## How to update Chromebooks Step by Step.

**Step 1:** Student will log onto their account (except TK) Tk will only open Chromebook. Student should see the page below. Students will click at the bottom right where the time is displayed.

<u>Step 3:</u> They will see the following window. On the Left side of the screen they will see a menu list. You will click on the very last one on the list. It says About Chrome OS.

Settings	Q [Search settings	
Network	Your Chromebook is managed by sausdlearns.net	
* Bluetooth	If a setting doesn't show on this page, look in your Chrome browser settings	×
