### SUPERINTENDENT'S REPORT

Superintendent shared that November 11th was Veterans Day. He thanked all our veterans, including our SAUSD employees, parents, and other community members who have served in our nation's military, including Alfonso Alvarez, our Board Vice President, who served in the California Army National Guard. Superintendent shared that we are deeply grateful for their sacrifices in their dedication to protecting our freedoms and way of life. Superintendent said that we honor their service, we cherish their commitment, and we are proud to stand with them, not just on Veteran's Day, but every day. Superintendent Almendarez also thanked all those community members who attended our SAUSD State of the District breakfast earlier this month. We had more than four hundred community members, elected officials, parents, and staff join us. SAUSD presented a glimpse of how SAUSD is working to reinvent learning through our Graduate Profile and Board of Education priorities. The Superintendent acknowledged the Santa Ana Public Schools Foundation for helping co-organize this event. He also thanked all our staff who worked hard to bring this event back for the first time in four years. Superintendent also wanted to recognize Middle College High School teacher Tamara Storms, who was celebrated last week at the Orange County Teachers of the Year ceremony. Ms. Storms represented SAUSD in the event that honored the top teachers across the county. She is also a proud product of SAUSD, graduating from Saddleback High School. Ms. Storms teaches English and serves as the advisor for the student newspaper The Spellbinder. Ms. Storms is a staunch advocate of reading and writing. She always encourages her students to use critical thinking and support their ideas with evidence-based knowledge, both key components of our Graduate Profile. Congratulations and thank you Ms. Storms for all that she does! Finally, as we approach the Thanksgiving holiday, Superintendent expressed his deepest gratitude to our students, staff, and families for their dedication and support to SAUSD. 38 WHEREAS, 2 CFR Section 200.320(a)(1)(iv) provides, among other things, that a  
39 non-Federal entity, on an annual basis, may self-certify a micro-purchase threshold  
40 up to \$50,000, if the self-certification includes a justification, clear  
41 identification of the threshold, and supporting documentation of any of the  
42 following:

43  
44 (i) The non-Federal entity qualifies as a low-risk auditee, in  
45 accordance with the criteria in 2 CFR Section 200.520 for the  
46 most recent audit;

47  
48 (ii) The non-Federal entity conducts an annual internal institutional  
49 risk assessment to identify, mitigate, and manage financial  
50 risks; or

51  
52 (iii) For public institutions, a higher threshold is consistent with  
53 State law.

54  
55 WHEREAS, as applicable to the District, 48 CFR Section 2.101 currently  
56 provides that the federal micro-purchase threshold is: (i) \$10,000 generally; and  
57 (ii) \$2,000 for services subject to 40 United States Code, Chapter 31, Subchapter  
58 IV (i.e., construction services subject to Davis-Bacon Act which, among other  
59 things, relates to rates of wages for laborers and mechanics); and

60  
61 WHEREAS, in accordance with Section 20111 of the California Public Contract  
62 Code ("PCC"), a public school district currently is required to seek competitive  
63 bids for: (i) acquisition of equipment, materials, supplies, services that are not  
64 construction services, and repairs (including maintenance) that are not a public  
65 project, involving an expenditure of more than \$109,300; and (ii) contracts for  
66 public projects involving an expenditure of \$15,000 or more; and

67  
68 WHEREAS, a copy of PCC Section 20111 in effect as of the date of this  
69 Resolution is attached as Exhibit "A" to this Resolution, and a copy of the  
70 California Department of Education notice of increased bid thresholds applicable as  
71 of the date of this Resolution is attached as Exhibit "B" to this Resolution; and

72  
73 WHEREAS, in accordance with PCC Section 22030, the District, effective the  
74 12<sup>th</sup> of February, 2019, has elected to become subject to the California Uniform  
75 Construction Cost Accounting Procedures ("CUPCCAA") and are therefore subject to

bidding requirements for public projects that are an alternative to the bidding requirements for public projects set forth in PCC Section 20111; and

WHEREAS, in accordance with PCC Section 22032, a California public school district, without need to seek competitive bids, may procure public projects costing \$60,000 or less through negotiated contract or purchase order; and

WHEREAS, copies of PCC Section 22030 and 22032 in effect as of the date of this Resolution are attached as Exhibit "C" to this Resolution; and

WHEREAS, to evidence that the District has elected to become subject to CUPCCAA, attached as Exhibit "D" to this Resolution are pages 1, 12, and 27 of the list, published on the California State Controller's Office website (at the following link: [https://www.sco.ca.gov/Files-ARD-Local/participating\\_agencies\\_-\\_general.pdf](https://www.sco.ca.gov/Files-ARD-Local/participating_agencies_-_general.pdf)), of the public agencies that, as of the date of this Resolution, have elected to become subject to CUPCCAA (for efficiency, the full list of 43 pages was not attached to this Resolution); and

WHEREAS, in accordance with the foregoing, the District is authorized by California law to award contracts and purchase orders, without need to seek competitive bids or undertake any other competitive process: (i) for equipment, materials, supplies, and services that are not public projects costing less than \$109,300; and (ii) for public projects costing \$60,000 or less; and

WHEREAS, in accordance with the third basis for establishing a higher micro-purchase threshold set forth in 2 CFR Section 200.320(a)(1)(iv), the District permissibly may self-certify a higher micro-purchase threshold because California law authorizes bid thresholds that are higher than the \$50,000 maximum threshold authorized by 2 CFR Section 200.320(a)(1)(iv); and

NOW, THEREFORE, the Board of Education does hereby find, order, and resolve as follows:

**Section 1.** The Board of Education hereby finds that the foregoing recitals are true and correct, and hereby adopts such recitals as findings of the Board of Education.

116 such purchases comply with all otherwise applicable provisions of law.  
117

118       **Section 3.** Subject to Section 3 herein, the Board of Education hereby  
119 authorizes and directs the Superintendent of the District ("Superintendent"), the  
120 Assistant Superintendent of Business Services for the District ("Assistant

131 orders.  
132

133       **Section 5.** This Resolution shall take effect immediately upon approval and
