## Internship

Upon completion of Dental Assistant with a semester grade A or B students may take Dental Assistant Advanced. In addition, there is a required 120 hour internship where students work alongside a dentist and his/her patients. *Uniform required*

This course is designed to prepare students for an entry-level position in a dental office. Students will learn how to prepare the patient, sterilize and disinfect instruments, setup instrument trays and prepare the material that will be needed by the dentist during the examination. In addition, students will learn theory and clinical application in dental radiography in compliance with the guidelines set forth by the California Board of Dental Examiners. Students must earn either A or B grade to advance. *Uniform required*
