School Description

Raymond A. Villa Fundamental Intermediate ("Villa Fundamental") is located at the corner of East Chestnut Avenue and South Grand Avenue. As a school of choice, students residing in the district's attendance boundaries are eligible for enrollment through a lottery system. Students attending a fundamental elementary school within the district and students with siblings already enrolled at Villa are given first priority for enrollment.

Villa Fundamental emphasizes a highly structured program of academic skills, enrichment, and the establishment of good study habits. School staff seek to instill within each student a sense of responsibility, patriotism, pride in accomplishment, and a positive self-image. Villa Fundamental's three core values are pride, respect, and achievement.

Teachers provide students with academic and emotional support needed for middle school students during their transitional period between elementary school and high school. Students are placed in English language arts and mathematics classes based on proficiency levels, with teachers from all disciplines working in department and grade level course teams. Students receive progress reports and semester grades based on common assessments, benchmark tests, homework, assignment completion, and participation; and citizenship grades based on behaviors of courtesy, respect, and punctuality.

School Mission:

The Villa family empowers each student to become college and career ready through the development of academic, social, and emotional skills and abilities.

District Profile

Santa Ana Unified School District (SAUSD) is the seventh largest district in the state, currently serving nearly 56,000 students in grades K-12, residing in the city of Santa Ana. As of 2015-16, SAUSD operates 37 elementary schools, 9 intermediate schools, 7 high schools, 3 alternative high schools, and 5 charter schools. The student population is comprised of 91% enrolled in the Free or Reduced Price Meal program, 60% qualifying for English language learner support, and approximately 12% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools, and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 20 schools have received the Golden Bell Award since 1990. Each of Santa Ana Unified School District's staff members, parent, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

District Mission

We assure well-rounded learning experiences, which prepare our students for success in college and career. We engage, inspire, and challenge all of our students to become productive citizens, ethical leaders, and positive contributors to our community, country and a global society.

District Vision

We will work collaboratively and comprehensively with staff, parents, and the community to strengthen a learning environment focused on raising the achievement of all students and preparing them for success in college and career

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district's Board of Trustees. On October 11, 2016, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 16/17-3135 which certifies as required by Education Code §60119 that for the 2016-2017 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal, and assistant principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

^{*} Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Parents are encouraged to get involved in Villa Fundamental Intermediate School's learning community by volunteering their time, attending school events, or sharing in the decision-making process. The school welcomes assistance in the classrooms and library on special days. Parents are always invited to help chaperone field trips. Villa Fundamental Intermediate School provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts; these may include:

- Back to School Night
- Open House
- Student performances
- Fundraisers
- Music/choir and/or theater performances

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School's Plan:

- School Site Council
- English Language Advisory Council
- Parent Teacher Student Association (PTSA)

Villa Fundamental Intermediate has also designed several opportunities for involvement on a school-wide level. These regular opportunities include the Villa Parent University, Coffee with the Principal meetings, and ongoing parent classes in both the Fall and the Spring.

Parents seeking more information about becoming an active member in the school community may contact the principal or assistant principal at (714) 558-5100.

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, flyers, etc., parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates including the following formats:

- XTEND or ParentLink Computerized Phone System
- School Web Site
- Public Service Channel 31 or 51
- Flvers
- Letters

- Monthly School Calendars
- School Marquee/Banners
- Villa School Facebook Page

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Site Safety Plan was developed in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most current safety plan was reviewed and updated to address the safety plan components and individual responsibilities during the 2015-2016 school year. Schools are required to forward updated safety plans after review to the District Office annually.

Professional Development provided for Teachers

All curriculum and instructional improvement activities at Santa Ana Unified School District are aligned to the Common Core State Standards (CCSS). Staff development concentrations are selected and identified based upon student assessment results, LCAP requirements, teacher input, state content standards, and professional development surveys.

All staff development activities at Santa Ana Unified School District are focused on increasing student learning and proficiency. For the 2015-16 school year, our school will focus on critical thinking, teacher as facilitator/student interaction, writing across the curriculum, collaborative academic conversations, complex text, close read strategies, and PBIS. Continuing reinforcement of previous staff training topics have included: Engagement Strategies, AVID strategies, Thinking Maps, effective teaching strategies from Marzano, et al., effective grading practices, etc. In addition, teachers will learn about the effective use of technology to support instruction. Teachers participate in the professional development on early release Wednesdays. Professional development is organized into breakout sessions allowing for teacher choice and interest.

Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year, after school, and during the summer and generally focus on curriculum, teaching strategies, and methodologies. During the 2015-16 school year, district training opportunities focused on the following:

At the secondary level -

- Language Arts
- Mathematics
- NGSS
- AP Training (Advanced Placement)
- SDAIE Training (Specially Designed Academic Instruction In English)
- AVID Training (Advancement Via Individual Determination)
- Working with Parents
- GATE Training (Gifted And Talented Education)
- GLAD Training (Guided Language Acquisition Design)
- Special Education
- Data Analysis and Using Data to Drive Instruction
- Curriculum Mapping

New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The TIPS Induction Program (Teacher Induction and Professional Support) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period. More information about the TIPS Induction Program is available at http://www.sausdtips.org

To support veteran teachers as well as new teachers to the district, Santa Ana Unified School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Orange County Office of Education and courses offered by community colleges and universities. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
