Look at different high school options

Join clubs, sports, and volunteer

Enroll in the right classes

Spend your summer wisely

Explore interests in more detail

Practice time management

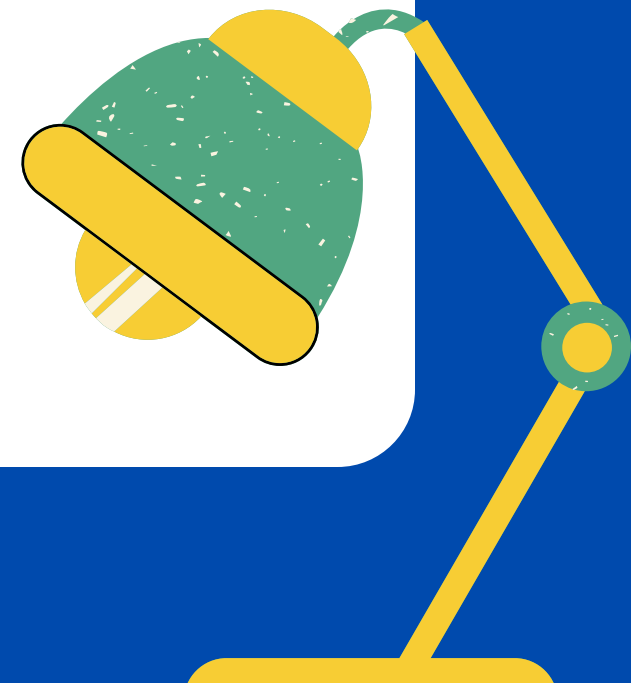

What is CTE?

Refresher...

Career Technical Education

Career Technical Education (CTE) provides a pathway to success and offers each student opportunities to personalize his or her education based on their career interests. CTE refers to courses and programs designed to prepare students for careers in current or emerging professions.

Mendez Robotics Club

Who: Mendez Students

What: A place where you can design and build and program your own LEGO robots.

When: Mondays 2:35 to 4:35.

Where: Room 316 with Mr. McDonald and Mr. Lubba.

Why: You get to make a bunch of cool robots and learn how to program them.

Questions? Come see us in room 316.

THANK

YOU!
