing in the city of Santa Ana. The district currently operates 36 elementary schools, 9 intermediate schools, 7 high schools, 1 alternative high school, 2 continuation schools and 5 charter schools. The student population is comprised of 83.8% enrolled in the Free or Reduced Price Meal program, 45.7% qualifying for English language learner support, and approximately 9.0% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools and Governor's Higher Expectations awards in honor of their outstanding school programs. Over 25 schools have received the Golden Bell Award.

Each of Santa Ana Unified School District's staff members, parents, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

District Mission

We assure well-rounded learning experiences, which prepare our students for success in college and career. We engage, inspire, and challenge all of our students to become productive citizens, ethical leaders, and positive contributors to our community, country and a global society.

District Vision

We will work collaboratively and comprehensively with staff, parents, and the community to strengthen a learning environment focused on raising the achievement of all students and preparing them for success in college and career.

Opportunities for Parental Involvement

Parents are encouraged to get involved in Garfield Elementary School's learning community by volunteering their time, attending school events, or sharing in the decision-making process. The school welcomes assistance in the classroom, and library and/or media center on special days. Parents are always invited to help chaperone field trips. Garfield Elementary School provides a wide range of opportunities for parents to interact with school staff while supporting their child & academic efforts; these may include:

Back to School Night

- Open House
- Student performances
- Fundraisers
- Music/choir and/or theatre performances
- Promotion activities
- Student recognition assemblies
- Parent education training and/or workshops
- Parent workshops

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School Plan:

- School Site Council
- English Language Advisory Council
- Parent Teacher Association (PTA)
- Padres en Accion

Parents seeking more information about becoming an active member in the school community may contact the principal or TOSA at (714) 972-5300.

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates including the following formats:

- EDULINK Computerized Phone System
- School web site
- Public Service Channel 31 or 51
- School and/or Class newsletters
- Flyers
- Letters
- School Marquee/Banners

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. All data are reported for the 2012-13 school-year, unless otherwise indicated. For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at www.cde.ca.gov/ta/ac/sa/. For additional information about this school, please contact the school administration at (714) 972-5300.

Student Enrollment by Grade Level				
Grade Level Number of Students

Gr. 5	26.8	31.3	33	0	0		4	3	1	0	0	2

k	Number of classes indicates how many classrooms fall into each size category
	a range of total students per classroom). At the secondary school level, this
	nformation is reported by subject area, English, Math, Science and Social
	Science (SS), rather than grade level.

Suspensions and Expulsions					
Schoolwide	10-11	11-12	12-13		
Suspensions Rate	2.59	8.97	1.75		
Expulsions Rate	0	0.00	0.0		
Districtwide	10-11	11-12	12-13		
Suspensions Rate	10.14	14.5	8.47		
Expulsions Rate	0.25	0.51	0.15		

The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

School Safety Plan

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

The Comprehensive School Site Safety Plan was developed in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most current safety plan was reviewed and updated to address the safety plan components and individual responsibilities during the 2012-2013 school year. The Santa Ana Unified School District's Board of Trustees reviews the safety plans annually by March 1.

School Facility Conditions and Planned Improvements (School Year 2013-14)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

Year and month in which data were collected: 6/20/13

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation.

Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal, and assistant principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds.

School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

The most recent facilities inspection at Garfield Elementary School took place on 6/20/13. Schools are required by state law to report the condition of their facilities; the School Site Inspection table illustrated in this report identifies the state required inspection areas and discloses the operational status in each of those areas.

School Facility Good Repair Status (School Year 2013-14)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair

Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period.

All curriculum and instructional improvement activities at Santa Ana Unified School District are aligned to the Common Core State Standards and Frameworks. Staff development concentrations are identifies and selected based upon the shift to the implementation of the Common Core State Standards (CCSS), student assessment results, NCLB requirements, teacher input, and state content standards. All schools are also being supported in establishing Positive Behavioral Interventions, and Supports (PBIS).

All staff development activities at Santa Ana Unified School District are focused on increasing student learning and proficiency. During the 2012-13 school year, our school sponsored two and a half days of staff development. Staff training topics included: Implementation of Common Core State Standards (CCSS), Rtl (Response to Intervention), Positive Behavioral Interventions and Supports (PBIS), Cognitively Guided Instruction in math (CGI), and Collaborative Instruction.

Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Additional professional development opportunities take place throughout the school year, after school, and during the summer and generally focus on curriculum, teaching strategies, and methodologies. During the 2012-13 school year, district training opportunities focused on the following:

At the elementary level -

- CTAP Technology Training (California Technology Assistance Project)
- Common Core State Standards Implementation
- Complex Text Modules
- Gifted and Talented Education
- Multi-Tier Systems of Support-Academic and Behavior
- Special Education
- Data Analysis and Using Data to Drive Instruction
- Thinking Maps and Writing
- Write from the Beginning
- Benchmark Assessments in Language Arts and Math
- Cognitively Guided Instruction in Mathematics (CGI)

New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The BTSA Induction Program (Beginning Teacher Support and Assistance) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period. More information about the BTSA Induction Program is available at http://www.sausd.us/14431028114350867/site/default.asp

To support veteran teachers as well as new teachers to the district, Santa Ana Unified School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Orange County Office of Education and courses offered by community colleges and universities. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives.

Core Academic Classes Taught by Highly Qualified Teachers

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: www.cde.ca.gov/nclb/sr/tq/

Percent of Classes In Core Academic Subjects Core Academic Classes Taught by Highly Qualified Teachers						
Location of Classes	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers				
This School 100.0 0.0						
Districtwide						
All Schools 99.2 0.8						
High-Poverty Schools 99.2 0.8						
Low-Poverty Schools	0.0	0.0				

^{*} High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program.

Types of Services Funded (Fiscal Year 2012-13)

This section provides specific information about the types of programs and services available at the school that support and assists students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

In addition to general fund state funding, Santa Ana Unified School District received federal, state, and local aid for categorical, special education, and support programs, including but not limited to: Bilingual Education • Beginning Teacher & Support (BTSA) • California Child Nutrition Education • Carl Perkins • Class Size Reduction • Comprehensive School Reform • Drug Free Schools • Even Start Family Literacy • Gifted & Talented Education • Head Start • Instructional Materials • Migrant Education • Peer Assistance & Review • Regional Occupational Program • Safe Schools and Healthy Students • Special Education • Title I, II, III, IV, & VII • Vocational Education • Reading First

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2013-14)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Year and month in which data were collected: January 28, 2014

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district's Board of Trustees. On January 28, 2014, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No 13/14-2993 which certifies as required by Education Code §60119 that for the 2013-2014 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

<u>Note</u>: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- California Standards Tests (CSTs), which include Englishlanguage arts (ELA) and mathematics (Math) in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science (H-SS) in grades eight, and nine through eleven.
- California Modified Assessment (CMA), an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- California Alternate Performance Assessment (CAPA), includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the Percent of Students not tested, see the CDE STAR Results Web site at star.cde.ca.gov.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

California Physical Fitness Test Results

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the Percent of Students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at www.cde.ca.gov/ta/tg/pf/.

Grade	Percent of Students Meeting Fitness Standards				
Level	4 of 6	5 of 6	6 of 6		
5	11.2	7.1	5.1		

DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at www.cde.ca.gov/ta/ac/ap/.

Students with Disabilities					

Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Academic Performance Index Ranks - Three-Year Comparison						
API Rank	2010 2011 2012					
Statewide	2	2	2			
Similar Schools 6 6 8						

Federal Intervention Program (School Year 2013-14)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Indicator	School	District
Program Improvement Status	In PI	In PI
First Year of Program Improvement	1999-2000	2004-2005
Year in Program Improvement Year 5		Year 3
Number of Schools Currently in Program I	54	
Percent of Schools Currently in Program In	90.0	

API Growth by Student Group - 2013 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2013 Growth API (API-G) at the school, district, and state level.

ievei.				
Group		School	District	State
All Students	Students	427	38,934	4,655,989
at the School	API-G	729	743	790
Black or	Students	0	131	296,463
African American	API-G		793	708
American Indian or	Students	0	30	30,394
Alaska Native	API-G		782	743
Asian	Students	2	887	406,527
	API-G		893	906
Filipino	Students	0	83	121,054
	API-G		877	867
Hispanic	Students	421	37,188	2,438,951
or Latino	API-G	728	737	744
Native Hawaiian/	Students	0	36	25,351
Pacific Islander	API-G		788	774
White	Students	2	393	1,200,127
	API-G		843	853
Two	Students	2	185	125,025
or More Races	API-G		719	824
Socioeconomically	Students	422	36,543	2,774,640
Disadvantaged	API-G	729	737	743
English Learners	Students	376	21,622	1,482,316
	API-G	718	674	721
Students	Students	37	4,584	527,476
with Disabilities	API-G	729	615	615

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, can be found at the CDE Adequate Yearly Progress (AYP) webpage at www.cde.ca.gov/ta/ac/ay/.

AYP Criteria	School	District
Made AYP Overall	No	No
Met Participation Rate: English-Language Arts	Yes	Yes
Met Participation Rate: Mathematics	Yes	Yes
Met Percent Proficient: English-Language Arts	No	No
Met Percent Proficient: Mathematics	No	No
Met API Criteria	No	No
Met Graduation Rate (if applicable)	N/A	No
