TESTING

Throughout the year, students will participate in a variety of testing programs. Students and parents are encouraged to become aware of the student's proficiency levels, and to strive for higher achievement with each testing opportunity. These tests include:

- CAASPP (formerly known as SBAC) Test
- MAP Test
- English Language Proficiency Assessments for California (ELPAC)
- District Benchmark Assessments
- District Writing Proficiency Test
- Accelerated Reader
- ALEKS for Math
- DreamBox for Language Arts

It is critical that every student be in class when these tests are administered. For some tests, results will be mailed directly to the home once tests have been scored. For other tests, scores will be made available to students and parents as soon as they are available to our staff. All scores will be interpreted for students and parents upon request. Test results will be used for a variety purposes, including opportunities for students to participate in special programs.

- ELPAC(English Learners)
- SBAC
- MAP
- DIBELS
- Interim Assessment Benchmark(IAB)
- STAR(Accelerated Reader)
- BPST

THE M.I.T. PROMISE

We all understand that learning can take place only when there is a combination of effort, interest, respect and motivation from the student, the teachers, the parents and the school. We are committed to success at McFadden Institute of Technology and we pledge to work together to promote student achievement. Therefore, let it be known that:

As a Student, I pledge to:

- Be On Time, Every Day, Ready to Learn!
- Use my agenda and bring my required school supplies to school every day.
- Discuss with my parents what I am learning in school.
- Follow the School Code of Student Conduct, McFadden Dress Code, and Restroom Usage Policy.
- Ask my teacher questions when I don't understand something.
- Read at least two books a month.
- Complete my assigned class work and homework everyday.
- Do my best in everything I do.
- Respect my campus and keep it clean.

Student Signature

As a Teacher, I pledge to:

- Foster an awareness of the importance of being "On Time, Every Day, Ready to Learn."
- Provide high-quality, standards-based curriculum and instruction.
- Act as an instructional leader by providing motivating and challenging learning opportunities.
- Teach my expectations, procedures, instructional goals and grading system to students and parents.
- Teach the School Code of Student Conduct and the McFadden Dress Code to my students.
- Apply analysis of current student data to explore and utilize techniques and materials which maximize student achievement.
- Ensure that all students are given the opportunity to write class assignments in their agendas on a daily basis and to monitor the use of students' agendas.
- Communicate, cooperate and follow up with parents to ensure the best possible education.
- Create an instructional environment that fosters student engagement and learning.

Teacher Signature

As a Parent, I pledge to:

- Ensure that my child is On Time, Every Day, Ready to Learn.
- Ensure that my student uses his/her agenda and brings his/her required supplies to school everyday.
- Provide a quiet study time in my home, encourage good study habits and review my student's agenda and homework everyday.
- Support the School Code of Student Conduct and McFadden Dress Code.
- Encourage my child to read everyday.
- Communicate and cooperate with the school and teachers to help my child receive the best possible educational experience.
- Support my child's learning by attending conferences and parent activities.
- Talk with my child daily about what he/she is studying and learning in each class.

Parent Signature

As the Principal, I pledge to:

- Stress the importance for all students to be on time, every day to every class, ready to learn and reward those who demonstrate outstanding attendance.
- Create a welcoming environment for all students and parents.
- Communicate our school mission and goals to students, staff, and parents.
- Ensure a safe, orderly, and clean learning environment for all students and staff.
- Act as an instructional leader by supporting the use of engaging teaching strategies, effective instruction, and the use of data by all teachers.
- Provide appropriate workshops and training opportunities for teachers and parents.
- Reinforce the partnerships between the parents, the school and the students.
- Inform parents of academic, attendance, and behavioral concerns regarding their children.

WELCOME

Welcome to McFadden Institute of Technology, Home of the Scots! We are thrilled to have you with us, and we are eager to help you mature and develop as a student and as an individual. This agenda is prepared for YOU, the M.I.T. SCOT! It contains information about the academic program, rules and regulations that students are expected to follow at all times, and other useful information. Your agenda officially makes you a member of our McFadden Family and when carried with pride, it will help guide you throughout the year. **Students are expected to bring their agenda to school every day, use it in every class, and keep it neat and tidy.**

MISSION STATEMENT

McFadden Institute of Technology (MIT) is committed to move beyond the basics and embrace the essential skills needed for the 21st Century by implementing Common Core State Standards, building autonomy through mastery and purpose, and creating a positive global school culture and climate. It is our mission to prepare all students for success in life by making sure that they are college and career ready by the time they transition to high school. With that end in mind, we are committed to providing equitable access to all our students with global education and exposure to technology and the arts and instilling the notion of becoming lifelong learners.

SCHOOL HOURS

Start and end times may vary based on grade level. See complete bell schedule on page: 5

Campus Open to Students	7:00 a.m.
Office Hours	7:30 a.m.-4:30 p.m.
First Bell	8:15 a.m.
Student School Hours	8:20 a.m. to 2:39 p.m.
Modified Days	8:15 a.m. to 1:30 p.m.

INSURANCE

The Santa Ana Unified School District **does not carry student insurance** on students for accidents occurring on campus. Information about purchasing insurance will be available during the first few weeks of school. If you have no other medical insurance, it is suggested that you consider purchasing accident insurance. It is inexpensive and available through many insurance companies in the community. Thus, parents need not wait until it is offered at school to purchase a plan.

STUDENT IDENTIFICATION CARDS

At the beginning of each school year, students will have their pictures taken for their McFadden ID cards. Students are expected to carry their school ID cards with them at all times.

McFADDEN DRESS CODE/UNIFORM POLICY: Per SAUSD BP/AR 5132.5 and (a)

Every student is expected to wear a school uniform every day. Our school colors are red, white, navy blue and black. The McFadden Institute of Technology uniform consists of:

BOTTOMS

*Red, White, Black, Navy Blue
Pants, shorts & skirts

***NO jeans**

***NO sweatpants**

***NO leggings/tights**

TOPS

*Red, White, Black, or Navy Blue
POLO SHIRT with collar and sleeves

*Solid colors

*McFadden Spirit wear is allowed on any day.

