Regular Board Meeting - Conducted Telephonically  
Santa Ana Board of Education

March 24, 2020

CALL TO ORDER

Dr. Rodriguez called the meeting to order at 4:30 p.m.

Other members on the line were Ms. Amezcua and Mr. Palacio.

Ms. Torres joined the call at 4:33 p.m.

PLEDGE OF ALLEGIANCE

Superintendent Almendarez led the Pledge of Allegiance.

SUPERINTENDENT'S REPORT

Superintendent Almendarez thanked all the SAUSD staff and leaders for their commitment to the students, families, and staff during these trying times. He addressed the SAUSD community and stated that as we guard against the COVID-19 crisis, he assured them that everyone is working diligently to address frequently asked questions and comments mainly in regard to social distancing but also food distribution, curriculum packets and student's return date of April 13. In regard to meal distribution, the District began with distributing meals five days a week two times a day. As a result of the Governor's stay at home order, we decided to reduce the number of nutritional service staff and distributing food two days a week, multiple meals per day. He emphasized that the meals are specifically for our kids and asked community to please pick up meals only for their children. He asked those that have the means to pick up in their vehicle to please do so and for those that do not, to please be mindful of other adults and children around. He also asked the community to please practice social distancing. Superintendent Almendarez also addressed the curriculum packets. Packets are supplemental and are not to be graded by teachers but to emphasize the importance of continuous learning while off campus. He stated that there is still a need to make decisions on the impact of student grades. There are still a lot of questions we have for the County Department of Education on what impact on grades if any this will have on our students. He reassured students that the intent is not to have a negative impact on student grades. April 13 is the scheduled return date for schools but considering recent news, we are considering extending this date. We have a few meetings with various representatives from the county this week, to get a better understanding of what or if any date will be extended. He also stated that we are seriously considering canceling end of the year activities like graduation, student recognitions, and assemblies. We service over 47,000 students and take responsibility to make sure we limit the amount of people that interact with each other.

Dr. Rodriguez followed the Superintendent's report asking Board members if they had any questions. All Board members thanked Superintendent, Executive Cabinet, Principals, teachers, custodians, nutritional staff, support staff and parents including the Board for their hard work. Ms. Torres suggested markers be put in place at the food distribution sites to ensure our families stand six feet apart. She also asked if there was a possibility of being proactive in possibly prepping some facilities for medical use. Dr. Rodriguez asked for an update on student's internet connection and for clarification on who is getting paid and who is not.

PUBLIC PRESENTATIONS

In lieu of members of the public being physically present to address the Board, public comments were submitted in writing to be read out loud or filled an electronic speaker card to address their comment via telephone call during public presentations. Public comments addressed employment/private school tuition freeze, meal distribution procedures, paid senior activities, homework timelines, and extension of the school year.

Dr. Alvarez joined the meeting at 5:04 p.m.

5 PROCLAMATION DECLARATION MARCH AS

6 ARTS EDUCATION MONTH

7 WHEREAS, Arts Education, which includes dance, music, theatre, media and the  
8 visual arts, is an essential part of basic education for all students, pre-  
9 kindergarten through grade twelve, to provide for balanced learning and to develop  
10 the full potential of their minds; and

11 WHEREAS, through well-planned instruction and activities in the arts,  
12 children develop initiative, creative ability, self-expression, self-reflection,  
13 thinking skills, discipline, a heightened appreciation of beauty and cross-  
14 cultural understanding; and

15 WHEREAS, experience in the arts develops insights and abilities central to  
16 the experience of life, and are collectively one of the most important  
17 repositories of culture; and

18 WHEREAS, many national and state professional educational associates hold  
19 celebrations in March focused on students' participation in the arts; and

20 WHEREAS, the California State Board of Education states in its Arts  
21 Education Policy adopted in July 1989 that each student should receive a high  
22 quality, comprehensive arts education program based on the adopted visual and  
23 performing arts standards and framework curriculum documents.

24 NOW, THEREFORE, BE IT RESOLVED: That the Santa Ana Unified School District's  
25 Board of Education declares March, 2020, as "Art Education Month" and encourages  
26 all to celebrate the arts with meaningful student activities and programs that  
27 demonstrate learning and understanding in the visual and performing arts.

