SUPERINTENDENT'S REPORT

Superintendent shared that last week a high school student in the Los Angeles area became the latest victim of the opioid crisis affecting our young people. The 17-year-old died from an overdose involving fentanyl. Unfortunately, the use of this deadly drug is becoming more common across Orange County as well. Opioid use in general is climbing at an alarming rate. The number of teenagers overdosing has tripled over just the past two years. It's important for all families to learn more about this drug epidemic, and to have open conversations with their children to help raise awareness. He stated that our school counselors and other support staff on campuses can work with any student who is struggling with addiction, or has other social-emotional issues. If you need help, please reach out. For more information he encouraged everyone to visit the California Department of Public Health's Fentanyl and Overdose Prevention page.

Mr. Almendarez announced that October 9 to 15, 2022 is California Week of the School Administrator. He took the opportunity to thank all of our SAUSD school administrators and shared that our administrators work across all facets of the district to support student learning and well-being. He encourages everyone to reach out to one school administrator this week and thank them for all they do. He added that Monday, October 10, 2022 was Indigenous Peoples Day. For centuries, American Indians and other native populations across our nation have built vibrant and diverse cultures, safeguarding land, language, spirit, knowledge, and tradition across generations. SAUSD is proud to honor the invaluable contributions and resilience of our Indigenous peoples, especially those who help make up our diverse school district. He encourage everyone to celebrate and recognize the many Indigenous communities and cultures that make up our great country.

Lastly, he asked SAUSD parents to please complete the Programs Funding Verification Form before October 31, 2022. This form is part of a state requirement to determine how our school district will be funded. It is very important that our families provide this information. Families can complete this form online by scanning the QR code or visiting the link provided on the screen. Additionally, each family should receive a form in the mail they can fill out and return to their child's school. Families just need to fill out one form per household and can also contact their child's school if they have any questions or need another copy of the form.

PUBLIC PRESENTATIONS

Dr. Rodriguez asked Ms. Quiroz if there were any public presentations. Public speakers addressed LCAP input, safety school climate, keeping parents and community informed with full transparency, and Spanish translation.