OUTERWEAR

*Red, White, Black, Navy Blue

*Jackets, Sweaters, Sweatshirts or Vests

*Solid colors or McFadden Spirit wear worn OVER the polo shirt

The primary standards for student dress and grooming are to be neat and clean while at school. Students' clothing and personal hygiene must not cause a distraction to school activities, create a hazard to the safety of others, and/or invade the rights of others. Our aim, again, is to support an academic environment, allow for school pride and spirit, and permit some individuality for all students. It is our belief that incorporating school colors will give students more freedom than they had in elementary school while maintaining a uniformity that will be more conducive to learning. Uniforms will be monitored at the front gate before school and the first part of period one. **Parents of students not in uniform compliance, will be notified to come to school to provide proper uniform.**

DRESS CODE DETAILS

- The only logo allowed on any clothing is the McFadden logo.
- No oversized shirts or pants for boys.
- Shorts, skorts, skirts must reach mid-thigh.
- Clothes shall be sufficient to conceal undergarments at all times. See through, fishnet fabrics, halter tops, off the shoulder or low cut tops, bare midriffs and skirts or shorts shorter than midthigh are prohibited.
- No stretchy, tight fitting pants, skirts, shorts, and/or skorts (including leggings & sweatpants).
- Students may not use rubber bands or any other item to tie up their pants or their shirts.
- P.E. uniforms are worn only during PE classes.
- Pants should be the proper length, in good repair and should be hemmed appropriately.
- Hooded garments are permitted but students must keep the hoods down.
- Visible jewelry is limited to small watches, rings, necklaces, and bracelets; earrings should be a small stud or a hoop no larger than a dime. Wallet chains, and/or spiked and sharp jewelry are not allowed.

All guidelines are subject to school personnel interpretation.

COLLEGE WEDNESDAYS

Every Wednesday, students and staff are encouraged to wear a shirt or outerwear with their favorite college or university name or logo on it. College shirts do not have to have a collar, but boys must tuck them in. Uniform bottoms must still be worn. Students are not permitted to wear shirts representing professional sports teams or jerseys that do not have the name or logo of a college or university.

SPIRIT FRIDAYS

Show your Scottie spirit! On Fridays, students and staff are encouraged to wear any clothing that demonstrates McFadden spirit. This may include McFadden logo shirts, or shirts related to McFadden activities such as music, dance, Academic Pentathlon, sporting events, or any other organizations in which our students participate.

SPIRIT DAYS

Periodically, Student Council sponsors special Spirit Days such as Twin Day, Hawaiian Day, Crazy Fashion Day, etc. Students who choose not to dress for the Spirit Day theme must wear the school uniform.

3.0 General Guidelines for School Attire (Based on BP/AR 5132.5):

1. Clothing must be free from tears, rips, holes, etc.
2. Clothing should not be oversized.
3. Pants must fit, cannot be oversized, and must be hemmed and in good repair.
4. Socks will not be pulled up to meet the bottom of shorts.
5. There should be no visible initials, insignias, pictures, or logos on clothing, except for school logos.
6. Shoes must be worn at all times and must be enclosed. Steel toes or western-type boots are not to be worn.
7. Colored or thick shoe laces, and black gloves are not permitted.
8. Bandanas, hair nets, and beanies are not permitted. Only those students, with the approval from the principal because of medical /religious purposes, may have an exception. Hoodies worn over the head may be permitted outdoors during inclement weather.
9. Hats are not to be worn indoors. No baseball caps other than school issued ones will be permitted.
10. Visible jewelry is limited to small watches, rings, necklaces, and bracelets; earrings should be a small stud or a hoop no larger than a dime. Wallet chains, and/or spiked and sharp jewelry are not allowed.
11. Gang slogans and graffiti will not be allowed on backpacks or purses.
12. No shirts with gang, drug, graffiti or sexual connotations including OC or SA in old English lettering.
13. Jerseys or shirts with team logos are not allowed.
14. No belt buckles with logos or initials (including anything related to weapons, drugs, or of a sexual nature) are allowed.
15. Hair shall be clean and neatly groomed. Hair may not be sprayed by any coloring that would drip when wet.

At schools with dress codes banning gang-related apparel during school hours or activities, the principal, staff, parents, guardians, and community-based crime prevention organizations involved in creating the school safety plan will collaborate to define what constitutes gang-related attire. This definition will specifically encompass clothing or accessories that could reasonably pose a threat to the health and safety of the school environment if worn or displayed on campus. Education Code 352941 mandates this process. Given the evolving nature of gang symbols, this definition will be subject to review at least once each semester and adjusted promptly whenever new relevant information is obtained.

All guidelines are subject to school personnel interpretation.

ITEMS *NOT* ALLOWED ON CAMPUS

Students should only bring items to school that are required for their classes. The following items are ***NOT*** allowed at any time:

- **GUM**
- Lasers or game devices
- Permanent markers, **highlighters**, any other type of marker, or white-out
- **Skateboards or scooters (unless permission slip is in office)**
- Scissors, knives, any other type of cutting tool, or other dangerous objects
- Toys (such as *Tech Decks*, stuffed animals, trading cards, balloons & etc.)
- Graffiti on clothing, **backpack**, agenda, notebook, or other personal property
- Aerosol cans (such as AXE), spray bottles or glass containers of any type
- Balloons, food and/or other items with which to celebrate a person's birthday

If a student brings one of these items without written approval from the principal, the item will be confiscated. A parent meeting with an administrator is required in order to retrieve any confiscated item. *Items not retrieved by parents by the last day of each month will be donated to a charitable organization.* **The school is not responsible for the safekeeping of any prohibited items.**

ATTENDANCE

BE ON TIME, EVERY DAY, TO EVERY CLASS, READY TO LEARN!

Good attendance is mandatory for school success. The District does not give permission for students to be absent unless the reason is listed below. After an absence, each student must bring a note to the Attendance Office stating the reason for the absence. The note must include a current telephone number and must be *written and signed* in ink by the parent/guardian. This note is due the day the student returns to school. Students who fail to bring a note from their parent/guardian will be subject to detention and/or Friday School. Students are to report to the Attendance Office between 7:30 - 8:15 a.m. to get their Re-Admit Slips on the day they return to school.

All students are required to be in school every day unless:

The student is very sick (a doctor's note may be required).

The student has a funeral in his/her immediate family.

The student has a doctor's permission to be out of school.

The student has a court appointment.

The following measures will be taken if a student has too many absences:

Parents will be required to attend a conference at the school with the counselor, assistant principal and/or other personnel.

Parents will be required to meet with the district attorney (if the problem continues).

The student and his/her parent/guardian will be required to attend a Student Attendance Review Board (SARB) hearing.

The student and his/her parent/guardian may be cited and required to appear in court. The court process may result in monetary penalties.

Please also note:

- ☐ After a student is absent three consecutive days, the student may be required to bring a doctor's note. Absences for reasons other than those listed above are considered unexcused.
- ☐ Teachers are not obliged to accept work from students with unexcused absences.
- ☐ Unexcused absences may lower a student's grades and may even result in having to repeat the same grade!

