Individual speakers are allowed three minutes to address the Board on agenda or nonagenda items. The Board may limit the total time for public input on each item to 20 minutes. With the Board's consent, the Board President may increase or decrease the time allowed for public

presentation, depending on the topic and the number of persons wishing to be heard. The Board President may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add.

The Board urges that complaints and derogatory remarks against a District employee be made in writing on forms available in the Office of the Superintendent. This allows the District and the Board to examine more carefully the complaint and to initiate the appropriate investigation.
