### **Science Engineering Challenge: Jack and the Beanstalk STEM Challenge**

Jack would like to visit the enchanted land of the Giants again, but does not have any more magic beans!

**Ask:** Can you help him design his own TALL beanstalk that will reach the land of the Giants?

**Imagine:** Think about the materials you already have at your house to construct a beanstalk. (some ideas-toothpicks or spaghetti noodles, packing peanuts or marshmallows etc.)

**Plan:** Draw your design of your beanstalk.

**Create:** Construct your beanstalk.

**Test:** Your beanstalk must stay standing for 5 seconds and not tip over. How tall is your beanstalk?

**Present:** Send me a picture or a video and share with me how it went.