TARDIES

**Please call the Attendance Office at (714) 479-4021
As soon as you know that your child will be absent.**

Students are expected to be in their seats ready to work when the tardy bell rings. If a student arrives late to school, they must report to the front office, scan the provided QR code, and then proceed directly to class. **A tardy to school in the morning will result in an automatic 30 - minute detention** after school. Habitual tardiness will lead to disciplinary action. If a student is detained by a staff member, the student must obtain a written pass from that staff member.

PROMOTION AND RETENTION CRITERIA

In order to earn a promotion to the next grade, students must pass their semester classes with an academic grade of A, B, C, or D. Students who receive failing grades and/or fail to make adequate progress on District Benchmark exams will be considered for remediation and, possibly, retention. Good citizenship and classroom behavior are critical to success in school and students should work hard to earn an Outstanding or Satisfactory mark. In addition, all 8th grade students must pass the U.S. Constitution Test in their Social Studies classes.

If a student receives multiple “F”s and/or the student fails to make adequate progress on District Benchmark exams, a Board of Review meeting will be held to determine whether the student will be required to attend a summer intervention program, repeat the current grade level, or receive an irregular promotion to the next grade level.

All 8th graders who meet promotion criteria will earn the privilege to participate in our end of the year award ceremony. For details, visit <http://www.sausd.us/mcfadden>.

PROGRESS REPORTS AND REPORT CARDS

The school year at McFadden Institute of Technology is divided into two semesters. Students will receive a progress report at six weeks and twelve weeks, followed by a report card at the end of each semester. Thus, progress reports and report cards are mailed home 6 times per year. If students or parents have not received progress reports or report cards generally within two weeks of the following dates, the counselor should be contacted.

Progress reports provide parents with information about their child’s performance during each grading period. Parents are encouraged to assist students having difficulties in their classes so that performance improves prior to the final grades. Appointments with teachers and/or counselors are encouraged when performance expectations are not met.

PARENT CONFERENCES

It is critical that parents attend parent conferences when requested. Parents are invited to contact the school to schedule a teacher conference whenever they feel it is necessary.

A MILLION WORDS!!!

The State of California has set the standard for all California students to be able to read ONE MILLION words each year, all on their own! This is 1,000,000 words PER YEAR! Although it sounds like a lot of words, and it is, it really is quite manageable. For instance, if you have read four Harry Potter books, you are half-way there, because you would have read approximately 500,000 words. Here's an easy way to break it down:

1,000,000 words per year = 100,000 words per month you are in school

100,000 words per month = 25,000 words per week...that's 2 novels per month

25,000 words per week = 5,000 words per day...that's 15 – 20 pages per day

So, if you read at least thirty minutes per day, and read about twenty to thirty pages each day for five days in a week, you will reach your goal! Document all the reading you do each day in your agenda. List the types of reading you do....fiction, nonfiction, magazine articles, newspaper articles, etc. Write two or three sentences that summarize what you read that day. Celebrate your accomplishments. You can do it! You CAN read 1,000,000 words this year! To help McFadden students achieve this goal, you will have the opportunity to participate in the reading incentive program "Reading Counts." Your English Language Arts teacher will give you more information about this exciting program.

LIBRARY

The library is open daily. Students may use the library for studying, reading, and research. A student attending the library during class must obtain a pass from his/her teacher to be permitted access to the library. Students who do not return their library books on time will be fined. All fines must be paid within a reasonable time. Eighth graders who owe fines will not be permitted to participate in end of the year activities until they have paid their fines.

TEXTBOOKS AND MOBILE DEVICES

Textbooks are provided free of charge and students are expected to keep them in good condition during the year. Students will be required to replace textbooks at their personal expense should they become lost or damaged. Eighth graders who have not returned all of their textbooks will not be permitted to participate in end of the year activities until they have resolved any textbook issues.

IPad Standards for Students

- iPads are school supplies (like textbooks) that come to school each day, charged and ready.
- iPads are inside backpacks unless directed by a teacher.
- Cameras are only used at school when directed by a teacher.
- AirDrop is off at all times.
- iPads are: "Away" in backpacks, "Face Down" flat on desks, "Face Up" flat on desks, to be used "In Hand" to be used.
- Students may not add Apps, iTunes accounts or personal Apple ID's to school iPads

RECOGNITION PROGRAMS AT McFADDEN INSTITUTE OF TECHNOLOGY

The McFadden Institute of Technology staff looks forward to recognizing the outstanding achievements of all students. Some of the ways in which a student may be recognized include:

- **“O” Club**: The “O” Club recognizes those students who earn Outstanding citizenship marks in every class on their report cards. “The “O” Club changes each semester as new grades are made available. Students in the “O” Club receive a Citizenship Card that entitles them to be first in any lines such as the food lines during lunch and nutrition or purchasing dance tickets.
- **Success Club**: Any student who earns all A’s, B’s, C’s, S’s, and O’s each semester become members of the Success Club. Success Club members receive Success Club Rewards coupons giving them special privileges.
- **McFadden Honor Roll**: There are three levels of Honor Roll awards. Students earning a 3.0 – 3.49 grade point average (GPA) each semester receive the Bronze award; students earning a 3.5 -3.99 GPA receive the Silver award; students earning a 4.0 GPA receive the Gold award.
- **Rising SCOTS: MAP fall 6th grade awards**: Students who met their projected growth on both Math and ELA MAP assessments. Students receive Rising SCOTS coupons giving them special privileges.
- **SCOTS Scholars K-5th grade**: Teachers select their top student in math and top student in reading.
- **Student of the Semester**: Each semester, each staff member selects one student that they feel is deserving of a special recognition. A ceremony is held where students are honored and certificates presented

BICYCLE SAFETY

Bicycles must be locked in the bicycle racks adjacent to the cafeteria. Students are expected to follow all traffic rules while riding bikes to and from school. Bicycles are never to be ridden on campus. This includes properly wearing a safety helmet. Students who fail to do so will have their bicycles confiscated until their parent/s meet with an administrator.

SAFETY TO/FROM SCHOOL

Students are expected to follow all laws and school rules while traveling to and from school. This includes walking in the crosswalk and wearing their school uniform. Parents are to drop students off **only** in the McFadden parking lot on Raitt Street.

CELL PHONE/TELEPHONE USE

Cell phones are permitted but ***they must be silenced at all times while the student is on campus***. Students are NOT permitted to send text messages during school hours, or use their phone to take pictures or record videos. Improper use of cell phones will result in the confiscation of the cell phone until such a time as the parent meets with an administrator and could result in disciplinary action.

