The district continues to work with community partners to hold weekly vaccination clinics across the district and invited everyone to follow the district on social media for information on the latest clinics. The district is also working to provide four testing hub locations this summer for students, staff, and the community members. More information will be provided soon. Mr. Almendarez announced that our high school graduations begin next week. He congratulated the class of 2022 for finishing despite challenges and wished them the best whether they are going to college, serving in the military, or joining the workforce. He also shared that all ceremonies will all be streamed online. The links, times and dates are posted on the district website. Lastly, Superintendent addressed the incident that occurred at Taft Elementary on Monday involving a trespasser on campus who struck three of our students walking to school as he drove away from the school. He thanked the staff at Taft for their quick response following the incident to ensure that all students on campus remained safe during the day. He also thanked the Santa Ana School Police Officers and other law enforcement for their prompt response to support our school.
