

Weekly Update From Supt. Jerry Almendarez

April 18, 2022

SAUSD

The Future Begins Here

Dear SAUSD community,

I hope everyone enjoyed their holiday weekend. As you may have recently heard, the California Department of Public Health announced that any requirement for students to be vaccinated against COVID-19 won't take effect before July 1, 2023.

When Gov. Gavin Newsom previously announced plans to add the COVID-19 shot to the list of required vaccinations for K-12 students, the state said full approval by the U.S. Food and Drug Administration was a precondition to starting the process.

To date, the federal officials have granted emergency-use authorization for COVID-19 vaccines to be given to children 5 and older, but they have yet to fully authorize shots for students under the age of 16. SAUSD will continue to monitor the latest information as it comes from local and state health agencies and will plan accordingly. More information will be provided as it becomes available.
