A hen, a cat, a dog, and
a mouse lived in a house.

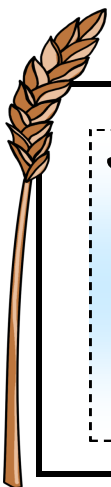

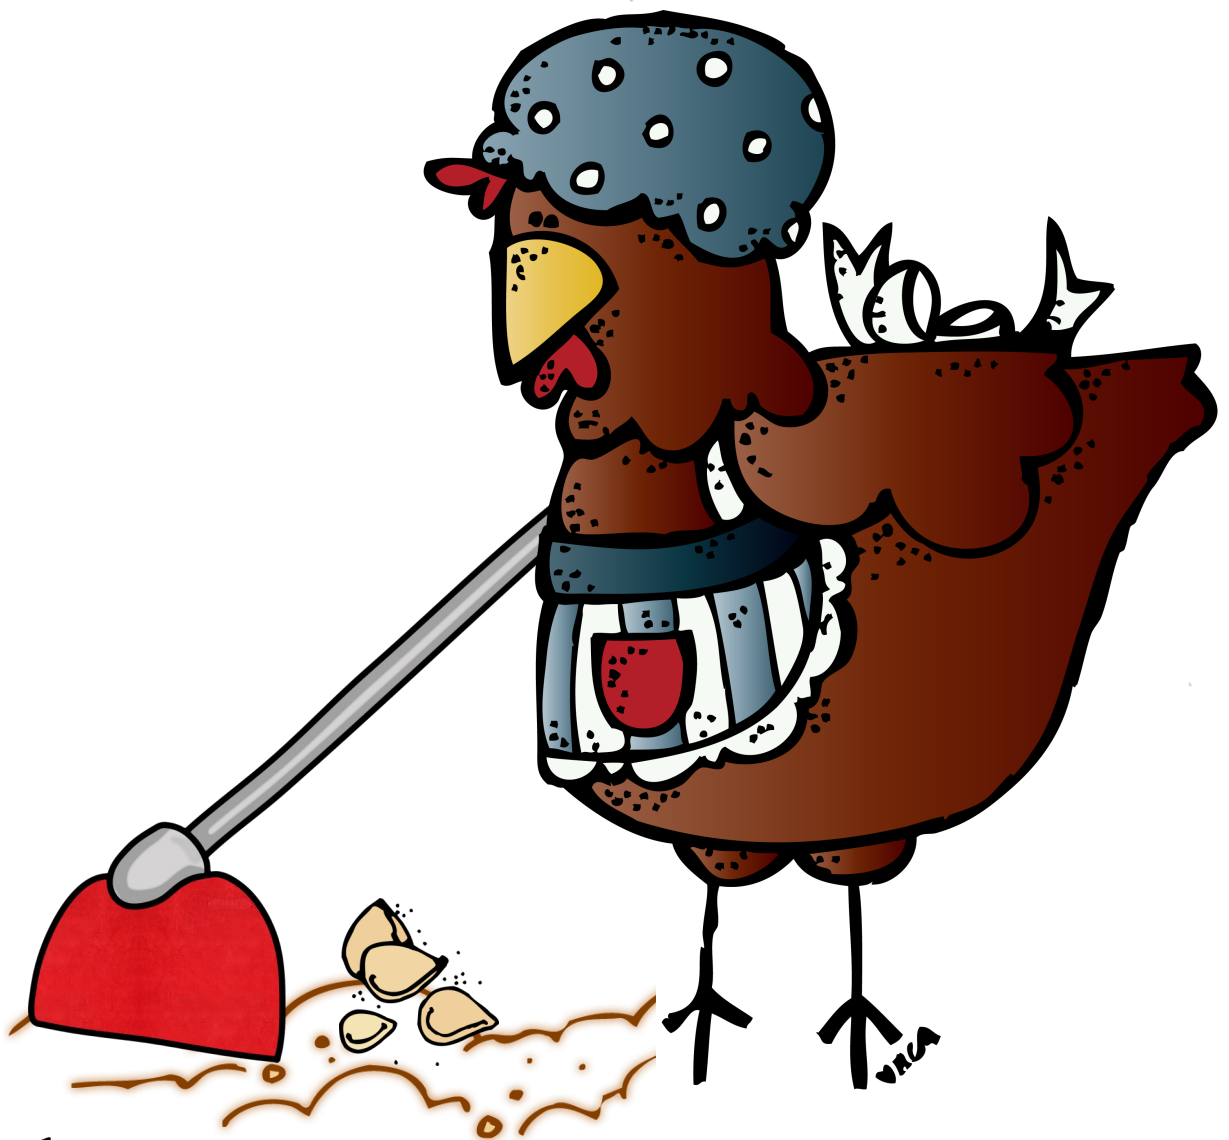

The cat, the dog, and the
mouse wanted to nap all
day.

