CTE NEWS & UPDATES

Don Isbell

Director of Career &
Technical Education

CTE Vision

The Santa Ana Unified School District's Career Technical Education Department will provide exemplary CTE programs and pathways that prepare all students to be "College and Career Ready."

The necessary services, curriculum and technology will be delivered to enable all students to be successful. The CTE Department will partner with all community stakeholders including businesses, parents, students, higher education institutions and other agencies to create a maximum impact in every student's education.

CTE SAUSD Goals

- Increase number of students earning college credit in dual enrollment courses with SAC.
- Increase the intermediate school CTE courses and pathways
- Design professional development for CTE teachers to support ELs, SPED students, and virtual learning
- Improve the rigor and relevance of CTE courses

Grants Facilities New Programs

CTE SAUSD Goals

- Increase number of students earning college credit in dual enrollment courses with SAC.
 - SAC – 22 Courses in the Fall 2021 (478 students)
- Increase the intermediate school CTE courses and pathways
 - 94 Sections (1758 students)
- Design professional development for CTE teachers to support ELs, SPED students, and virtual learning
- Improve the rigor and relevance of CTE courses

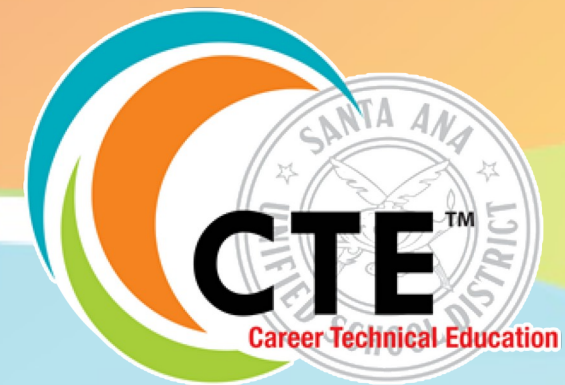

Advisory Board Meeting Goals

- Discuss CTE updates in SAUSD
- Review OC workforce indicators and trends
- Identify workplace trends and how to prepare students for high-wage, high-skilled, high-demand careers
- Invite feedback and recommendations

Creating and Expanding Additional Opportunities for All Students

- **Equity in Access**
- **Certifications**
- **Internships**
- **Work Based Learning Opportunities**
- **Competitions**
- **Parent Conferences**

Re-opening Plan

CALIFORNIA DESCRIPTION:

SAUSD DESCRIPTION:

STAGE I

Safety and Preparedness: Stay at home except for essential and permitted activities

Highest Risk: Shelter in place; learning is solely remote, but accountable and responsive teaching and learning in place; meals are provided "grab-and-go" at designated locations

STAGE II

Lower-risk workplaces: Gradually opening some lower risk workplaces with adaptations at a pace designed to protect public health.

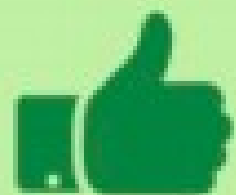

Medium Risk: Social distancing measures are implemented; online, hybrid, and on-ground options available; strict protocols for health and safety in place for staff, students, families and visitors.

STAGE III

High-risk workplaces: Phase in higher-risk workplaces at a pace designed to protect public health and safety, beginning with limited personal care and recreational venues (with workplace modifications)

Limited Risk: Increased access to on-site learning opportunities; protocols for health & safety maintained

STAGE IV

End of Stay at home order: Gradually open larger gathering venues at a pace consistent with public health and safety, such as nightclubs, concert venues, and live audience sports.

Negligible Risk: Normal operations; poised and prepared to revert to stages 1, 2 or 3 immediately and with minimal disruption to student learning

Breakout Rooms

- ❖ Zoomed into breakout room with CTE moderators
- ❖ Your input will help us create better programs
- ❖ There will be a delay as you transition to the breakout room
- ❖ Transported back after 30 minutes
