

SEGERSTROM HIGH SCHOOL

JOURNALISM

The mission of The Jag Journal staff is to provide a forum for the free and responsible expression of student opinion with well-balanced, locally researched coverage of issues of broader student interest that uphold Jaguar values.

We are looking for dependable students who like to write, are interested in current events, and want to keep Segerstrom students informed. You will be working in a fast-paced environment, where articles are published every week. The Jag Journal staff is a team - so participation, organization, and collaboration make us stronger!

INTERESTED?

Have a conversation with your counselor to decide if journalism is a fit for you! There are a limited number of spaces for freshmen, and interested students will be asked to go through an application process, which includes a grade check and teacher recommendation. If you have any questions, please contact Mrs. Conferti, journalism teacher and advisor, at sherri.conferti@sausdlearns.net