The work must be done
before we all have fun!

The hen planted wheat.

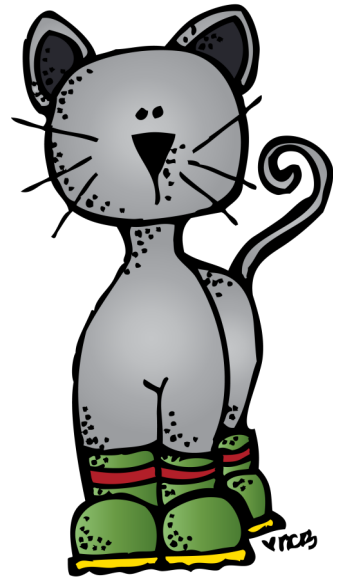

She wanted help.

The work must be done
before we all have fun!

"Not I,"

said the cat.

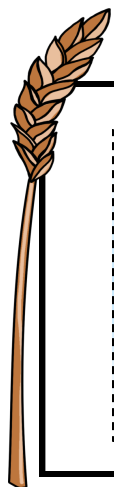

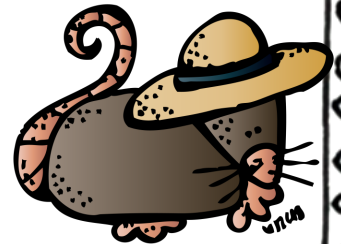

"Not I,"

said the dog.

