7.2 Classified Employee of the Month for December 2021, Blanca L. Chamu

Mr. Magnuson announced Blanca Chamu, Office Manager at Heroes Elementary School as the Classified Employee of the Month for December 2021.

SUPERINTENDENT'S REPORT

Superintendent Almendarez shared that last Thursday, SAUSD hosted a luncheon to acknowledge a dedicated group of parents, business men and women, leaders from non-profit groups, and other community partners. This group spent the past year working alongside district staff, and some board members in collaboration with the National Center on Education and the Economy to build a Santa Ana Unified School District Graduate Profile. These individuals volunteered countless hours to offer their insight and ideas for how SAUSD can best prepare all students to succeed after high school and compete globally. He added that as the District continues to finalize this graduate profile, he plans to present the result of this important work to the Board and the SAUSD community in the weeks to come. He offered his sincerest thanks to all those who have supported the District in this effort. Mr. Almendarez provided a holiday travel and COVID update. He thanked students, staff, and families for helping efforts to keep our schools as safe learning environments since returning to in-person instruction. The overall COVID-19 positive cases have climbed slightly following the Thanksgiving break, although still near the county averages. He reinforced the need to not let guards down and encouraged everyone to continue following the latest health and safety protocols. He invited everyone to visit www.sausd.us regularly for the latest local, state, and federal guidelines as they relate to schools, including the latest rules for travel as we prepare for the winter break. He also encouraged everyone who is eligible to get vaccinated. Superintendent Almendarez also announced that the Santa Ana Public Schools Foundation and volunteers across SAUSD will again be providing donations of toys, grocery gift cards, and other supplies for families as part of the Caring Educators Nourishing All, or CENA, event. CENA volunteers continue to seek donations to reach as many families as possible with these important resources. He encouraged anyone who is able to make a donation to give to this worthwhile effort. Mr. Almendarez also shared that this Thursday, the Orange County Department of Education and SAUSD will be hosting a meeting with parents of students in special education. Bilingual facilitators from the county will work with parents to better identify priorities for SAUSD special education services. He encouraged parents and guardians of students in special education programs to attend to provide valuable input. The meeting will be held at the district office from 8:30 a.m. to 11 a.m. and invited those interested to visit www.sausd.us for more information.

PUBLIC PRESENTATIONS

Dr. Rodriguez asked Ms. Quiroz if there were public presentations. Public presentations included topics that addressed school policy, appointment of Board President, computer technicians, and update on Principal search for Wilson Elementary School.

Item tabled to the first meeting in January of 2022.

NEW AND REVISION OF EXISTING BOARD POLICIES - FIRST READING/NO ACTION REQUIRED

14.1 Board Policy (BP) 5141.52 – Suicide Prevention (Revised: First Reading)

BOARD REPORTS

Mrs. Amezcua shared that she attended the DSDP luncheon. She had a good time celebrating the work that the committee and thanked Superintendent, Susie, Michelle, Josie, and all the staff that made it happen. She also shared that she attended a Heninger, Willard, and SAHS play. They did a phenomenal job and hopes that funding is provided to continue these type of events. Mrs. Amezcua added that she received an invitation to the Saddleback High School luncheon that Mr. Ramirez put together. Through this project based learning kids are learning to serve, speak, interact, they perform. Board Member Amezcua requested information from legal counsel on term limits and asked to talk about adding it to the agenda. She also addressed student Board member and the need to start having conversations about it. Mrs. Amezcua asked about the outreach regarding the special Board meeting and requested information on who was notified on the B2B. Mrs. Amezcua wished everyone Happy Holidays and Happy New Year and thanked everyone, happy to go to school events. Nice to see everyone interacting with their masks on.

Mr. Palacio addressed Romero-Cruz Academy and shared that the family has requested that the name Lydia be added to the school name. He also commented on the Santa Ana College agreement since the current agreement will expire in 5 months. Mr. Palacio requested that the meeting be closed in the memory of Para-educator Ramon Quintanilla. He encouraged everyone to be consistent with safe practices as we anticipate numbers going up. He also wished everyone happy holidays.

