CTE BENEFITS

Our Vision

The Santa Ana Unified School District's Career/Technical Education Department will provide exemplary CTE programs and pathways that prepare all students to "College and Career Ready." The necessary services, curriculum and technology will be delivered to enable all students to be successful. The CTE Department will partner with all community stakeholders including businesses, parents, students, higher education institutions and other agencies to create a maximum impact in every student's education.

CTE at Santa Ana Unified School District

Career Technical Education (CTE) is available to all highschool students in the Santa Ana Unified School District. The courses are offered at high school campuses during the school day and after school. Over 7,000 high school students participated in CTE classes this past year.

Courses of Study

All Career Technical Education courses are rigorous with standards aligned to the *California Career Technical Education Model Curriculum Standards*.

UC/CSU a-g Approved Courses

CTE courses have been developed that meet the "a-g" entrance requirements for the University of California (UC) and California State University (CSU) systems.

Dual Credit with Local Community Colleges

Select CTE courses are articulated with colleges to establish a process for student to achieve dual credit while attending high school.

SUMMER CLASSES BEGIN

6/8/21 - 7/15/21