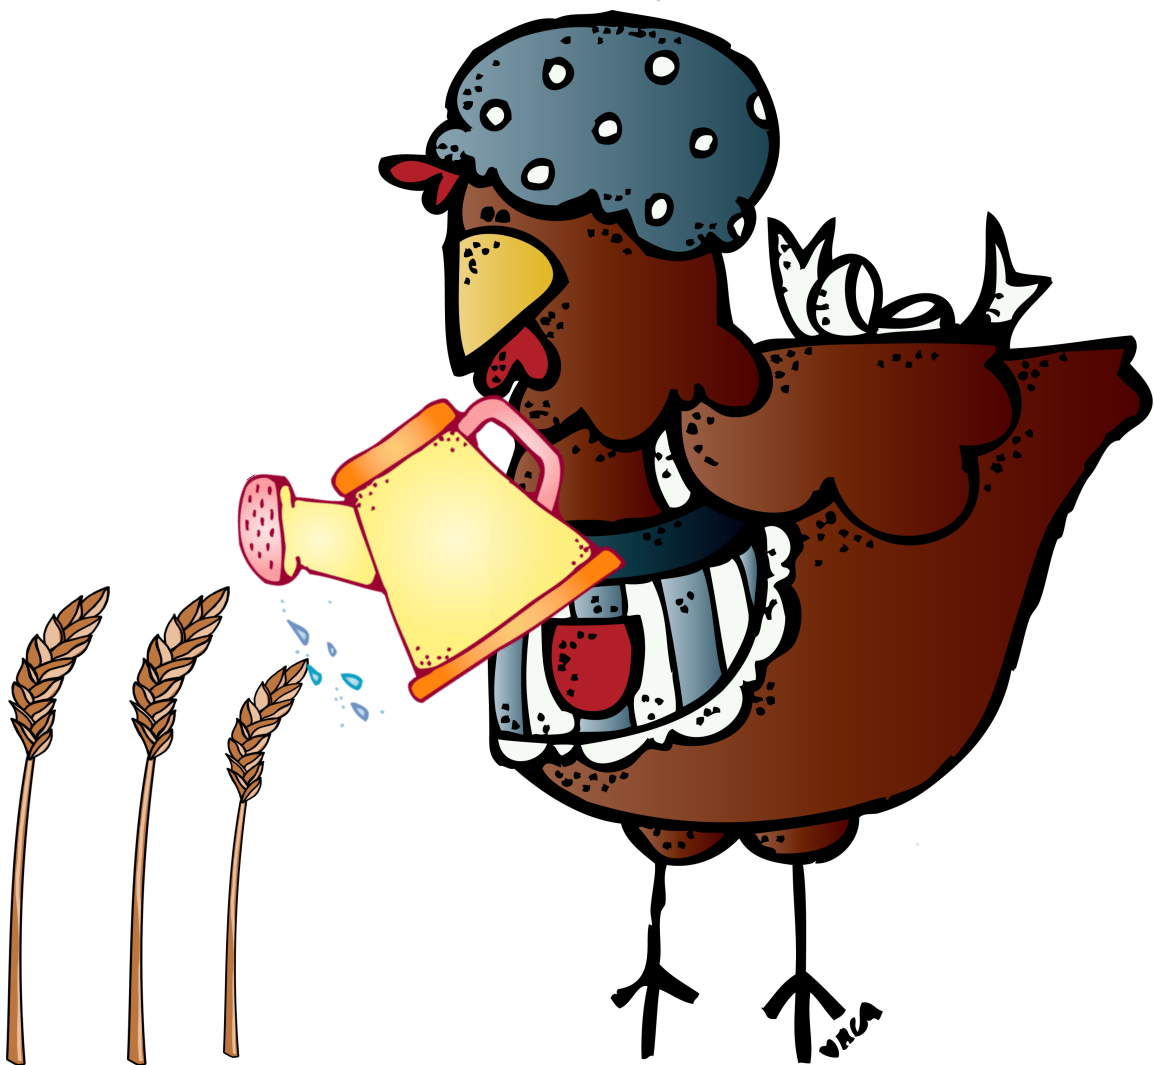

"Not I,"

said the mouse.

The work must be done
before we all have fun!