Dr. Alvarez shared that he attended a workshop on student school Board members at the California School Board's Association Annual Education Conference. One district had four high schools and appointed four high school student board members at each of the schools and held quarterly forums on Zoom. He asked for more information on different models. He added that there is a trend is to have School Boards select the student Board members. He also shared that Tony Thurmond spoke at this conference about literacy to bring grade level to 3rd grade. He asked staff to look to include more services and expanding hours. Library staff is emailing Board and would like to know what can be done differently to expand services in our libraries. Dr. Alvarez stopped by Don Isbell's CTE office at Valley High School. He asked for a presentation or report on the CTE program and the wonderful things that they are doing. He also encouraged everyone to be safe and to check the website for vaccinations updates. Dr. Alvarez wished everyone happy holidays.

Ms. Torres visited Roosevelt/Walker regarding the merger and shared concerns with Superintendent. She asked if there is anything that can be done logistically to address the issue of no doors in the classrooms, also at Fremont. Ms. Torres echoed Dr. Alvarez's comments on libraries and librarians and although it is better now, is in favor of increasing hours. It was somehow translated as only for elementary sites. She also asked for the logistics on term limits. Ms. Torres shared that she attended an ethnic studies workshop at CSBA and the information provided was very basic. She added that the District is ahead and thanked District staff working on ethnic studies. Board Member Torres also addressed student board members. There are like four different models and would like

to revive that conversation to see the different types. She also asked teachers to take things slow during the holidays and give kids time to ease into the winter.

Dr. Rodriguez thanked his colleagues for reports. He reiterated the requests as follows: Session with legal counsel on very focused guidance on term limits; exploration of different models around student board member with the interest to move at a good pace with the right model; renaming Lydia Romero-Cruz Academy; SAC master agreement timeline; presentation on food; presentation or report on CTE work that is happening; and reminder on CENA donations. Dr. Rodriguez also shared that he attended a CSBA sessions on Early Education and English Language Learners and learned about a new accountability tool that helps districts with the accountability piece around the English language learner and will have a conversation with the Superintendent. He added that he would share materials from the session given by Laguna Beach. He also attended sessions that had to do with community schools and universal preschool. That is a very critical component to our system. The way that wellness fit into that and the universal preschool fits into our early education work. Dr. Rodriguez also addressed the Graduate Profile which can be used the five priorities of the Board and start to restructure and transform our system the kind of student we want to co-create and what it means in terms of parents, families, communities, and the capacities within our system. He is looking forward to finding what it means for each grade level, starting with PK and moving across the system, not just from an academic standpoint but from social emotional standpoint, and the perspective of visual and performing arts. Dr. Rodriguez wished everyone happy holidays and shared data on new cases, number of students newly quarantined, and total active cases. He encouraged everyone to take precautions. Thanked staff, teachers, and administrators for all their work. Dr. Rodriguez asked for a moment of silence for the passing of Ramon Quintanilla in honor of his accomplishments, achievements, and the impact he made in the community. He also added the passing of Vicente Fernandez. Mrs. Amezcua also asked to add a moment for Duane Lundquist, DSO at Willard, who also passed away.

RECESS TO CLOSED SESSION

The Regular Board meeting recessed to closed session at 9:36 p.m. to consider student matters, negotiations, personnel matters, existing litigation, anticipated litigation, and real property negotiations.

Mrs. Amezcua left the meeting at 9:36 p.m.

RECONVENE REGULAR MEETING

The Regular Board meeting reconvened at 10:52 p.m.

ADJOURNMENT

There being no further business to come before the Board, Board President adjourned the meeting at 10:52 p.m.

The next Regular Meeting of the Board of Education will be held on Tuesday, January 11, 2022 at 6:00 p.m.

