# **School Description**

Martin R. Heninger Elementary School (Heninger Elementary) is located on the corner of West Walnut Street and South Birch Street.

The staff, students and parents at Heninger Elementary are committed to the following mission: The students at Heninger Elementary receive instruction based on the California Common Core Standards. Their progress is measured using classwork, district benchmarks and state assessments with an understanding that a majority of our students also need English language development in order to fully access the curriculum. Results are consistently communicated to the students and parents. Teachers meet in grade level teams and with our Instructional Leadership Team to collaborate on decisions of future instruction, based on this data, in order to modify instruction to best access the curriculum to meet the California Common Core Standards. We are committed to meeting our students needs beyond the typical school day, so we provide academic support before and after school to targeted students to ensure progress.

There is a culture of collaboration, communication, accountability and parent involvement in place to ensure that staff, students and parents are aware of the students' progress.

Teach, learn, show, communicate, support and build.

#### **District Profile**

Santa Ana Unified School District is the seventh largest district in the state, currently serving over 57,000 students in grades K-12 and residing in the city of Santa Ana. The district operates 36 elementary schools, 9 intermediate schools, 7 high schools, 1 alternative high school, 2 continuation schools and 5 charter schools. The student population is comprised of 88.1% enrolled in the Free or Reduced Price Meal program, 47.8% qualifying for English language learner support, and approximately 11.0% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 19 schools have received the Golden Bell Award since 1990.

Each of Santa Ana Unified School District's staff members, parents, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

#### **District Mission**

We assure well-rounded learning experiences, which prepare our students for success in college and career. We engage, inspire, and challenge all of our students to become productive citizens, ethical leaders, and positive contributors to our community, country and a global society.

#### **District Vision**

We will work collaboratively and comprehensively with staff, parents, and the community to strengthen a learning environment focused on raising the achievement of all students and preparing them for success in college and career.

#### **About the SARC**

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents and community members should contact the school at (714) 953-3800.

#### A. Conditions of Learning

#### **State Priority: Basic**

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

#### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district's Board of Trustees. On October 14, 2014, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No 14/15-3027 which certifies as required by Education Code §60119 that for the 2014-2015 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

#### School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal, and assistant principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

The most recent facilities inspection at Heninger Elementary School took place on 9/24/2014. Schools are required by state law to report the condition of their facilities; the School Site Inspection table illustrated in this report identifies the state required inspection areas and discloses the operational status in each of those areas.

# **B. Pupil Outcomes**

#### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### **Opportunities for Parental Involvement**

Parents are encouraged to get involved in Heninger Elementary School's learning community by volunteering their time, attending school events, or sharing in the decision-making process. The school welcomes assistance in the classroom, and library and/or media center on special days. Parents are always invited to help chaperone field trips. Heninger Elementary School provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts; these may include:

- Back to School Night
- Open House
- Student performances
- Fundraisers
- Career Day
- Music/choir and/or theatre performances

- Science fairs
- Sports events
- Promotion activities
- Student recognition assemblies
- Parent education training and/or workshops

Think Together also provides after school services

Community Outreach worker focuses on Pre-K literacy training for parents of children 0-5.

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School's Plan:

- School Site Council (SSC)
- English Language Advisory Council (ELAC)

Parent Teacher Organization (PTO)

Parents seeking more information about becoming an active member in the school community may contact the principal or assistant principal at (714) 953-3800.

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements parents are kept informed on school news, student activities, schedules, policy changes and class curriculum updates including the following formats:

- XTEND or Tell-A-Parent Computerized Phone System
- School web site
- Public Service Channel 31 or 51
- School and/or Class newsletters

- Flyers
- Letters
- School Marquee/Banners
- New Student Orientations

This year we have a part-time Community Outreach Coordinator, whose responsibility is to serve as a liaison between school, home, and community. A focus for the coordinator is to work with children 0-5 and their families.

#### **State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

The Comprehensive School Site Safety Plan was developed in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most current safety plan was reviewed and updated to address the safety plan components and individual responsibilities during the 2013-2014 school year. The Santa Ana Unified School District's Board of Trustees reviews the safety plans annually by March 1.

#### Professional Development provided for Teachers at Heninger Elementary School

All curriculum and instructional improvement activities at Santa Ana Unified School District are aligned to the California Common Core State Standards. Staff development concentrations are selected and identified based upon student assessment results, NCLB requirements, teacher input, state content standards, and professional development surveys.

All staff development activities at Santa Ana Unified School District are focused on increasing student learning and proficiency. During the 2013-2014 school year, our school sponsored three days of staff development. Staff training topics at the individual school sites may have included: Common Core Strategies, Frontloading, Thinking Maps, Guided Language Acquisition Design, Effective Teaching Strategies from Marzano, et al., effective grading practices, etc.

Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year, after school, and during the summer and generally focus on curriculum, teaching strategies, and methodologies. During the 2013-2014 school year, district training opportunities focused on the following:

# At the elementary level -

- Strategic Schooling
- Common Core Units of Study
- GLAD Training (Guided Language Acquisition Design)
- SDAIE Training (Specially Designed Academic Instruction In English)
- CTAP Technology Training (California Technology Assistance Project)
- PBIS
- Differentiated Instruction
- Frontloading
- Gifted and Talented Education
- Working with Parents
- Special Education
- Data Analysis and Using Data to Drive Instruction
- Curriculum Mapping
- \* CATCH P.E.
- Thinking Maps
- Write from the Beginning
- Benchmark Assessments in Language Arts and Math
- District Writing workshops
- RTI (Dibels, progress monitoring)
- SIPPS

Specifically to Heninger, teachers have received training in the following areas:

- Lexia Reading Program
- The MIND Institute Math Program
- Mobi Technology Training
- STAR Accelerated Reader
- Reading Plus
- Google Docs
- Google Plus
- Edmodo
- Gooru

To support veteran teachers as well as new teachers to the district, Santa Ana Unified School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Orange County Office of Education or Santa Ana Unified School District, and courses offered by community colleges and universities. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives.