Parents are not to call their child on their cell phone during school hours.

School telephones may be used in emergencies under staff supervision. Only emergency messages approved by an administrator will be delivered to students. Please call (714)479-4000 in case of an emergency and request that a message be delivered to your child.

LOST AND FOUND

Lost and found is located in the Student Service Office (room 44). Items such as purses, wallets, watches, money, books, notebooks, and articles of clothing which do not belong to you should be turned in to the office. Students who have lost personal property should check to find out if their missing items have been turned in. Items not claimed by the end of each month will be donated to a charitable organization or discarded. McFadden Institute of Technology is not responsible for any items confiscated that are damaged, stolen, and/or lost.

EXPECTATIONS FOR STUDENT CONDUCT

At the beginning of each term, all students will attend an orientation assembly. During this time all rules, procedures and expectations pertaining to McFadden Institute of Technology and the Santa Ana Unified School District will be explained thoroughly. It is the student's responsibility to become familiar with, and follow, all school rules while walking to/from school, while on campus, and while in class.

All students at McFadden Institute of Technology are expected to behave in a respectful, reasonable manner at all times. To help them do this, students are expected to:

- Obey **ALL** McFadden Institute of Technology staff members.
- Be On Time, Every Day, To Every Class, Ready to Learn.
- Treat all people with respect.
- Be prepared for class by having the required school supplies.
- Act appropriately at all times.
- Comply with the discipline standards set forth by the school and the Santa Ana Unified School District.
- Refrain from acts that interfere with the safe, orderly operation of the school.
- Refrain from any type of harassment of other students or staff members.
- Respect the property of others and of the school.

In addition, any physical or verbal action that makes another person feel uncomfortable and unsafe can be considered bullying and/or harassment. Therefore, treat everyone with respect and consideration and you will not have any problems. Students who misbehave will be referred to an administrator for disciplinary action.

OFFICE REFERRALS

Students may be referred by a McFadden Institute of Technology staff member to the Student Services Center for the following behavior problems:

- Continuous classroom disruptions after teachers have documented parent contact and previous interventions.
- Creating an unsafe learning environment and/or throwing objects.
- Open defiance, disrespect, and/or insubordination.
- Truancies, excessive tardiness and/or absences.
- Fighting, bullying, cyber bullying, threatening behavior and/or intimidation.
- Profanity, vulgarity, or committing an obscene act.
- Possession of illegal and/or dangerous items.
- Theft or receiving stolen items.
- Repeated dress code violations.

If a student chooses not to follow these expectations and/or is referred to the office, the following consequences may occur:

- Verbal warning
- Sent to “Cool Off” classroom
- Student requested to practice the expectation
- Parent contact (parent may be required by the teacher to attend class).
- Referral to counselor and/or assistant principal.
- Detention during Break, Lunch or after school.
- Friday School Program (3 hours)
- Behavior Management Plan.
- Suspension from class (if a teacher suspends, district policy must be followed).
- Suspension from school.
- Involuntary transfer to another school.
- Recommendation for expulsion from the Santa Ana Unified School District.
- Referral to the Santa Ana Unified School District and/or Santa Ana Police Departments.

SUSPENSION AND EXPULSION

The principal or principal designee has the right to suspend a student for up to five days. If a student must be suspended, an administrator will notify parents. A copy of the suspension notice will be sent home to parents. The principal also has the right to recommend that a student be expelled. If this situation occurs, a hearing will be held before an administrative panel with the panel's recommendation forwarded to the Santa Ana Unified School District Board of Education. The following acts occurring while the student is under the jurisdiction of the school may lead to suspension and/or expulsion:

- Causing, attempting, or threatening to cause physical injury.
- Offering, possession or use of, under the influence of, arranging or negotiating to sell drugs, alcohol, or look-alike drugs and alcohol.
- Committing or attempting to commit robbery or extortion.
- Causing or attempting to cause damage to school or private property (i.e. tagging, graffiti, and/or vandalism).
- Stealing or receiving (knowingly or unknowingly) stolen property.
- Using, possessing, selling, or furnishing a weapon, explosives or any other dangerous object or their facsimile.
- Using or possessing tobacco or tobacco products.
- Committing an obscene act or engaging in profanity or vulgarity.
- Using, possessing, offering, or arranging to sell drug paraphernalia.
- Disrupting school activities or willfully defying authority.
- Engaging in sexual harassment.
- Harassing, bullying, or threatening (electronically or otherwise) staff or other students.

STUDENT ACTIVITIES

McFadden Institute of Technology is pleased to offer a variety of fun, engaging activities to our students. Students are encouraged to get involved with one of the campus clubs and/or be involved in athletics. Research supports that students who are involved in extracurricular activities have a higher degree of success in school than those students who don't, so join a club, go out for a team, and get involved!

ATHLETICS

McFadden is thrilled to offer students the opportunity to participate in an intramural sports program. Teams practice under the supervision of a qualified coach and compete against one another in games and tournaments organized by the team's coach. Each year, students may join the sports teams listed below:

Cross Country	Boys' Basketball	Girls' Volleyball
Flag Football	Boys' Soccer	Softball
Girls' Basketball	Track & Field	Girls' Soccer
Co-ed Street Hockey	Co-ed Roller Hockey	Boys' Volleyball

Engage 360

The Engage 360 Program serves over 100 students at McFadden Institute of Technology. The Engage 360 program offers homework assistance, academic enrichment, arts and crafts, life skills, college preparation, character building, sports, games and theme-based projects. Staff members create a safe and fun learning environment to enhance each student's academic performance and social skills. The program operates every school day from the completion of classes until 5:45 p.m. Nutritious snacks are provided daily to all registered students.

Parents should make arrangements to pick up or have their student picked up promptly at 5:45 p.m. If a parent is more than 15 minutes late picking up his/her child, the student may be dropped from the program.

Contact Engage 360 at 657-383-3278 or e-mail JenniferLuisChavez@saUSD.us

FOOD SERVICES

Applications to determine eligibility for free/reduced breakfast and lunch are available at the beginning of the school year. All students are expected to complete and return their lunch application to the Front Office no later than August 31st. Families that qualify for free and reduced meals can receive two meals from below. McFadden Institute of Technology is proud to offer the following food services to students:

Breakfast: Served from 7:30 a.m. to 8:00 a.m. every day. Students may purchase breakfast items or use their school ID numbers if they qualify for free or reduced lunch.

Lunch: Students may bring their lunch to school or purchase lunch from the school cafeteria. No food will be served five minutes before lunch ends.