Supervise and direct user support and help desk functions; oversee and participate in technical assistance services concerning the operation of computer systems, hardware and software; respond to inquiries and provide technical information and training concerning related practices, requirements, procedures and malfunctions; provide specialized troubleshooting, determine type of request and provide solutions; direct the processing of and assure proper response to technology trouble tickets. **E**

Coordinate and direct user support and help desk functions; oversee and participate in technical assistance services concerning the operation of computer systems, hardware and software; respond to inquiries and provide technical information and training concerning related practices, requirements, procedures and malfunctions; provide specialized troubleshooting, determine type of request and provide solutions; direct the processing of and assure proper response to technology trouble tickets. **E**

Direct the installation, set-up and configuration of computer and network systems, hardware, software, servers, work station, printers, databases and applications; coordinate and direct the troubleshooting, diagnosis and repair of computer system, hardware, application, network and database errors and malfunctions; assure computer systems and networks are adequately protected against viruses; assure proper installation of server and work station hardware and software. **E**

Plan, organize, control and direct District technology functions to facilitate and enhance the collection, management, manipulation, reporting and distribution of computerized data used for analysis; coordinate and direct the development and design of computer database systems to meet the data processing needs of the District and improve and resolve problems with computerized reporting and record maintenance for instructional, assessment and administrative purposes. **E**

Direct the design, installation, operation, maintenance and repair of LAN's, WAN's and other network systems; direct and participate in network administration activities and assure proper network security and server maintenance; configure servers and networks to assure smooth and efficient functioning of computer systems; assure proper computing and network connectivity and communications between various instructional units, school sites and the District Office. **E**

CHIEF TECHNOLOGY OFFICER (CONTINUED)

REPRESENTATIVE DUTIES: (Continued)

Develop and implement functional specifications, standards, policies, procedures and requirements for hardware and software purchases and implementation; initiate system, hardware, multimedia and software purchases, upgrades and installations as appropriate; coordinate the selection of computer hardware, software and related technology for purchase; coordinate related purchasing activities with outside agencies. **E**

Identify technology for instructional and business application; work with grade level and subject matter teachers to integrate technology with instructional programs; design, develop and implement projects and systems involving instructional technology, network infrastructure and computer systems; estimate and assure adequate staff and resources required for technology needs and related projects; calculate and prepare cost estimates; determine system and equipment replacement needs. **E**

Monitors all District technology systems, including, but not limited to: the student information system, network, web servers, email services, and client machines and make recommendations concerning the purchase of software, supply items, and new hardware designed to increase efficiency, access, and reliability. **E**

Monitor progress of technology projects; coordinate project activities and communications between administrators, staff, vendors, service providers, technology users, school sites and various outside agencies; inspect completed projects for accuracy, completeness and compliance with established specifications and requirements. **E**

Chairs the District's Technology Committee and works collaboratively to build, manage and monitor the District Technology Plan. **E**

Plan, organize, control and direct the research, collection, organization, analysis, preparation, processing, interpretation and reporting of District enrollment, testing and a variety of other student data; coordinate related computer operations and data processing functions; assume mandated student data reports are completed in compliance with established requirements. **E**

Develop and prepare the annual preliminary budget for the Technology Innovation Services department; analyze and review budgetary and financial data; control and authorize expenditures in accordance with established limitations; review, modify and approve technology purchase orders as directed; direct and assume effective and efficient disbursement of grant funds. **E**

Direct and participate in the preparation and maintenance of various records, files and reports related to technology projects, trouble tickets, servers, networks systems, financial activity, personnel and assigned duties. **E**

Provide technical information and assistance to the Superintendent and other administrators regarding Department projects, activities, needs and issues; assist in the formulation and development of policies, procedures and programs. **E**

CHIEF TECHNOLOGY OFFICER (CONTINUED)

REPRESENTATIVE DUTIES: (Continued)

Communicate with administrators, personnel and outside organizations to exchange information, coordinate activities and programs and resolve issues or concerns. **E**

Operate a variety of computers, servers, peripherals and specialized software; drive a vehicle to conduct work. **E**

Research, analyze and maintain current knowledge of new technologies to identify opportunities to enhance District operations and meet technology needs. **E**

