School Description

Lorin Grisnet Academy is located at 1915 West McFadden Avenue. Lorin Grisnet Academy provides both a learning environment that enhances our students' achievement through a challenging and standards-based curriculum, and the support necessary to promote their social and emotional development. Lorin Grisnet Academy received a six-year term of accreditation from Western Association of Schools and Colleges (WASC) in 2008. The College Board approved the rigor of our standards-based course offerings to meet four-year university admission requirements. Each year, over 70% of Lorin Grisnet Academy's graduates enroll in institutions of higher learning.

Students from throughout the district who are at least 16 years old enroll at Lorin Grisnet Academy so that they can earn high school course credits at an accelerated pace. The small-school setting allows students the opportunity to participate in a comprehensive yet individualized program. Currently in operation are many programs for students at risk of graduation, English learners, pregnant minors, teen parents, students with special needs, migrant education students and gifted and talented students. Enrollment in the school is arranged through a referral process initiated by site administrators at comprehensive high schools for students who are deficient in credits. Pupil Support Services may refer less than 5% of students for inter-district transfers, involuntary placements, or readmission from expulsions. Students must complete 220 credits in required courses of study and pass the California High School Exit Exam to be able to graduate and receive a high school diploma. These are the same graduation requirements as the other high schools within the Santa Ana Unified School District.

Vision Statement

Alternative education is a life saver for teenagers with difficulties succeeding in large learning environments. We work together as professional educators to develop strong relationships with students, parents and the community to establish a sense of unity designed to build and promote a shared vision of academic student success. Lorin Grisnet Academy's vision is that all students will recover their credits with proficiency and the skills necessary to be productive members of community and a global society. We support academic achievement and responsible citizens by addressing the special academic, social, cultural, emotional, and physical needs of all students.

Mission Statement

Lorin Griset Academy provides students aged 16 and over in grades 10 through 12 the opportunity to participate in a comprehensive, yet individualized program of study in a small-school setting. Lorin Griset Academy offers students the opportunity to recover deficient credits and pass the CAHSEE in order to graduate or return to their home schools. Every member of the faculty will collaborate in support of each student's academic success.

District Profile

Santa Ana Unified School District is the seventh largest district in the state, currently serving over 57,000 students in grades K-12 and residing in the city of Santa Ana. The district operates 36 elementary schools, 9 intermediate schools, 7 high schools, 1 alternative high school, 2 continuation schools and 5 charter schools. The student population is comprised of 88.1% enrolled in the Free or Reduced Price Meal program, 47.8% qualifying for English language learner support, and approximately 11.0% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 19 schools have received the Golden Bell Award since 1990.

Each of Santa Ana Unified School District's staff members, parents, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

District Mission

We assure well-rounded learning experiences, which prepare our students for success in college and career. We engage, inspire, and challenge all of our students to become productive citizens, ethical leaders, and positive contributors to our community, country and a global society.

District Vision

We will work collaboratively and comprehensively with staff, parents, and the community to strengthen a learning environment focused on raising the achievement of all students and preparing them for success in college and career.

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (714) 648-2900.

2013-14 Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	0.6
American Indian or Alaska Native	0.0

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials			
Lorin Griset Academy High School	12-13	13-14	14-15
Fully Credentialed	19	16	17
Without Full Credential	0	0	0
Teaching Outside Subject Area of Competence	0	0	0
Santa Ana Unified School District	12-13	13-14	14-15
Fully Credentialed	♦	♦	2,528
Without Full Credential	♦	♦	14
Teaching Outside Subject Area of Competence	♦	♦	

Teacher Misassignments and Vacant Teacher Positions at this School			
Lorin Griset Academy High School	12-13	13-14	14-15
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers

2013-14 Percent of Classes In Core Academic Subjects Core Academic Classes Taught by Highly Qualified Teachers		
Location of Classes	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	100.00	0.00
Districtwide		
All Schools	99.40	0.60
High-Poverty Schools	99.36	0.64
Low-Poverty Schools	100.00	0.00

* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state’s list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district’s Board of Trustees. On October 14, 2014, the Santa Ana Unified School District’s Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No 14/15-3027 which certifies as required by Education Code §60119 that for the 2014-2015 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal, and assistant principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

The most recent facilities inspection at Lorin Griset Academy High School took place on 8/14/2014. Schools are required by state law to report the condition of their facilities; the School Site Inspection table illustrated in this report identifies the state required inspection areas and discloses the operational status in each of those areas.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Results for All Students - Three-Year Comparison

Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	11-12	12-13	13-14	11-12	12-13	13-14	11-12	12-13	13-14
Science	15		8	48	47	47	60	59	60

* Science (grades 5, 8, and 10) assessments include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA). Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

STAR Results for All Students - Three-Year Comparison

Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	10-11	11-12	12-13	10-11	11-12	12-13	10-11	11-12	12-13

English Learners		
Students with Disabilities		
Students Receiving Migrant Education Services		

* CAASPP includes science assessments (CSTs, CMA, and CAPA) in grades 5, 8, and 10. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

API Growth by Student Group – Three-Year Comparison

Group	Actual API Change		
	10-11	11-12	12-13
All Students at the School	116	-26	-29
Black or African American			
American Indian or Alaska Native			
Asian			
Filipino			
Hispanic or Latino			-29
Native Hawaiian/Pacific Islander			
White			
Two or More Races			
Socioeconomically Disadvantaged			-32
English Learners			-26
Students with Disabilities			

* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Parents are encouraged to get involved in Lorin Griset Academy's learning community by volunteering their time, attending school events, or sharing in the decision-making process. The school welcomes assistance in the classroom, and library and/or media center on special days. Parents are always invited to help chaperon field trips. Lorin Griset Academy provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts; these may include:

- Back to School Night
- Open House
- Career Day
- Promotion activities
- Student recognition assemblies
- Parent education training and/or workshops
- College and Career Youth Summit

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School's Plan:

- School Site Council (SSC)
- English Language Advisory Council (ELAC)

Parents seeking more information about becoming an active member in the school community may contact the principal or assistant principal at (714) 648-2900.