Students are expected to eat in the designated area only. No food is permitted outside of this area. Students are expected to dispose of their trash into the trash cans provided. All drinks and food items (opened and unopened) must be thrown away in the trash cans before going to class. **No** food items are allowed on the basketball courts or in the classrooms.

PARENT INVOLVEMENT POLICY

McFadden strives to achieve the highest quality of parent involvement through effective communication and structured partnerships. Student success is a collaborative effort between the home and school. Therefore the following is promoted throughout the school year to promote parent involvement in student learning.

Objective #1: Parents play an integral role in assisting student learning.

Student success is a collaborative effort between the home and school. Therefore the following is promoted throughout the school year to promote parent involvement in student learning:

1. Parent meetings include training and ideas on how parents can assist their children with reading at home
2. Academic progress reports to parents
3. Parent literacy classes that provide parents strategies to help their children with reading
4. Progress reports and achievement data distributed to parents in a timely and consistent manner
5. Parent/Student/Teacher conferences to address student progress and provide suggestions for assistance
6. AM and PM tutoring is available for students in need of reading assistance
7. ALEKS and Dreambox for use at home provides parents with immediate feedback and additional practice for their child
8. Parenting classes that provide parents with strategies to help their children with mathematics.

Objective #2: Parenting skills are promoted and supported.

McFadden provides materials and training to help all parent groups' work with their children to improve student achievement and build their capacity for involvement and leadership:

1. Parent/Student orientation meetings are held during registration before the start of the school year
2. One full-time FACE Liaison to provide parenting workshops
3. The Parent Square message systems provide timely notifications to parents in multiple languages
4. McFadden classified staff support teacher by making parent contacts via phone call
5. Aeries Parent Portal provides parents with attendance and grading information for their child
6. Parent/Student/Rights and Responsibilities handbooks are distributed at the start of the school year

7. The McFadden Health Office is staffed with one nurse 2-3 times per week and one full-time Licensed Vocational Nurse (LVN).
8. The Run Strong Club teaches students about healthy living through diet and exercise
9. McFadden student agendas detail expectations of McFadden students
10. The Saturday Attendance Recovery program allows students to make up absences and reflect on their behavior.

Objective #3: Parents are welcome and encouraged to take part in school activities.

Student success is promoted through the parent's active engagement and meaningful interactions with the following school activities:

1. Parents are invited to monthly parent meetings on a variety of relevant topics
2. Parents are encouraged to participate in School Site Council (SSC) and English Language Advisory Committee (ELAC)
3. Back to School Night and Open House allow the parents and community members to observe McFadden programs
4. FACE Liaison works closely with McFadden families to build support networks
5. Parentsquare message systems are used to inform parents of upcoming activities and events
6. McFadden parents are surveyed annually on how to best meet the needs of the students, families, and community
7. Student recognition assemblies allow families to celebrate and support student achievement
8. Student performances (music, choir, and theater), academic fairs, and sporting events allow families to share in student interests
9. Provide open communication with parents and community
10. Provide child care so parents can attend parent meetings.

Objective #4: Parents are partners in school decisions and advocacy.

The process of building capacity for parent engagement, involvement and leadership is initiated at our parent and student orientations and at our Annual Title One meeting at the beginning of the academic school year. Through these venues and at our quarterly parent meetings, **parents are provided with timely information about Title I and categorical programs and** are encouraged to actively participate in the following committees.

McFadden will provide support for parental involvement activities requested by parents through the following committees:

1. McFadden's School Accountability Report Card is posted on the school

website

2. Student Achievement Data (SBAC, ELPAC, and MAP) is reported and explained at monthly parent meetings, ELAC, and SSC
3. Student achievement data review is part of all parent conferences
4. MAP exam reports are sent home with students for parent review.

*Our School Site Council has approved the purchase of the first student agenda for all students. If it is lost it will cost \$10 to replace.

*McFadden Institute of Technology School Parent Involvement Plan/Plan de Participación de Padres.

Approved by the School Site Council on 05/21/2024.

EXÁMENES / PRUEBAS

Durante el año escolar, los estudiantes participarán en una variedad de pruebas. Pedimos a los padres y estudiantes que estén al tanto del nivel de su progreso y que cada prueba sea una oportunidad para esforzarse en obtener un rendimiento óptimo. Estas pruebas incluyen:

- Prueba de las Normas Estatales en California (SBAC)
- Prueba de Desarrollo del Idioma Inglés de California (ELPAC)
- Evaluaciones de los Parámetros establecidos por el Distrito Escolar
- Prueba de Aptitud de Escritura
- Prueba de Aptitud de Lectura
- Pruebas de español (a algunos estudiantes)

Es sumamente importante que los estudiantes asistan a clase durante las fechas en que se administran estas pruebas. Los resultados de algunas de estas pruebas serán enviados por correo, directamente al domicilio del estudiante. Para otras pruebas, los resultados estarán disponibles para los estudiantes y padres tan pronto cuando estén disponibles para el personal escolar. Los resultados serán interpretados para los estudiantes y sus padres cuando lo soliciten. Estos resultados se usarán para varios propósitos, incluyendo oportunidades de participación en programas especiales.

LA PROMESA DE MIT

Sabemos que el aprendizaje tiene lugar sólo cuando existe una combinación de esfuerzo, interés y motivación por parte del estudiante, los maestros, los padres y la escuela. BIENVENIDOS

Bienvenidos al Instituto de Tecnología McFadden (MIT), ¡El Hogar de los Scots! Nos complace tenerlos con nosotros, y estamos ávidos de ayudarles a que maduren académicamente y como individuos. Esta agenda ha sido preparada para TÍ, ¡el estudiante de McFadden! La Agenda Estudiantil contiene información acerca del plan de estudios académicos, de las organizaciones escolares y de las reglas en general. Además, este manual te familiariza a ti y a tus padres acerca de la disciplina y de las normas para seguir en la Escuela Secundaria McFadden. Esta agenda, oficialmente, te hace participante de la Comunidad McFadden, la debes llevar con orgullo; te guiará a través de este año escolar.

Los estudiantes deberán traer su agenda a la escuela todos los días, deberán usarla en todas sus clases y deberán tenerla ordenada y limpia.

DECLARACIÓN DE NUESTRA MISIÓN

El Instituto de Tecnología McFadden (MIT) se compromete a ir más allá de lo básico y adoptar las habilidades esenciales necesarias para el siglo XXI mediante la implementación de los Estándares Estatales Básicos Comunes, la creación de autonomía a través del dominio y el propósito, y la creación de una cultura y un clima escolar global positivo. Nuestra misión es preparar a todos los estudiantes para el éxito en la vida asegurándonos de que estén preparados para la universidad y una carrera en el momento de la transición a la escuela secundaria. Con ese fin en mente, estamos comprometidos a brindar acceso equitativo a todos nuestros estudiantes con educación global y exposición a la tecnología y las artes e inculcar la noción de convertirse en aprendices de por vida.