Support development and maintenance of the District website; coordinate and participate in the updating of web pages and website content in response to District needs and requests. **E**

Coordinate, attend and conduct a variety of meetings; coordinate, chair and provide technical support and direction for various technology committees. **E**

Perform related duties as assigned. **E**

KNOWLEDGE AND ABILITIES:

Knowledge of:

- Planning, organization supervision and direction of Information Technology operations and activities including the planning, development, installation, operation, analysis, maintenance and repair of computer systems and related hardware, software, networks, databases and applications.
- Computer systems, hardware, software, databases and applications utilized by the District.
- Practices, procedures and techniques involved in the design, set-up, development and modification of computer and network systems, web sites, hardware, software and applications.
- Principles, methods and procedures of operating computers, network systems and peripherals.
- Principles, techniques, procedures and developments for the operation of data processing and communications technology.
- Computerized data collection, management, manipulation and distribution requirements for analysis and reporting functions.
- Practices, procedures and techniques involved in the research, design, development and implementation of instructional technology, network infrastructure and computer systems. Technical aspects of researching, comparing and purchasing technology systems and equipment. System utilities and design and program applications.
- Database structures, on-line applications and system capabilities of District computer systems.

CHIEF TECHNOLOGY OFFICER (CONTINUED)

REPRESENTATIVE DUTIES: (Continued)

- Principles and techniques of systems and network analysis. District organization, operations, policies and objectives. Policies and objectives of assigned programs and activities. Applicable laws, codes, regulations, policies and procedures.
- Principles and practices of administration, supervision and training.
- Budget preparation and control.
- Interpersonal skills using tact, patience and courtesy.

Ability to:

- Strategically plan, organize, control and direct information technology systems, operations and activities including the planning, development, installation, operation, analysis, and maintenance of computer systems and related hardware, software, networks, databases and applications.
- Coordinate and direct projects, personnel, communications, support services and information to meet.
- District information technology needs including instruction, assessment, web publishing, student information systems and District-wide area and local network infrastructure.
- Supervise and evaluate the performance of assigned personnel.
- Direct the planning, development and implementation of technology projects, plans, strategies, infrastructure, systems, programs, services, goals and objectives.
- Direct the design, set-up, development and modification of computer and network systems, web pages, hardware, software, databases and applications.
- Monitor, analyze, identify and adjust activities and systems in response to technology needs. Direct the development of educational technology to assure proper integration with instructional activities and curriculum.
- Communicate effectively both orally and in writing.
- Interpret, apply and explain laws, codes, rules, regulations, policies and procedures. Establish and maintain cooperative and effective working relationships with others. Operate a computer and assigned office equipment.
- Analyze situations accurately and adopt an effective course of action. Meet schedules and time lines.
- Work independently with little direction.
- Plan and organize work.
- Prepare comprehensive narrative and statistical reports.
- Direct the maintenance of a variety of reports, records and files related to assigned activities.

CHIEF TECHNOLOGY OFFICER (CONTINUED)

REPRESENTATIVE DUTIES: (Continued)

EDUCATION AND EXPERIENCE:

Any combination equivalent to: bachelor's degree in computer science or related field and five years increasingly responsible experience involving the development, implementation, operation, analysis, and maintenance of computer systems, hardware and software including two years in a supervisory capacity. Experience in education is preferred.

LICENSES AND OTHER REQUIREMENTS:

- Valid California driver's license.

WORKING CONDITIONS:

Environment:

- Office environment.
- Driving a vehicle to conduct work.

Physical Abilities:

- Dexterity of hands and fingers to operate a computer keyboard
- Hearing and speaking to exchange information.
- Seeing to view a computer monitor and read a variety of materials.
- Sitting for extended periods of time.
- Lifting or moving objects, normally not exceeding twenty (20) pounds as assigned by the position.
- Bending at the waist, kneeling or crouching.

Reasonable accommodations may be made to enable a person with a disability to perform the essential functions of the job with or without reasonable accommodation.

Board Approved:
