

CENA 2022

A Toy · A Meal · A Smile

The holiday season is upon us and as we think of celebrating and spending time with our loved ones, it is also an ideal time to remember those less fortunate. In our efforts to ensure that we provide support and care for our families in Santa Ana, we will continue our 30-year annual tradition of "Caring Educators Nourishing All" (CENA).

Each year at CENA Santa Ana Unified School District (SAUSD), employees, community partners, families and friends come together to provide holiday meals and toys to hundreds of our students and families. Although our CENA event will look a bit different this time, we are still planning to do all that we can to bring joy to our SAUSD families.

The Santa Ana Public Schools Foundation has partnered with SAUSD as the nonprofit fundraiser group supporting CENA for the last 10 years and we'll continue this year despite the current obstacles which include the need to purchase new box toys and gift cards for food.

In the past we were able to accept toy donations and provide hot meals, but due to COVID-19 restrictions, individual toy donations and contributions through Toys for Tots type programs are very limited and gift cards for groceries need to be purchased. Our district has 48,000 students and our goal is to provide 10,000 toys and 4,000 grocery gift cards valued at \$25 each.

We hope that we can count on your support for this truly worthwhile endeavor. Please know that no donation is too small as the needs in our community are great.

Your generous support is humbling and inspiring and will touch the lives of many Santa Ana students and family members.

Thank you for your consideration.

Jerry Almendarez