Si el alumno trae alguno de estos artículos sin la aprobación escrita por parte del director de la escuela, éste será confiscado. Se requiere de una junta con uno de los subdirectores y los padres del alumno(a) para entregar el artículo confiscado. Los artículos que no sean reclamados por los padres el último día de cada mes, serán donados a una organización caritativa. **La escuela no se hace responsable por artículos prohibidos que sean confiscados y se extravíen o pierdan en posesión del personal escolar.**

ASISTENCIA

LLEGA A TIEMPO, TODOS LOS DÍAS ¡LISTO PARA APRENDER!

Buena asistencia es indispensable para tener éxito en la escuela. . El Distrito Escolar Unificado de Santa Ana no autoriza a que los alumnos estén ausentes de la escuela salvo que haya una razón como las listadas más adelante. Después de una ausencia, el alumno debe traer una nota a la Oficina de Asistencia indicando el motivo de la misma. La nota debe de incluir número telefónico actualizado y debe estar *escrita* en tinta y *firmada por el padre/tutor*, debiendo ser entregada en cuanto el alumno regrese a la escuela. Aquellos alumnos que no traigan la nota escrita por sus padres/tutores estarán sujetos a detención y/o serán asignados al Programa de Detención de los Viernes. El día que regresan a la escuela, los estudiantes podrán obtener la nota de readmisión a sus clases en la Oficina de Asistencia entre 7:30 y 8:15 a.m.

Todos los alumnos deben asistir a clases diariamente, a menos que:

El alumno está muy enfermo (se puede exigir una nota médica).

El alumno tenga permiso médico para faltar a clases.

El alumno tiene una cita en la corte/tribunal.

Si el alumno tiene demasiadas ausencias, las consecuencias son:

Los padres deberán asistir a una conferencia escolar con el consejero, subdirector y/o personal escolar.

Si el problema continúa, los padres deberán entrevistarse con el fiscal del condado.

El alumno y sus padres/tutores deberán presentarse a una audiencia con el Consejo de Revisión de Asistencia Estudiantil (*SARB*) en la oficina del Distrito.

El alumno y sus padres/tutores podrán ser citados a la corte. Este proceso puede ocasionar multas monetarias.

**Por favor llame a la Oficina de Asistencia al
714-479-4021**

Recuerde:

Después de que el alumno esté ausente por tres días consecutivos, se le exigirá presentar una nota médica. Ausencias debido a razones otras que las antes mencionadas, serán consideradas injustificadas.

Los maestros no están obligados a aceptar trabajos del alumno que haya tenido ausencias injustificadas.

Ausencias injustificadas pueden bajar las calificaciones del estudiante, incluso, el estudiante podría reprobado el año escolar (repetir el mismo grado).

TARDANZAS

Se espera que los estudiantes estén sentados y listos para trabajar cuando suena la segunda campana. Tardanzas resultará automáticamente en detención de **30 minutos** después de escuela, el día de la tardanza. Las tardanzas habituales resultará en acción disciplinaria. Si el estudiante es detenido por alguien del personal escolar, el alumno deberá obtener una justificación escrita por ese adulto.

CRITERIOS DE PROMOCIÓN Y RETENCIÓN

Para poder pasar al siguiente grado los estudiantes deben haber aprobado todas sus clases semestrales con calificaciones de A, B, C o D. Buena conducta es sumamente importante para tener éxito en la escuela; los estudiantes deben tratar de obtener conducta sobresaliente (“O” outstanding) o satisfactoria (“S” satisfactory). Además los alumnos del 8vo. Grado deberán aprobar la prueba de La Constitución en su clase de estudios sociales. Si el estudiante recibe múltiples calificaciones de (F), el Consejo de Revisión se reunirá para determinar si él/ella tendrá que asistir a la escuela de verano, ser retenido/a en el mismo grado o si recibirá una promoción irregular.

Todos los estudiantes de 8vo grado que cumplen con los criterios de promoción ganarán el privilegio de participar en el final de la ceremonia de concesión del año. Para obtener más información, visite <http://www.sausd.us/mcfadden>.

BOLETAS DE CALIFICACIÓN / REPORTES DEL PROGRESO

El año escolar en McFadden está dividido en dos semestres. Cada semestre los estudiantes recibirán reportes del progreso al completar la sexta y doceava semanas, seguidas de la boleta de calificación al final del semestre. Estos reportes del progreso y las boletas de calificación son enviadas a su domicilio por correo seis veces al año. De no recibir el reporte de progreso o la boleta de calificación después de dos semanas de estas fechas, favor de contactar al consejero/a.

Los reportes progresivos ofrecen a los padres información acerca del avance de sus hijos. Se espera que los padres ayuden a sus hijos/as si tienen dificultad con sus clases para que puedan mejorar sus calificaciones, antes del reporte final. Se recomienda a los padres que hagan cita con los maestros/as y/o consejeros/as de sus hijos cuando éstos no estén cumpliendo con las expectativas del progreso académico.

CONFERENCIAS DE PADRES

Las juntas/conferencias de padres se llevarán a cabo el 7 de octubre de 2024. Sin embargo, en el momento que sea necesario se puede programar una junta individual del alumno con los maestros y los padres. Es sumamente importante que los padres asistan a estas juntas. De igual manera, invitamos a los padres de familia que llamen a la oficina para pedir una cita con los maestros/as de su hijo/a cuando lo encuentren necesario

¡UN MILLÓN DE PALABRAS!!!

El Estado de California ha determinado que el estándar para todos los estudiantes de California es de leer UN MILLÓN (1,000,000) DE PALABRAS ¡CADA AÑO! Aunque parezcan muchas palabras, y sí, lo son, **es posible hacerlo**. Por ejemplo, si has leído cuatro libros de Harry Potter, estás en la mitad del camino, porque has leído aproximadamente 500,000 palabras. Esta es una manera fácil de entenderlo mejor:

- 1,000,000 palabras por año = 100,000 palabras por cada mes que estás en la escuela
- 100,000 palabras por mes = 25,000 palabras por semana...lo que significa 2 novelas por mes
- 25,000 palabras por semana = 5,000 palabras por día...lo que significa 15 – 20 páginas por día (250 – 300 palabras por página)

Por lo tanto, si lees un mínimo de treinta minutos cada día, veinte a treinta páginas cada día, multiplicado por cinco días por semana, vas a alcanzar tu meta. Apunta lo que lees en tu agenda estudiantil. Haz una lista de la clase lectura que te gusta...ficción, real, revistas, periódicos, etc. Escribe un resumen en dos o tres oraciones de lo que lees cada día. Celebra tus logros. ¡Tú lo puedes hacer! ¡Puedes leer 1,000, 000 de palabras por año!

