

Virtual Cheerleading Tryouts 2021-22

Dear Cheerleading Candidates & Parents/Guardians,

This year, our traditional cheerleading tryout clinic has been cancelled. In order to safely create a team of qualified athletes for the 2021-22 season, the decision has been made to move tryouts into a virtual platform. This means that there will be no in person tryout this season.

Your virtual tryout will include information from the original tryout packet and will require:

- Completing an online Google Form
- Learning a cheer, dance and jumps provided to you
- Recording yourself performing the cheer, dance and jump material in ONE video.
- Posting that video as an Unlisted video to YouTube and submitting a link to that video within the Google form.

These tryouts will be judged by the coaches as well as several other qualified persons.

Suggestions:

Appearance: SMILE, wear appropriate clothing, no jewelry, hair pulled back and clean

Video: Make sure to include the dance, cheer and jumps in ONE video. We need to see your whole body!!!! And make sure there is no noise in the background.

Do your best: We understand that for most of you; this is your first time cheering!!! It does NOT have to be perfect.

Until May 21st, the form is available at this link:

[Cheer Tryout Submission Form](#)

All submissions are due on or before May 21st. If you are selected for this team, you will be contacted on May 23rd. Team handbook, which will require parent signatures, Athletic Clearance and the necessary codes to connect to our Group Meet will be shared on May 24th.

All necessary tryout information is included in the form.

I look forward to seeing your applications!
