

Do You . . .

- . . . enjoy photography, writing, or graphic design?
- . . . like meeting new people, talking to classmates, and working in groups?
- . . . want to be more involved in your school?
- . . . have experience in your school's yearbook or journalism program?

Then, joining Segerstrom's yearbook staff might be for you!

Members of *The Crimson* staff interview students, take photos at school events, write copy and captions, design layouts, and sell copies of the Segerstrom yearbook. It is an elective class that students can take for multiple years, and there are leadership opportunities available to students in a variety of areas.

We are looking for enthusiastic, dependable, and self-motivated students who want to be a part of the **2020-2021 yearbook staff**. There are a limited number of spaces for freshmen, and interested students will be asked to go through an application process, which includes a grade check and teacher recommendation.

If you are interested, you can sign up with your counselor, and Ms. Handley, the Segerstrom yearbook advisor will contact you with more information. The counselors will also ask you to choose an alternate elective in case you are not accepted for this year's staff.

Questions? Email Ms. Handley at stephanie.handley@sausd.us.