BIBLIOTECA

Los estudiantes pueden ir a la biblioteca a estudiar, leer, hacer trabajos de investigación. El alumno que vaya a la biblioteca durante las horas de clase deberá obtener un pase de su maestro/a a fin de que se le permita entrar a la biblioteca. Los alumnos que no regresen los libros a tiempo serán multados. Todas las multas se deben pagar dentro de un tiempo razonable. Los alumnos del 8^{vo} grado no podrán participar de las actividades de fin de año si deben multas.

LIBROS DE TEXTO Y DISPOSITIVOS MÓVILES.

Los libros de texto se proporcionan de forma gratuita y se espera que los estudiantes los mantengan en buenas condiciones durante el año. Los estudiantes deben cubrir sus libros con una cubierta duradera. Los estudiantes deberán reemplazar los libros de texto a su costo personal en caso de que se pierdan o dañen. Los estudiantes de octavo grado que no hayan devuelto todos sus libros de texto no podrán participar en las actividades de fin de año hasta que hayan resuelto cualquier problema con los libros de texto.

Estándares de iPad para estudiantes

- Los iPads son útiles escolares (como libros de texto) que vienen a la escuela todos los días, cargados y listos.
- Los iPads están dentro de las mochilas, a menos que lo indique un maestro.
- Las cámaras solo se usan en la escuela cuando son dirigidas por un maestro.
- AirDrop está apagado en todo momento.
- Los iPads son:

"Ausente" en las mochilas, "boca abajo" plano en los escritorios, "boca arriba" plano en los escritorios, para ser utilizado

"En mano" para ser utilizado

- Los estudiantes no pueden agregar aplicaciones, cuentas de iTunes o ID de Apple personales a los iPad de la escuela.

PROGRAMAS DE RECONOCIMIENTO DE LA ESCUELA MCFADDEN

Los empleados del Instituto de Tecnología McFadden están siempre ansiosos de reconocer los logros de todos los estudiantes. Algunos de estos reconocimientos son:

- **“O” Club:** El “O” Club reconoce semestralmente a los estudiantes que han obtenido en su boleta de calificación “Outstanding” en conducta en todas sus clases. Los estudiantes que pertenecen al “O” club reciben una tarjeta de Buena Conducta que les permite ser los primeros en la fila de la comida durante almuerzo y nutrición y también para comprar los boletos de los bailes.
- **Success Club:** Los estudiantes que obtienen As, Bes, Ces, eSes y Os cada semestre serán participantes del “Success Club”. Los participantes del “Success Club” reciben cupones que les ofrecen privilegios especiales.
- **Lista de Honor de McFadden:** Hay tres niveles en los premios de la Lista de Honor. Estudiantes que obtienen un puntaje promedio de 3.0 – 3.49 (gpa) recibirán el premio de Bronce; estudiantes que obtienen un puntaje promedio de 3.5 – 3.99 (gpa) recibirán el premio de Plata; estudiantes que obtienen un puntaje promedio de 4.0 (gpa) recibirán el premio de Oro. Estos estudiantes recibirán un certificado en una ceremonia especial.
- **Rising SCOTS: Premios de otoño del 6° grado:** Estudiantes que alcanzaron su crecimiento proyectado en las evaluaciones MAP de matemáticas e inglés. Los estudiantes recibirán cupones Rising SCOTS que les otorgan privilegios especiales.
- **SCOTS Scholars K-5° grado:** Maestros seleccionan a su mejor estudiante en matemáticas y mejor estudiante en lectura.
- **Estudiante del Semestre:** Cada semestre, cada empleado escolar seleccionará a un estudiante que por alguna razón creen que merezca ser reconocido. Estos estudiantes recibirán un certificado en una ceremonia.

SEGURIDAD AL MONTAR BICICLETA

Las bicicletas se estacionarán en la zona adyacente a la cafetería aseguradas con un candado. Se espera que los alumnos sigan todas las leyes y reglas de tráfico al manejar las bicicletas al ir y venir de la escuela. Las bicicletas nunca deben ser montadas dentro de la escuela. Esto incluye el uso apropiado del casco de protección. A los alumnos que no cumplan con estas reglas se les confiscaran las bicicletas hasta que sus padres se reúnan con el director del plantel.

SEGURIDAD AL IR Y VENIR DE LA ESCUELA

Se espera que los alumnos sigan todas las leyes y regulaciones escolares cuando vayan y vengan de la escuela; caminar en los cruces señalizados para peatones, uso de uniforme escolar, usar sólo las zonas de carga y descarga de pasajeros autorizada por El Instituto de Tecnología McFadden en el estacionamiento de la calle Raitt.

NORMAS PARA EL USO DE TELÉFONOS CELULARES/USO DE TELÉFONO

Los teléfonos celulares están permitidos, pero **deben estar silenciados en todo momento mientras el estudiante está en el campus**. NO ESTÁ PERMITIDO que los estudiantes envíen mensajes a través del celular, que lo usen para tomar fotografías o filmar. El uso indebido del celular resultará en su confiscación hasta que el padre o madre tenga una reunión con uno de los directores y puede resultar en consecuencias disciplinarias.

No está permitido que los padres llamen a sus hijos/as en el celular durante horas escolares. El estudiante podrá usar el teléfono de la escuela sólo en casos de emergencia y supervisado por uno de los empleados de la escuela. Solamente mensajes urgentes y aprobados por uno de los directores podrán ser entregados a los estudiantes. En caso de emergencia, llame al (714) 479-4000 y pida que se le entregue el mensaje a su estudiante.

ARTÍCULOS EXTRAVIADOS Y ENCONTRADOS

El área de los artículos extraviados y encontrados está localizado en la Oficina del Centro de Servicios Estudiantiles (salón 44). Los artículos que no te pertenecen como bolsas, carteras, relojes, dinero, libros, libretas y prendas de vestir, deben ser entregados a la oficina de asistencia. Los alumnos que hayan extraviado algún objeto personal deberán de acudir a esta misma oficina para ver si sus artículos perdidos han sido entregados. Los artículos que no sean reclamados al fin de cada mes serán desechados o donados a una organización no lucrativa. El Instituto de Tecnología McFadden no se hace responsable de ningún objeto confiscado/extraviado dañado, robado o perdido.