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates including the following formats:

- School web site
- School and/or class newsletters
- Flyers
- Letters
- New Student Orientations

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Site Safety Plan was developed in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most current safety plan was reviewed and updated to address the safety plan components and individual responsibilities during the 2013-2014 school year. The Santa Ana Unified School District's Board of Trustees reviews the safety plans annually by March 1.

Suspensions and Expulsions

School	11-12	12-13	13-14
Suspensions Rate	7.7	4.5	7.0
Expulsions Rate	0.0	0.0	0.2
District	11-12	12-13	13-14
Suspensions Rate	7.0	4.9	4.3
Expulsions Rate	0.1	0.1	0.1
State	11-12	12-13	13-14
Suspensions Rate	5.7	5.1	4.4
Expulsions Rate	0.1	0.1	0.1

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2013-14 Adequate Yearly Progress Overall and by Criteria		
AYP Criteria	School	District
Made AYP Overall	No	
Met Participation Rate: English-Language Arts	Yes	
Met Participation Rate: Mathematics	Yes	
Met Percent Proficient: English-Language Arts	No	
Met Percent Proficient: Mathematics	No	
Met API Criteria	Yes	
Met Graduation Rate (if applicable)	No	

* On March 7, 2014, the U.S. Department of Education approved California's testing waiver for certain statutory and regulatory requirements. Specifically, a one-year waiver was granted that allowed flexibility in making Adequate Yearly Progress (AYP) determinations for schools and LEAs participating in the Smarter Balanced assessment field test. The CDE did not produce a 2014 AYP report for elementary and middle schools and elementary and unified school districts.

Academic Counselors and Other Support Staff at this School

Types of Services Funded at Lorin Grisnet Academy High School

In addition to general fund state funding, Santa Ana Unified School District received federal, state, and local aid for categorical, special education, and support programs, including but not limited to: After School Education and Safety (ASES) (Proposition 49) California Career Pathways Trust California Clean Energy Jobs Act (Prop 39) Carl Perkins Carol M White PEP Grant Common Core State Standards (CCSS) Gear Up IV (RSCC Fiscal Agent) Head Start Irvine Mathematics Project - UCI Kinder Readiness Program II Lighthouse Academy Project Governor's CTE Initiative: CA Partnership Academies Lottery: Instructional Materials Medi-Cal Billing Option Migrant Ed Nutrition Education and Obesity Prevention (NEOP) Grant Program Partnership Academies Program Quality Education Investment Act QEIA Special Ed Title I, II, III, and IV part B

Professional Development provided for Teachers at Lorin Grisnet Academy High School

All curricular and instructional improvement activities at Lorin Grisnet Academy are aligned to the California State Content Standards. Staff development concentrations are selected and identified based upon student assessment results, NCLB requirements, teacher input, state content standards, professional development surveys, the Western Association of Schools and Colleges (WASC)-Action Plan, the School Plan for Student Achievement (SPSA), and the schoolwide area of focus. Professional development activities at Lorin Grisnet Academy are focused on meeting the schoolwide student learning outcomes and implementing the Single Plan for Student Achievement, thus increasing student learning, attendance, and the number of students who graduate high school and ready for their post-secondary learning experiences. During the 2013 - 2014 school year, the Lorin Grisnet Academy staff attended a variety of professional development activities which provided learning experiences in the areas of Thinking Maps, writing methodology, effective teaching strategies, data review and analysis, student engagement, classroom management, online/blended learning model and the effective use of instructional technology resources.

The Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year, after school, and during the summer and generally focus on curriculum, teaching strategies, and methodologies. New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The BTSA Induction Program (Beginning Teacher Support and Assistance) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period.

To support veteran teachers as well as new teachers to the district, Santa Ana Unified School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Orange County Department of Education and courses offered by community colleges and universities. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives.

Career Technical Education Programs

Today's cutting-edge, rigorous and relevant Career Technical Education (CTE) courses prepare high school students to be both college and career ready. To meet this goal, students now have the opportunity to take an integrated sequence of CTE courses called a Program of Study that is focused on a specific career pathway over three or four years. We have continued to expand our CTE courses to include a wide range of high-wage, high-skill, high-demand careers in the areas of science, technology, engineering and math (STEM) pathways. CTE courses and pathways are available to all high school students in the Santa Ana Unified School District. The goals of the CTE program are aligned with those of the Carl D. Perkins Career and Technical Education Improvement Act which focuses primarily on the improvement of career and technical education programs, the integration and sequencing of courses, and, most importantly, serving special populations.

CTE Programs of Study combine academic rigor and real-world work-based relevance. Courses are aligned to both academic and CTE California State Standards with the main goal of preparing students for the workforce of the 21st century. To prepare students to be both college and career ready, we have updated many of the courses to satisfy the "a-g" entrance requirements for the University of California (UC) and California State University (CSU) systems. Additionally, courses are articulated with colleges to establish a process for achieving dual credit as students attend high school courses and receive college credit at articulated schools. Furthermore, we offer many work-based learning opportunities to students to apply theories and skills learned in the classroom to an actual job situation, further solidifying a real-world experience.

The CTE advisory committee is comprised of all major stakeholders including CTE staff, high school principals, high school counselors and career technicians, parents, students, and industry representatives.
