School Description

Sierra Preparatory Academy is located on N. Grand Avenue at 21st Street. Sierra Preparatory Academy is a school in transformation. Our focus is on building positive relationships between all stakeholders: students, staff, families and community. Mutual respect between all parties results in a more positive and successful educational environment for all. We are becoming a "school of choice" with a Visual and Performing Arts emphasis, offering electives in music (band, orchestra, marching band, jazz band and choir), art, woodshop, AVID, speech & debate, ASB, MESA, yearbook and computer technology.

Students attend 8 periods on a block schedule: periods 1,3,5,7 on Mondays and Thursdays, periods 2,4,6,8 on Tuesdays and Fridays, and all periods on Wednesdays. As a result, all students attend language arts and math daily and have the opportunity to take an elective class along with PE, science and social studies. Sierra Prep also sponsors after school opportunities for students including Boys & Girls Club, Rocket Science Tutors program, art club, speech and drama, media club, Academic Talent Search, and Targeted Intervention in language arts and math, along with quarterly sports.

In April, 2011, we moved into a brand new, 29 classroom, two-story building. All classrooms are equipped with up-to-date technology including interactive whiteboards and voice enhancing sound systems. The campus grounds have undergone major transformation as well. Students feel like they belong to a school family that truly believes in providing an environment conducive to their well-being and educational progress.

School Vision

Sierra Preparatory Academy, an alliance of staff, students, parents, and community, is committed to providing quality academic achievement and social adjustment by expecting students to:

- Master grade level standards and apply them in a meaningful context;
- Learn how to gather information from a variety of sources including the use of technology;
- Practice cooperation and teamwork in problem solving and making informed decisions; and
- Exercise self-discipline and self-motivation to become responsible, contributing members of society.

School Mission Statement

The mission of Sierra Preparatory Academy is to help develop immediate and life-long goals that will result in purposeful, satisfying, and successful lives.

District Profile

Santa Ana Unified School District is the sixth largest district in the state, currently servicing over 57,000 students in grades K-12 and residing in the city of Santa Ana. The district currently operates 36 elementary schools, 9 intermediate schools, 7 high schools, 1 alternative high school, 2 continuation schools and 5 charter schools. The student population is comprised of 83.8% enrolled in the Free or Reduced Price Meal program, 45.7% qualifying for English language learner support, and approximately 9.0% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools and Governor's Higher Expectations awards in honor of their outstanding school programs. Over 25 schools have received the Golden Bell Award.

Each of Santa Ana Unified School District's staff members, parents, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

District Mission

We assure well-rounded learning experiences, which prepare our students for success in college and career. We engage, inspire, and challenge all of our students to become productive citizens, ethical leaders, and positive contributors to our community, country and a global society.

District Vision

We will work collaboratively and comprehensively with staff, parents, and the community to strengthen a learning environment focused on raising the achievement of all students and preparing them for success in college and career.

Opportunities for Parental Involvement

Parents are encouraged to get involved in Sierra Preparatory Academy's learning community by volunteering their time, attending school events, or sharing in the decision-making process. The school welcomes assistance in the classroom, and library and/or media center on special days. Parents are always invited to help chaperone field trips. Sierra Preparatory Academy provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts including:

- Parent/Student Orientation Days
- Back to School Night & Open House
- Sights and Sounds of Sierra showcase
- Music Performances & Parades; Drama, Dance & Speech Performances
- Fundraisers
- Parent Conference Day
- Sports Events & Field Trips
- Promotion Activities
- Student Recognition Assemblies and Awards Nights
- Parent Education trainings, workshops, monthly meetings
- PAL (Peer Assistance Leadership), NAC (Nutrition Activity Club), Chicas con Fuerza - student organizations with parent involvement, including Family Dinner Nights and community service projects

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School's Plan:

- School Site Council
- English Language Advisory Council (ELAC)
- Principal's Parent Leadership Team
- District Advisory Council (DAC)

Parents seeking more information about becoming an active member in the school community may contact the Community/Parent Liaison in the Parent Center at (714)567-3513 or the Principal or Assistant Principal at (714) 567-3500

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates including the following formats:

- Edulink Computerized Phone System and personal phone calls
- School web site
- Public Service Channel 31 or 51
- School and/or Class newsletters
- Flyers
- Letters
- School Marquee/Banners
- Monthly Parent meetings

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. All data are reported for the 2012-13 school-year, unless otherwise indicated. For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at www.cde.ca.gov/ta/ac/sa/. For additional information about this school, please contact the school administration at (714) 567-3500.

School Safety Plan

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

The Comprehensive School Site Safety Plan was developed in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most current safety plan was reviewed and updated to address the safety plan components and individual responsibilities during the 2012-2013 school year. The Santa Ana Unified School District's Board of Trustees reviews the safety plans annually by March 1.