REGLAS ESCOLARES

Al inicio de cada semestre, todos los alumnos asistirán a una asamblea de orientación, durante la cual se explicarán ampliamente todas las reglas/normas pertinentes al Instituto de Tecnología McFadden y al Distrito Unificado de Santa Ana. Es la responsabilidad del estudiante familiarizarse y cumplir con todas y cada una de las normas escolares.

CÓDIGO DE CONDUCTA DEL ESTUDIANTE

Se espera que todos los estudiantes del Instituto de Tecnología McFadden se comporten de manera respetuosa todo el tiempo. Para que esto sea posible, los estudiantes deberán:

- Obedecer a los empleados de El Instituto de Tecnología McFadden
- Llegar a tiempo, todos los días, cada clase, postor para aprender

Strategies for Studying

Effective Studying	Ineffective Studying
Active	Passive
Explaining the notes aloud in your own words	"Going over" or "reading over" the notes
Visiting the content in as many ways as possible—visually, auditorily, conversationally, kinesthetically	Using only one modality of learning, probably visual
Thinking about the type of assessment you are taking and adjusting your studying accordingly	Studying the same way for every type of assessment
Generating mnemonics (songs, rhymes, acronyms, silly or unusual ways to remember)	Looking over content without intentionally trying to commit it to memory
Targeting the information you don't know or know the least	Studying all the notes or content in their entirety
Creating questions and answering or discussing them	Letting the notes speak for themselves
Revisiting material over time in spaced intervals	Cramming or having a marathon study session
Coming up with examples and making the learning relevant to your experience	Only trying to learn the facts or the wording from your notes
Categorizing, grouping, manipulating, dissecting, or reorganizing the information	Leaving the information in its original form or order
Practicing retrieving content in the notes from your memory or self-quizzing by covering up the notes and reciting them	Assuming the information is stored in your brain without checking to make sure
Prioritizing content by separating main ideas from smaller details	Treating every bit of information as if it has the same importance
Diagnosing what you understand versus what you don't understand and figuring out how to understand the things you don't understand	Treating all the content equally
Explaining the content aloud to yourself or another person	Reading through the notes in your head without ever attempting to explain them yourself
Asking a friend or educator to explain things that are unclear	Not asking for help
Concentrating on the meaning of your notes	Regurgitating the material in your notes without thinking about what it means
Focusing on the long-term, thinking about how you can understand the content beyond the day of the test	Storing the content temporarily in your short-term memory

MARKING THE TEXT

AN ACTIVE READING STRATEGY TO GET YOU
TO THINK CRITICALLY ABOUT A TEXT

- ☆ Number (#) the paragraphs.
- ☆ Circle key words/terms/phrases (experts, people, titles, places, dates, etc), essential or repeated words/concepts, and numbers.
- ☆ Box unknown words.
- ☆ Underline essential info, the main idea or claim, and/or info related to your reading purpose (e.g., cause/effect relationships).
- ☆ Highlight key details, facts, evidence, definitions, explanations, descriptions, data/statistics, and other info related to the EQ.
- ☆ Write labels, questions, and comments in the margin (agreement, disagreement, clarification, connections, reactions, predictions, etc).

USE SYMBOLS IN THE MARGINS TO MARK:

Very Important= ☆
Surprising= !
Example= EX
Confusing= ?

Cornell Note-Taking Revision Checklist

Directions: Review and revise notes taken in the right column using the suggestions below. Check off each revision strategy as you use it.

Completed	Symbol	Revision
☐	1, 2, 3... A, B, C...	1. Number the notes each time a new concept or main idea is introduced. Use bullets to show details or sub-points of a main idea.
☐	 Key Word	2. Circle vocabulary/key terms in pencil.
☐	<u>Main Idea</u>	3. Underline main ideas in pencil.
☐	1879 born ^ & lived...	4. Fill in gaps of missing information and/or reword or paraphrase in red pen.
☐	Unimportant	5. Delete/cross out unimportant information by drawing a line through it with a red pen.
☐	?	6. Identify points of confusion to clarify by asking a partner or teacher.
☐	*	7. Identify information to be used on a test, essay, for discussion, etc.
☐	Visual/Symbol	8. Create a visual/symbol to represent important information to be remembered.

How to Create a Summary Reflection

Follow these steps to write a reflective summary at the end of your notes:

Identify the important ideas.

- ☐ Revisit your notes, paying attention to the layers you have added during the note-taking process—additions, text markings, questions, etc.
- ☐ Focus on each chunk of your notes:
 - What is the big idea of each chunk?
 - Which vocabulary is essential to your overall understanding of this content? Mark those words, or consider making a word bank containing the words you want to use in your summary.
- ☐ Think about how the chunks fit together.
 - What is the big-picture structure of the notes? How do the chunks of content relate to one another?
 - What phrases or vocabulary show the relationships between the ideas in your notes? Generate a list of these words (which may not be ones already in your notes), such as *opposes*, *supports*, *justifies*, *proves*, *concludes*, etc.
- ☐ Think about what belongs in your summary and what does not.
 - Your summary should be less specific than your notes, but not so vague that it leaves out the important big ideas.

Write your summary.

- ☐ Review the Essential Question that guided your note-taking. Your summary should be an answer to that question.
- ☐ Your summary should be written in complete sentences. You will probably have one sentence for each chunk of your notes, but that may vary depending on the content and organization of your notes.
- ☐ Capture the big ideas and the essential details to create a big picture of the content. Use the most important words and phrases from your word bank.
- ☐ Make sure your summary explains the content, not just the format.
- ☐ Your summary might begin with a sentence that communicates the overarching idea of the entire note page.

Add a reflection.

- ☐ Review the note-taking purpose. Consider why you took the notes and how you will need to use what you learned in the notes.
- ☐ At the end of your summary, add a reflection that expresses how these notes will be useful to you or what your future steps should be concerning the content in these notes.
- ☐ Remember that the reflection is for you. This is your chance to make your learning meaningful, to remind yourself of the thinking you have been doing, to consider how this learning impacts you, and to personalize your learning.
- ☐ Do not merely write that your notes will be useful; explain *how* they will be useful.

READING AND MATH MAP TRACKER

The MAP (Measure of Academic Progress) Assessment is a computerized adaptive test. Students earn a RIT score at the end of each MAP Assessment. What does a specific RIT score mean? It represents the level where a student is ready to learn, also known as the Zone of Proximal Development. Educators can make informed decisions to promote a student's academic growth based on the RIT score.
