Below the header, there is a green banner with a checkmark icon and the text "Thank you for confirming your email address. You may now enter a new password for your account." There are two input fields: "New Password:" and "ReType New Password:". A blue "Next" button is located at the bottom right of the form.

4. Once you've logged in, a banner  
will appear informing you that the  
student data confirmation has not  
been completed. Click on "Click here"  
and follow the instructions to complete  
the registration process.

You will receive an email  
confirmation informing you  
that you have completed the  
reenrollment process. You  
must complete this for every  
individual student.