School Facility Conditions and Planned Improvements (School Year 2013-14)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

Year and month in which data were collected: 6/19/13

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal, and assistant principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

The most recent facilities inspection at Sierra Preparatory Academy took place on 6/19/13. Schools are required by state law to report the condition of their facilities; the School Site Inspection table illustrated in this report identifies the state required inspection areas and discloses the operational status in each of those areas.

Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period.

All curriculum and instructional improvement activities at Santa Ana Unified School District are aligned to the California Common Core Standards and Frameworks. Staff development concentrations are selected and identified based upon student assessment results, NCLB requirements, teacher input, state content standards, and professional development surveys.

All staff development activities at Santa Ana Unified School District are focused on increasing student learning and proficiency. During the 2012-13 school year, Sierra Preparatory Academy sponsored four days of staff development offered on non-student days at the beginning of the school year. Sierra further offered pull-out days to facilitate collaboration among teachers in refining their alignment of curriculum with district pacing guides, CST blueprints and common assessments. Every Wednesday was an early release day for students and teachers were provided 2 hours of collaboration time with job-alike colleagues or additional subject-specific staff development or training for our targeted intervention program for low performing students in math and language arts. Staff training topics during the school year included: Pivot Learning Partners Student Engagement, EL Strategies and Leadership training; Algebra training and Illuminate - STAR and Benchmark results, UCI Content Area Language and Literacy (CALL) Lesson Study and UCI Math Project Lesson Study and trainings. Staff development plans for the 2013-14 school year include the continued partnership with Pivot, UCI CALL and UCI Math Project to further embrace the new 21st century instruction necessary for successful implementation of the Common Core Standards. The master schedule is built with common prep periods, plus Wednesdays continue to be early release days for students, so there are multiple opportunities for collaboration between staff members.

Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year, after school, and during the summer and generally focus on curriculum, teaching strategies, and methodologies. During the 2013-14 school year, district training opportunities are fully focused on preparation for and implementation of the Common Core Standards under the CORE Waiver.

New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The BTSA Induction Program (Beginning Teacher Support and Assistance) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period. More information about the BTSA Induction Program is available at <http://www.sausd.us/14431028114350867/site/default.asp>

To support veteran teachers as well as new teachers to the district, Santa Ana Unified School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Orange County Office of Education and courses offered by community colleges and universities. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives.

Core Academic Classes Taught by Highly Qualified Teachers

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: www.cde.ca.gov/nclb/sr/tq/

Types of Services Funded (Fiscal Year 2012-13)

This section provides specific information about the types of programs and services available at the school that support and assist students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

In addition to general fund state funding, Santa Ana Unified School District received federal, state, and local aid for categorical, special education, and support programs, including but not limited to: • Bilingual Education • Beginning Teacher & Support (BTSA) • California Child Nutrition Education • Carl Perkins • Class Size Reduction • Comprehensive School Reform • Drug Free Schools • Even Start Family Literacy • Gifted & Talented Education • Head Start • Instructional Materials • Migrant Education • Peer Assistance & Review • Regional Occupational Program • Safe Schools and Healthy Students • Special Education • Title I, II, III, IV, & VII • Vocational Education • Reading First

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2013-14)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instructional materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Year and month in which data were collected: January 28, 2014

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district's Board of Trustees. On January 28, 2014, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No 13/14-2993 which certifies as required by Education Code §60119 that for the 2013-2014 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics (Math) in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science (H-SS) in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- **California Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the Percent of Students not tested, see the CDE STAR Results Web site at star.cde.ca.gov.

California Physical Fitness Test Results

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the Percent of Students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at www.cde.ca.gov/ta/tg/pf/.

Grade Level	Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
7	24.4	15.9	24.7

DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at www.cde.ca.gov/ta/ac/ap/.

API Growth by Student Group – Three-Year Comparison			
Group	Actual API Change		
	10-11	11-12	12-13
All Students at the School	40	-2	17
Black or African American			
American Indian or Alaska Native			
Asian

Socioeconomically Disadvantaged	40	-3	17
English Learners	50	-7	-47
Students with Disabilities	118	-27	-7

Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Federal Intervention Program (School Year 2013-14)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Indicator	School	District
Program Improvement Status	In PI	In PI
First Year of Program Improvement	1998-1999	2004-2005
Year in Program Improvement	Year 5	Year 3
Number of Schools Currently in Program Improvement	54	
Percent of Schools Currently in Program Improvement	90.0	

API Growth by Student Group - 2013 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2013 Growth API (API-G) at the school, district, and state level.

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, can be found at the CDE Adequate Yearly Progress (AYP) webpage at www.cde.ca.gov/ta/ac/ay/.
