School Description

Sierra Preparatory Academy (Sierra Prep) is located on North Grand Avenue at 21st Street. Sierra Preparatory Academy is a school in transformation. Our focus is on building positive relationships between all stakeholders: students, staff, families and community. Mutual respect between all parties results in a more positive and successful educational environment for all. We are becoming a "school of choice" with a visual and performing arts (VAPA) emphasis, offering electives in music (band, orchestra, marching band, jazz band), art, woodshop, speech and debate, leadership, MESA (Mathematics, Engineering, Science Achievement Program), journalism and computer technology.

Students attend 8 periods on a block schedule: periods 1,3,5,7 on Mondays and Thursdays, periods 2,4,6,8 on Tuesdays and Fridays, and all periods on Wednesdays. As a result, all students attend language arts and math daily and have the opportunity to take an elective class along with PE, science and social studies. Sierra Prep also sponsors extended school day opportunities for students including Boys and Girls Club, Rocket Science Tutors program, jazz band, dance ensemble, art club, guitar making club, speech and debate, media club, Academic Talent Search, and targeted interventions in core subject areas, along with quarterly sports.

In April, 2011, we moved into a brand new, 29 classroom, two-story building. All classrooms are equipped with up-to-date technology including interactive whiteboards and voice enhancing sound systems. The campus grounds have undergone major transformation as well. Students feel like they belong to a school family that truly believes in providing an environment conducive to their well-being and educational progress.

School Vision:

Sierra Preparatory Academy, an alliance of staff, students, parents, and community, is committed to providing quality academic achievement and social adjustment by expecting students to:

- Master grade level standards and apply them in a meaningful context;
- Learn how to gather information from a variety of sources including the use of technology;
- Practice cooperation and teamwork in problem solving and making informed decisions; and
- Exercise self-discipline and self-motivation to become responsible, contributing members of society.

School Mission Statement:

The mission of Sierra Preparatory Academy is to help develop immediate and life-long goals that will result in purposeful, satisfying, and successful lives.

District Profile

Santa Ana Unified School District is the seventh largest district in the state, currently serving over 57,000 students in grades K-12 and residing in the city of Santa Ana. The district operates 36 elementary schools, 9 intermediate schools, 7 high schools, 1 alternative high school, 2 continuation schools and 5 charter schools. The student population is comprised of 88.1% enrolled in the Free or Reduced Price Meal program, 47.8% qualifying for English language learner support, and approximately 11.0% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 19 schools have received the Golden Bell Award since 1990.

Each of Santa Ana Unified School District's staff members, parents, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

District Mission

We assure well-rounded learning experiences, which prepare our students for success in college and career. We engage, inspire, and challenge all of our students to become productive citizens, ethical leaders, and positive contributors to our community, country and a global society.

District Vision

We will work collaboratively and comprehensively with staff, parents, and the community to strengthen a learning environment focused on raising the achievement of all students and preparing them for success in college and career.

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (714) 567-3500.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state’s list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district’s Board of Trustees. On October 14, 2014, the Santa Ana Unified School District’s Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No 14/15-3027 which certifies as required by Education Code §60119 that for the 2014-2015 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal, and assistant principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

The most recent facilities inspection at Sierra Preparatory Academy took place on 6/25/2014. Schools are required by state law to report the condition of their facilities; the School Site Inspection table illustrated in this report identifies the state required inspection areas and discloses the operational status in each of those areas.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Parents are expected to get involved in their child's education and Sierra Preparatory Academy's learning community by having regular conversations about learning with their child, volunteering their time, attending school events, or sharing in the decision-making process. The school welcomes assistance in the classroom, and library and/or media center on special days. Parents are always invited to help chaperone field trips. Sierra Preparatory Academy provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts including:

- Parent/Student Orientation Days
- Back to School Night and Open House
- Sightings and Sounds of Sierra showcase
- Music Performances and Parades; Dance and Speech Performances
- Fundraisers
- Parent Conference Day
- Sports Events and Field Trips
- Promotion Activities
- Student Recognition Assemblies and Awards Nights
- Parent Education trainings, workshops, monthly meetings
- PAL (Peer Assistance Leadership), Chicas con Fuerza - student organizations with parent involvement, including Family Dinner Nights and community service projects

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School's Plan:

- School Site Council
- English Language Advisory Council (ELAC)
- Principal's Parent Leadership Team
- District Advisory Council (DAC)

Parents seeking more information about becoming an active member in the school community may contact the Community/Parent Liaison in the Family Center at (714) 567-3513 or the Principal or Assistant Principal at (714) 567-3500

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates including the following formats:

- Computerized phone system and personal phone calls
- School web site
- Public Service Channel 31 or 51
- School and/or Class newsletters
- Flyers
- Letters
- School Marquee/Banners
- Monthly Parent meetings

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Site Safety Plan was developed in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most current safety plan was reviewed and updated to address the safety plan components and individual responsibilities during the 2013-2014 school year. The Santa Ana Unified School District's Board of Trustees reviews the safety plans annually by March 1.

Professional Development provided for Teachers at Sierra Preparatory Academy

All curriculum and instructional improvement activities at Santa Ana Unified School District are aligned to the California Common Core Standards and Frameworks. Staff development concentrations are selected and identified based upon student assessment results, NCLB requirements, teacher input, state content standards, and professional development surveys.

All staff development activities at Santa Ana Unified School District are focused on increasing student learning and proficiency. During the 2013-14 school year, Sierra Preparatory Academy sponsored five days of staff development offered on non-student days at the beginning of the school year for teachers new to the staff. Sierra further offered pull-out days to facilitate collaboration among teachers in refining their alignment of curriculum with district pacing guides, Common Core state standards and common assessments. Every Wednesday was an early release day for students and teachers were provided 1 hour of collaboration time with job-alike colleagues. Staff training topics during the school year included: Pivot Learning Partners Student Engagement, EL Strategies and Leadership training; Aeries training and Illuminate - data results, UCI Content Area Language and Literacy (CALL) Lesson Study and UCI Math Project Lesson Study and trainings. Staff development plans for the 2014-15 school year include the continued partnership with Pivot, UCI CALL and UCI Math Project to further embrace the new 21st century instruction necessary for successful implementation of the Common Core Standards. The master schedule is built with common prep periods, plus Wednesdays continue to be early release days for students, so there are multiple opportunities for collaboration between staff members.

Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year, after school, and during the summer and generally focus on curriculum, teaching strategies, and methodologies. During the 2014-15 school year, district training opportunities are fully focused on preparation for and implementation of the Common Core Standards under the CORE Waiver.

New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The BTSA Induction Program (Beginning Teacher Support and Assistance) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period. More information about the BTSA Induction Program is available at <http://www.sausd.us/14431028114350867/site/default.asp>

To support veteran teachers as well as new teachers to the district, Santa Ana Unified School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Orange County Office of Education and courses offered by community colleges and universities. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives.