5 RESOLUTION TO HONOR THE LIFE OF ACTIVIST DOLORES HUERTA ON APRIL 10<sup>TH</sup>

6  
7 WHEREAS, on July 18, 2018, Governor Jerry Brown signed Assembly Bill 2644,  
8 introduced by Assembly member Eloise Reyes (AD-47); designating April 10<sup>th</sup> as  
9 Dolores Huerta Day, making civil rights leader and community organizer, Dolores  
10 Huerta the first and only living person to hold this honor; and,

11 WHEREAS, Assembly Bill 2644 adds Section 37222.20 to the Education Code,  
12 stating "On Dolores Huerta Day, all public schools and educational institutions  
13 are encouraged to conduct exercise remembering the life of Dolores Huerta,  
14 recognizing her accomplishments, and familiarizing pupils with the contributions  
15 she made to this state"; and,

16 WHEREAS, Dolores Clara Fernandez Huerta was born on April 10, 1930, in  
17 Dawson, New Mexico, the daughter of Juan and Alicia Fernandez; and,

18 WHEREAS, Dolores Huerta became a school teacher in Stockton, California, and  
19 became conscious of the need for economic justice through seeing her students come  
20 to school barefoot and hungry; and,

21 WHEREAS, during the 1950's, Huerta met legendary community organizer Fredd  
22 Ross, Sr., and found her calling as an organizer serving in the leadership of the  
23 Stockton Community Service Organization (CSO), during which time she set up voter  
24 registration drives, pressed local governments for barrio improvements, and  
25 founded the Agricultural Workers Association (AWA); and,

26 WHEREAS, Dolores Huerta's famed lobbying effort were crucial in securing  
27 Aide for Families with Dependent Children (AFDC) and disability insurance for farm  
28 workers in the State of California in 1963; and,

29 WHEREAS, Dolores Huerta is the most prominent Mexican-American female labor  
30 leader in the United States, is the co-founder with Cesar Chavez of the United  
31 Farm Workers of America (UFW); and,

32 WHEREAS, for over 60 years, beginning in the 1960's, Huerta lobbied in  
33 Sacramento and Washington, D.C., organized field strikes, directed UFW boycotts,  
34 led farm worker campaigns for political candidates, negotiated the first UFW labor  
35 contracts, and has played a major role in the American civil rights movement; and,

36 WHEREAS, in 2002, Dolores Huerta founded the Dolores Huerta Foundation,  
37 which recruits and empowers grassroots leaders in low-income communities to attain  
38 social justice by organizing volunteer organizations called Vecinos Unidos (United  
39 Neighborhoods) to work on issues in education, health, the environment, civic  
40 engagement, and economic development; and,

41 WHEREAS, Dolores Huerta has received numerous awards, among them the  
42 California State Senate's Outstanding Labor Leader Award, the ACLU Roger Baldwin  
43 Medal of Liberty Award, the Eugene V. Debs Foundation Outstanding American Award,  
44 the Ellis Island Medal of Freedom Award, the Consumer's Union Trumpeter's Award,  
45 Ms. Magazine's "Woman of the Year" for 1998, the Eleanor Roosevelt Human Rights  
46 Award from President Clinton in 1998; and,

47 WHEREAS, Dolores Huerta was inducted into the National Women's Hall of Fame  
48 in 1993, and served on the Board of Regents of the University of California; and,

49 WHEREAS, in 2012, President Obama presented Huerta the Medal of Freedom, the  
50 highest civilian award in the United States; and

51 WHEREAS, her rallying cry of "Si Se Puede" continues to call us to fight for  
52 the changes our communities need to thrive; and,

53 WHEREAS, members of society will benefit from having the opportunity to  
54 learn more about this leader for social justice and civil rights, empowering them  
55 to fight for fair representation, voting rights, and equitable education.

56 NOW, THEREFORE, BE IT RESOLVED: That the Santa Ana Board of Education does,  
57 hereby, adopt this Resolution to honor a national civil rights and labor leader in  
58 America on or around April 10<sup>th</sup> Dolores Huerta Day.

59 BE IT FURTHER RESOLVED, all members of Santa Ana Unified School District are  
60 encouraged to teach about the life and struggles of Dolores Huerta and to conduct  
61 celebrations honoring the life of Dolores Huerta as a powerful force for social  
62 justice and empowerment for all.

2 BOARD OF EDUCATION

3 SANTA ANA UNIFIED SCHOOL DISTRICT

4 ORANGE COUNTY, CALIFORNIA

5 RESOLUTION TO HONOR THE LIFE OF CESAR E. CHAVEZ ON MARCH 31<sup>ST</sup>

6  
7 WHEREAS, a passionate advocate for social justice and civil rights for the  
8 poor and disenfranchised, César E. Chavez was a true American hero, and the  
9 anniversary of his birth on March 31, 2020, provides a fitting opportunity to  
10 remember and honor his many contributions; and,

11 WHEREAS, the son of migrant farm workers, César E. Chavez learned about the  
12 oppression of field laborers firsthand and directed his life goals and aspirations  
13 toward educating his fellow farm workers to understand their rights to a safe  
14 workplace and a just wage; and,

15 WHEREAS, in 1962 César E. Chavez cofounded the United Farm Workers Union to  
16 contest the poor treatment of the workers in the fields, and sought to empower  
17 those workers by organizing the first union to acquire labor contracts for farm  
18 workers in the grape fields; and

19 WHEREAS, César E. Chavez changed the attitudes of the workers in the fields  
20 and the nation far beyond by leading them to live the La Causa slogan, "Si Se  
21 Puede," by empowering all to fight for civil rights and to strive for justice for  
22 all minorities; and,

23 WHEREAS, César E. Chavez said, "Real education should consist of drawing the  
24 goodness and the best out of our own students. What better book can there be than  
25 the book of humanity;" and,

26 WHEREAS, for more than three decades, César E. Chavez led this  
27 groundbreaking organization by effecting social change through peaceful methods  
28 such as fasts, boycotts, strikes, and pilgrimages; his union's efforts influenced  
29 and inspired millions of Americans, forging a diverse national coalition of

30 students, middle-class consumers, religious groups, and minorities in a hard-won  
31 struggle to achieve fair wages, medical coverage, pension benefits, humane living  
32 conditions, and perhaps most important, dignity and respect for the hundreds of  
33 thousands of farmworkers across the country; and,

34 WHEREAS, César E. Chavez and legions of loyal supporters dedicated  
35 themselves to the education of migrant workers and their children through the  
36 establishment of better schools, fighting to empower farm workers through voter  
37 registration, and teaching community members how to organize themselves to  
38 effectively represent their interests with government, school, and financial  
39 institutions; and,

40 WHEREAS, César E. Chavez espoused the "Education of the Heart" for all  
41 students because he believed that it is not enough to teach our young people to be  
42 successful, to seek achievement, and to make progress as individuals while  
43 forgetting about progress and prosperity for their community and while leaving  
44 friends and neighbors behind; he believed that our ambitions must be broad enough  
45 to include the aspirations and needs of others; and,

46 WHEREAS, by successfully organizing migrant farm workers, César Chavez gave  
47 hope and pride to generations of Latinos. He also inspired millions of other  
48 Americans from all walks of life who never worked on a farm to strive for social  
49 justice.

50 NOW, THEREFORE, BE IT RESOLVED: that the Superintendent encourages students,  
51 staff, school administrators, teachers, and community members to implement service-  
52 learning projects and/or lessons based on his life, work, and values;

53 BE IT FURTHER RESOLVED, all members of Santa Ana Unified School District  
54 recognizes Tuesday, March 31, 2020, as César E. Chavez Day of Service and  
55 Learning, and encourages student participation in authorized school community  
56 service and lessons honoring the life and work of César E. Chavez.

**RESOLUTION NO. 19/20-3338**  
**BOARD OF EDUCATION**  
**SANTA ANA UNIFIED SCHOOL DISTRICT**  
**ORANGE COUNTY, CALIFORNIA**

**SIXTH AMENDMENT TO STANDARDIZE DISTRICT FACILITY COMPONENTS**  
**FOR THE DESIGNATION OF**  
**SPECIFIC MATERIAL(S), PRODUCT(S), THING(S), OR SERVICE(S) ON**  
**PUBLIC WORKS PROJECTS, PURSUANT**  
**TO PUBLIC CONTRACT CODE SECTION 3400(c) (2)**

**WHEREAS**, pursuant to California Public Contract Code Section 3400 ("PCC § 3400") and other applicable law, the District wishes to, in specific instances, list and/or designate in its bids or requests for proposals on its public works projects, specific material(s), product(s), thing(s), or service(s);

**WHEREAS**, PCC § 3400 (c)(2) provides that the District may specify particular material(s), product(s), thing(s), or service(s) in its specifications for bids in connection with the construction, alteration, or repair of public works upon a finding by the District Board that particular material(s), product(s), thing(s), or service(s) are listed for the purpose of matching "other products in use on a particular public improvement either completed or in the course of completion,"

**WHEREAS**, on the District's public works projects, the District desires to list the material(s), product(s), thing(s), or service(s) listed on the attached list (**Exhibit "A"**) as the only acceptable material(s), product(s), thing(s), or service(s) for use on the District's construction projects, because those material(s), product(s), thing(s), or service(s) "match other product(s) in use on other District public improvement(s) either completed or in the course of completion" (PCC § 3400 (c)(2)),

**WHEREAS**, although PCC § 3400 (c)(2) does not require the Board to make specific findings as to why it wishes to match other products in use, the District believes this action is desirable to, among other reasons, and to the extent applicable to specific material(s), product(s), thing(s), or service(s), because:

- The District has already incurred costs to train its employees to service and maintain specific current product(s) and system(s) throughout District campuses.
- The ongoing maintenance, repair, and other work that District staff and/or service providers will have to perform on those product(s) or system(s) will be simplified, more efficient, and less costly if those persons do not have to service different and varied product(s) and system(s).
- The warranties and guarantees for product(s) and system(s) will be easier to coordinate, track, and call upon in the years to come if they are with the same manufacturers / vendors of the particular product(s) or system(s).
- It would be beneficial for the entire District to reduce District costs by implementing uniform system(s) and installing uniform product(s) throughout the District, facilitating maintenance, engineering and overall reliability.
- The District anticipates future construction, alteration, modernization of existing school sites to, among other things, replace and/or upgrade system(s) at those sites.
- It would be beneficial to the District to have and use uniform parts and materials throughout the system(s) in use at its sites.

**WHEREAS**, the District will endeavor to list, whenever feasible, more than one product or system when more than one product or system is acceptable and has already been used at improvement(s) either completed or in the course of completion and the above conditions are sufficiently satisfied.

1                   **NOW, THEREFORE, THE BOARD OF EDUCATION OF THE SANTA ANA UNIFIED SCHOOL**  
2 **DISTRICT DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:**

- 3  
4 1. That the foregoing recitals are true.  
5  
6 2. The District has already incurred costs to train its employees to service and maintain specific current product(s) and  
7 system(s) throughout District campuses.  
8  
9 3. The ongoing maintenance, repair, and other work that District staff and/or service providers will have to perform on  
10 those product(s) or system(s) will be simplified, more efficient, and less costly if those persons do not have to service  
11 different and varied product(s) and system(s).  
12  
13 4. The warranties and guarantees for product(s) and system(s) will be easier to coordinate, track, and call upon in the  
14 years to come if they are with the same manufacturers / vendors of the particular product(s) or system(s).  
15  
16 5. It would be beneficial for the entire District to reduce District costs by implementing uniform system(s) and installing  
17 uniform product(s) throughout the District, facilitating maintenance, engineering and overall reliability.  
18  
19 6. The District anticipates future construction, alteration, modernization of existing school sites to, among other things,  
20 replace and/or upgrade system(s) at those sites.  
21  
22 7. It would be beneficial to the District to have and use uniform parts and materials throughout the system(s) in use at its  
23 sites.  
24  
25 8. The District will endeavor to list, whenever feasible, more than one product or system when more than one product or  
26 system is acceptable and has already been used at improvement(s) either completed or in the course of completion and  
27 the above conditions are sufficiently satisfied.  
28  
29 9. That the material(s), product(s), thing(s), or service(s) listed on **Exhibit "A"** are the only acceptable material(s),  
30 product(s), thing(s), or service(s) for use on the District's public works projects, because those material(s), product(s),  
31 thing(s), or service(s) match other product(s) in use on other District public improvement(s) either completed or in the  
32 course of completion.

Rigo Rodriguez, Ph.D., President of the Governing Board for the Santa Ana Unified School District

I, Alfonso Alvarez, Ed.D, Clerk of the Board of Education of the Santa Ana Unified School District of Orange County,  
California hereby certify that the above and foregoing Resolution was duly adopted by the said Board at a regular meeting  
thereof held on the 24<sup>th</sup> day of March 2020, and passed by a vote of 5-0 of said Board.