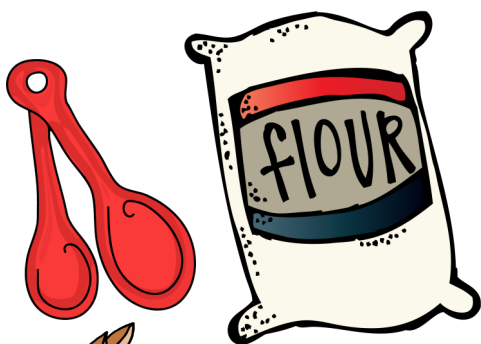

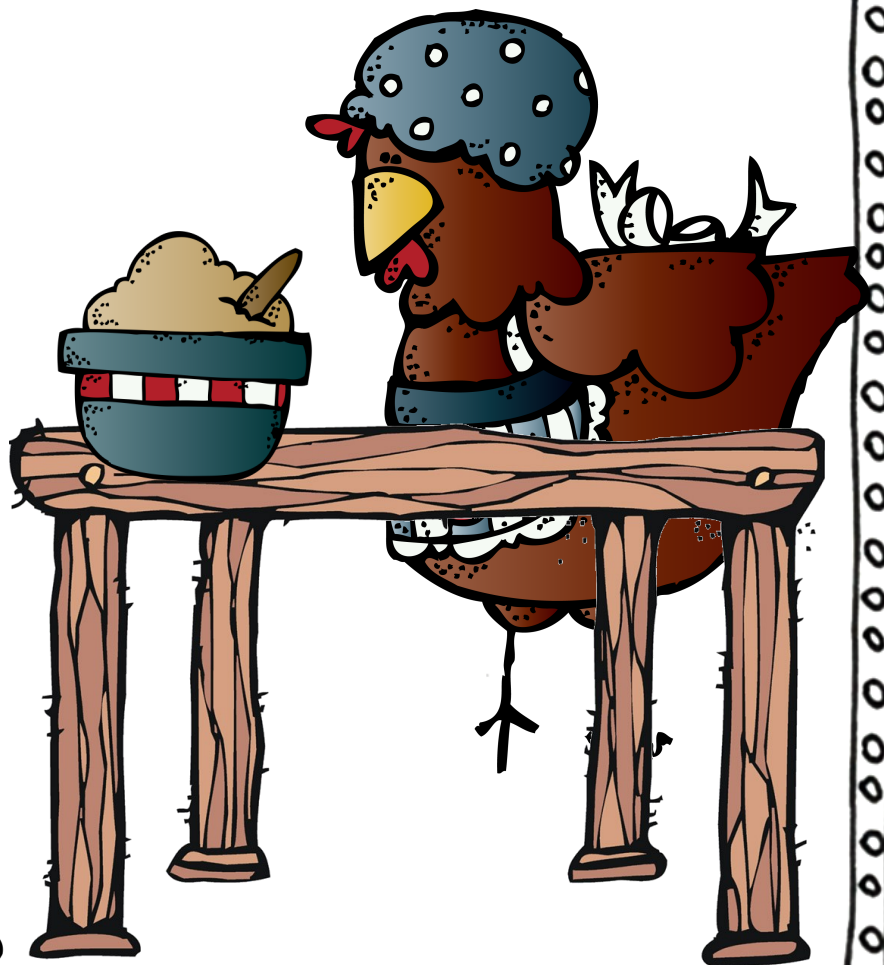

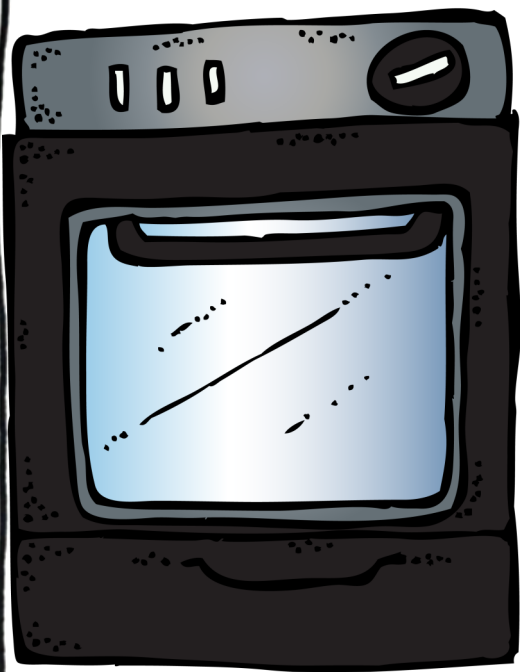

She watered the wheat,
cut it, and ground it.

The work must be done
before we all have fun!

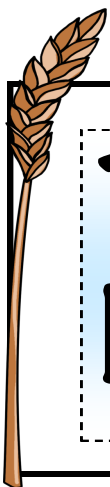

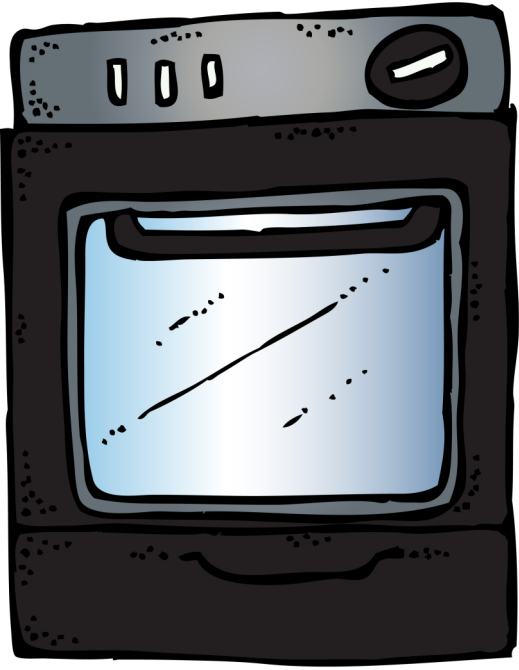

The hen baked the cake.

They all wanted to eat it.

The work must be done
before we all have fun!

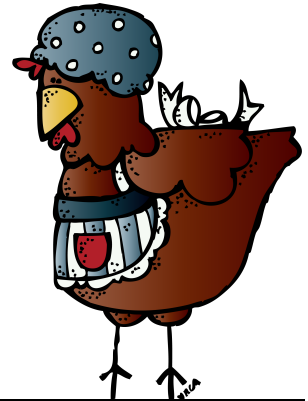

But she ate it all.

The work must be done
before we all have fun!

Finally, they wanted to

help **because...**

The work must be done
before we all have fun!
