

Weekly Update From Supt. Jerry Almendarez

Sept. 26, 2022

SAUSD

The Future Begins Here

Dear SAUSD community,

We continue to see our trends with COVID-19 positivity rates drop across our community, as you can see in the chart below. However, we are starting our seasonal flu season. Wellness and safety in schools includes taking all necessary precautions across all health measures. We continue to encourage all community members who are eligible to receive their COVID-19 vaccines and boosters, and also the flu annual vaccine. More information on free flu vaccines and resources is also listed below.

In other news, I want to encourage everyone who is eligible to register to vote for the upcoming general election on November 8. In California, the last day to register is October 24. However, California allows voters to conditionally register up until election day and submit a provisional ballot. Voting is a hallmark of a strong democracy and engaged citizenry. Visit registertovote.ca.gov for more registration information and other resources.