Alfonso Alvarez, Ed.D., Clerk of the Governing Board for the Santa Ana Unified School District

**Exhibit "A"**

**A. Fire detection and alarm system(s) manufactured by the following manufacture(s):**

- Notifier (located at approximately **70%** District sites currently)
- Silent Knight (located at approximately **10%** District sites currently)

These systems are integral safety components at District sites. In addition to the basis in the Resolution for determining that the Board wishes to match new fire detection and alarm systems to existing systems already in use, the District is endeavoring to better coordinate the training, maintenance, and repair of these systems throughout the District. The ever-increasing cost and coordination of varied systems with a limited maintenance personnel staff and a limited budget for outside vendors, requires the District to limit variance in these types of systems to facilitate more control and cost containment in keeping those systems operational.

**B. Locksets and Cylinders manufactured by the following manufacture(s):**

- Schlage (located at approximately **100%** District sites currently)

These systems are integral safety components at District sites. In addition to the basis in the Resolution for determining that the Board wishes to match new lock systems to existing systems already in use, the District is endeavoring to facilitate better control over replacement parts, the "re-keying" of locks, and the replacement of lost or stolen keys.

**C. Heating, Ventilation and Air-Conditioning Systems manufactured by the following manufacture(s):**

- York (located at approximately **20%** District sites currently)
- Carrier (located approximately **30%** District sites currently)

The District is endeavoring to better coordinate the training, maintenance, and repair of these systems throughout the District. The ever-increasing cost and coordination of varied systems with a limited maintenance personnel staff and a limited budget for outside vendors, requires the District to limit variance in these types of systems to facilitate more control and cost containment in keeping those systems operational.

**D. Intrusion Detection Systems manufactured by the following manufacture(s):**

- Digital Monitoring Products (DMP) (located at approximately **30%** District sites currently)

The District has DMP as an integral safety component for our intrusion detection systems. The Digital Monitoring Products are a critical component that completes the software requirements for our entree monitoring system that our Police Department has chosen to provide the safest campuses possible. There are multiple dealers that can provide DMP panels and programming as well as our staff has received training in these software programs.

**E. Intercom Paging System manufactured by the following manufacture(s):**

- Bogen (located at approximately **10%** District sites currently)
- ICS Rauland (located at approximately **80%** District sites currently)

These systems fall in line within endeavor to better coordinate the training, maintenance, and repair of these systems throughout the District. The ever-increasing cost and coordination of varied systems with a limited maintenance personnel staff and a limited budget for outside vendors, requires the District to limit variance in these types of systems to facilitate more control and cost containment in keeping those systems operational.

**F. Plumbing Fixtures and Component Systems manufactured by the following manufacture(s):**

- American Standard (located at approximately **70%** District sites currently)
- Kohler (located at approximately **30%** District sites currently)
- Falcon- Waterless Urinals (located at approximately **100%** District sites currently)

- Chicago Faucets (located at approximately **80%** District sites currently)
- Haws- Drinking Fountains (located at approximately **80%** District sites currently)
- Sloan (located at approximately **80%** District sites currently)
- Zurn (located at approximately **20%** District sites currently)

Plumbing fixtures and systems become very unique and system coordinated when they were late to the commercial industry. It is impossible to inventory the various numbers of parts for the vast system differences. Standardization of the systems will help alleviate over stocked items, obsolete parts and allow us the ability to maintain a reasonable inventory. Our staff members have had numerous hours of training on different components such as valves, cartridge replacement, re-built kits, pressure setting etc.

**G. Network system(s) by the following manufacture(s):**

- Cisco (located at approximately **100%** District sites currently)

In addition to the basis in the Resolution for determining that the Board wishes to align facilities efforts with educational goals, simplify and reuse engineering services to scale, make smart decisions to maximize limited resources, and consolidate infrastructure that results in maintenance and management savings, the District is endeavoring to better coordinate the training, maintenance, and repair of these systems throughout the District. The ever-increasing cost and coordination of varied systems with a limited maintenance and technical personnel staff and a limited budget for outside vendors, requires the District to limit variance in these types of systems to facilitate more control and cost containment in keeping those systems operational.

**H. IP Telephony/Voice Over IP (VoIP) System by the following manufacture(s):**

- Cisco (located at approximately **30%** District sites currently)

These systems are integral communication components at all District sites. The system falls in line within endeavor to better coordinate the training, maintenance, and repair of the system throughout the District. The ever-increasing cost and coordination of varied systems with a limited maintenance and technical personnel staff and a limited budget for outside vendors, requires the District to limit variance in these types of systems to facilitate more control and cost containment in keeping the system operational.

