School Information

Advanced Learning Academy Círculos High School is one of 19 XQ Super Schools across the nation with a vision to rethink high school in Santa Ana Unified School District. We are an innovative specialty school that serves the needs of students in SAUSD through small learning communities, interdisciplinary learning, placed-based and student-centered project design through collaborative partnerships and community connections.

ALA Círculos High School is a Santa Ana Unified School District dependent charter school and currently serves 137 students 9th - 12th grade. Students enter through a lottery system.

Project-Based Learning

100% of students take a PBL course each year. Place-based community partnerships allow students to conduct fieldwork and be mentored by site partners so they can apply learning to their content and project design.

PBL Courses Offered:

- **PBL I: Applied Research:**
Community Connections
- **PBL II: Academic Research:**
Place & Multimedia Curation
- **PBL III: Action Research:**
Cultivate Your Voice
- **Senior PBL: Student Research:**
Our Collective Codex

School-wide AVID

AVID is implemented school-wide and is engrained in our school culture. 100% of our students are enrolled in AVID from 9th-12th grade.

Dual Enrollment

Students have the option to enroll in Dual Enrollment courses through Santa Ana College. Approximately 20% of our student population is enrolled in at least one college class each semester.
