## HELLO SADDLEBACK FAMILY!

My name is Luciana Machado-Diaz, and I am so excited to introduce myself as your new Family and Community Engagement Liaison!.

I am originally from Sao Paulo, Brazil. My mom moved to California during my High School years, and I joined her during my senior year of High School. As a first-generation college student, navigating the educational system was challenging, but I was always determined to pursue my educational goals despite facing many barriers and challenges. I attended Glendale Community College and transferred to California State University Northridge, where I acquired my Bachelor's degree in Psychology. I am currently earning my Master's Degree in Educational Counseling with PPS at the University of La Verne.

## HOLA FAMILIA SADDLEBACK!

Mi nombre es Luciana Machado-Díaz, y estoy muy emocionada de presentarme como su Enlace de Familia y Comunidad!

Soy originaria de Sao Paulo, Brasil. Mi madre se mudó a California durante mis años de secundaria y me encontré con ella durante mi último año de secundaria. Como estudiante universitario de primera generación, navegar por el sistema educativo fue un desafío, pero siempre estaba decidida a perseguir mi objetivos educativos a pesar de enfrentar muchas barreras. Asistí a Glendale Community College y me transferí a la Universidad Estatal de California en Northridge, donde obtuve mi licenciatura en psicología. Actualmente estoy obteniendo mi Maestría en Consejería Educativa en la Universidad de La Verne.