**I. Structured Cabling Systems by the following manufacture(s):**

- Systimax (located at approximately **30%** District sites currently)
- Uniprise (located at approximately **20%** District sites currently)

Structured Cabling Systems become very unique and system coordinated. Enterprised network infrastructure solutions need to maintain a uniform configuration; parts, and installation standards, to maintain high quality, performance and 20-year warranty, to protect the District's investment. It is impossible to inventory the various numbers of parts for the vast system differences. Standardization of the systems will help alleviate over stocked items, obsolete parts and allow us the ability to maintain a reasonable inventory. Our staff members have had numerous hours of training on different components.

**J. Solid Plastic Bathroom Partition by the following manufacturer(s):**

- Scranton Products 1 inch solid HDPE plastic partitions (located at approximately **60%** of District sites currently).

Solid HDPE plastic partitions are more durable and require less maintenance than other products. Standardization will help alleviate over stocked items and allow us the ability to maintain a reasonable inventory. This will limit variance of this type of system to facilitate better inventory and cost control.

**K. Door and Gate Hardware by the following manufacturers(s):**

- Von Duprin exit hardware (located at approximately **70%** of District sites currently).
- LCN Door Closers (located at approximately **70%** of District sites currently).

These systems are an integral safety and accessibility component at District sites. The District is endeavoring to facilitate cost control by minimizing training, maintenance and inventory associated with the use of multiple products. Standardization will help alleviate over stocked items and allow us the ability to maintain a reasonable inventory.

**L. Paint manufactured by the following manufacture(s):**

- Dunn Edwards (located at approximately **80%** of District sites currently).
- Sherwin Williams (located at approximately **10%** of District sites currently)
- Tnemec (all epoxy coatings)

The District is endeavoring to reduce the cost of stored paint and limit the quantity of colors and types of paint used throughout the District. Standardization will help alleviate over stocked items and allow us the ability to maintain a reasonable inventory.

**M. Building Automation System(s)- (BAS)/Energy Management System(s) – (EMS) manufactured by the following manufacture(s):**

- Niagra AXP (located at approximately **20%** District sites currently)

These systems are integral energy saving components at District sites. In addition to the basis in the Resolution for determining that the Board wishes to match BAS & EMS systems to existing systems already in use, the District is endeavoring to better coordinate the training, maintenance, and repair of these systems throughout the District. The ever-increasing cost and coordination of varied systems with a limited maintenance personnel staff and a limited budget for outside vendors, requires the District to limit variance in these types of systems to facilitate more control and cost containment in keeping those systems operational. Providing better energy controls to the district will enhance the energy saving program and provide improved services to our students.

**N. Marquee Message Boards by the following manufacturer (s):**

- Daktronics (located at approximately 50% of District sites currently).

The District endeavors to implement one system of electronic message boards to be controlled by each school site or from the District Office. Standardization with one technology manufacturer enables emergency communication to be sent throughout the District more effectively, especially in the case of an emergency message. The implementation of one system will also facilitate cost control by minimizing training, maintenance and inventory associated with the use of multiple manufacturers.

## RESOLUTION NO. 19/20-3341

BOARD OF EDUCATION

**SANTA ANA UNIFIED SCHOOL DISTRICT**

ORANGE COUNTY, CALIFORNIA

# Proclamation Declaring April 20-24, 2020

## as Afterschool Professionals Appreciation Week

WHEREAS, the Santa Ana Unified School District (District) firmly believe that afterschool professionals (those who work with children and youth in a wide variety of program settings to provide extended learning opportunities during out-of-school hours) have a positive effect on our students, families, community and businesses.

WHEREAS, afterschool professionals are a decisive element in students' access to high-quality relationships and expanded opportunities beyond what they have access to at school and home, which they need to reach their full potential.

WHEREAS, afterschool professionals deserve appreciation for all that they do to for children to enhance their education, promote physical and emotional health, provide a safe environment and expose them to new experiences.

WHEREAS, the District is committed to supporting the professionals who provide extended learning opportunities that will help close the achievement gap and prepare students to compete in the global economy.

NOW, THEREFORE, BE IT RESOLVED: That the Santa Ana Board of Education proclaims April 20-24, 2020 as Afterschool Professionals Appreciation Week and encourages all schools, community organizations, businesses, and the City of Santa Ana to commemorate this occasion with appropriate instructional and celebratory activities.
