## 7. SUPERINTENDENT'S REPORT

Superintendent Almendarez invited our entire community to our College, Career, and Resource Fair hosted by SAUSD and our partner, the City of Santa Ana. This year's event will take place from 4pm to 7pm on Thursday, September 12th at the Santa Ana Zoo. Visitors will receive information on 4-year schools, Community Colleges, Career Technical Education, the Military, and Community Resources. He mentioned it is never too early to begin planning for college, so this event is open to all students and families in grades Pre-K through 12th Grade. This event also includes free entry to the zoo, raffles, other giveaways, and live entertainment. He encouraged everyone to take advantage of this free and valuable resource. Superintendent highlighted some important upcoming events for our families. On August 29th, our high schools will hold their Back-to-School Nights. And on September 5th, we will be hosting Back-to-School Night for our intermediate schools. These evenings are a vital opportunity for parents and guardians to connect with their child's teachers, see their classrooms, and gain insight into the educational experience we are providing this year. Last week, we hosted Back-to-School Night for our elementary schools.

Superintendent Almendarez said it was wonderful to see so many families engaged and eager to partner with us in their children's education. He encouraged all parents and guardians to attend these events. Superintendent Almendarez said we recognized Women's Equality Day. This day serves to remind us of the ongoing struggle for gender equality and the importance of standing together in support of women's rights. At a time when these rights are increasingly at risk, it is crucial that we reaffirm our commitment to ensuring that every woman and girl has the opportunity to succeed and thrive. Equality is not just a goal; it is a fundamental principle that we must all uphold, in our schools, our communities, and beyond. Let us stand united in our dedication to creating a future where equality is not just an aspiration, but a reality for all. As we approach the upcoming general election, Superintendent Almendarez took a moment to emphasize the importance of every eligible person registering to vote. Voting is one of the most direct ways we can influence the future of our community, our schools, and our country. This includes our SAUSD students who will turn 18 on or before election day November 5th. To be eligible to register to vote in California, you must also be a United States citizen and be a resident of California. Visit [vote.gov](https://vote.gov) for more information, including registration deadlines, and how to register online. In the coming weeks, SAUSD will work with community partners and the OC Registrar's Office to share more voting resources with our schools, students, and overall community.

## 11. NEW AND REVISION OF EXISTING BOARD POLICIES - FIRST READING/NO ACTION REQUIRED

### 11.1 First Review of Revised and New Santa Ana Unified School District Board Policy Series 5000

## 12. BOARD REPORTS

Dr. Rodriguez opened by expressing gratitude towards Elizabeth and Jessica, CAC members, for their leadership and active involvement, particularly in stepping up to their roles. He extended thanks to the ECE teachers present at the previous meeting and acknowledged the District's efforts in connecting various educational initiatives. A highlight of these efforts includes the UCI early education partnership, which recently introduced a bus stop at Main and McFadden featuring an abacus for learning. Additionally, Northgate Market now features interactive signs for children to engage in games that encourage them to estimate weights, integrating educational elements seamlessly into the environment. Dr. Rodriguez mentioned that these developments are just the beginning, with plans to extend similar initiatives to Madison and Angels Park. He expressed anticipation for further details from UCI on these expansions. The UCI project at Monroe is particularly notable as it functions as a laboratory focusing on early education and STEM. This includes innovative programs like Fraction Ball, where children learn math through play, all structured and evaluated by educational experts. He also highlighted the integration of science into home learning environments through UCI, aimed at preschool teachers. Dr. Rodriguez called for a comprehensive presentation by UCI to outline their contributions to advancing early education, proudly noting that these efforts have placed the district on the national map. Further, Dr. Rodriguez acknowledged the contributions of Keely, Lupe, Lisa, Jennifer, and all involved in these District-wide initiatives. He made a special mention of Vecindario Lacy en Acción (VeLA), a parent group from Garfield Elementary, who have been pivotal in advocating for affordable housing and park facilities in their neighborhood, as well as refurbishing the Wellness Center. He noted a current disconnect with VELA that needs to be addressed and proposed recognizing their leadership in a future Board meeting. Dr. Rodriguez signaled a move towards a new motto aimed at fostering and developing parent groups across the district. Dr. Rodriguez also praised Charlotte Ervin for her leadership in the District.

Ms. Brazer Aceves began by expressing her gratitude to the student who led the Pledge of Allegiance at the meeting. She extended heartfelt thanks to the team, parents, community members, and staff who participated and shared their feedback during the evening. She acknowledged their presence and input, noting that while immediate responses are not always possible, she values and appreciates hearing their perspectives. Ms. Brazer Aceves highlighted item 9.7 on the consent calendar, which involves no-cost partnership agreements. She expressed enthusiasm for this agenda item, appreciating the team's efforts in identifying these partnerships. She noted the plethora of creative partnerships listed, which aim to expand capacity for student engagement and learning. She thanked the staff for ensuring robust programming for students, especially as the District moves towards adopting a community schools model. Ms. Brazer Aceves concluded by expressing excitement about the potential for schools and the community to enhance their impact through these partnerships.

Mr. Bustos opened his remarks by thanking everyone who attended the Board meeting to voice their concerns, emphasizing that he takes their comments seriously and encourages ongoing participation in these discussions. He shared that he has consistent conversations with both the Superintendent and Deputy Superintendent regarding public comments received. Mr. Bustos expressed a specific interest in understanding the procedures for precautionary lockouts, citing a recent incident near Monte Vista as a catalyst for his request. He stressed the importance of being informed about these safety protocols and requested detailed information be shared either through B2B communications or via email. He also highlighted educational opportunities for parents and families, noting the free classes offered in partnership with Santa Ana College. These include English and computer classes held in Area 5 at Washington Elementary, which he strongly encourages the community to engage with. Mr. Bustos underlined the significance of building partnerships and bridges with parents and families, as active parental involvement is crucial for the thriving of schools. Mr. Bustos concluded by inviting further contact and interaction, noting that he is accessible via email and all social media platforms, including on Instagram at hector4saUSD. He looks forward to continuing these discussions and seeing everyone at next month's meeting.

Dr. Alvarez began by expressing gratitude to all the speakers who participated earlier in the day, requesting that the Superintendent follow up and provide updates on all comments made. He gave a special shout out to the Nutrition Services staff for their exceptional work in feeding the students and for hosting educational classes, including a licuado class. He acknowledged the staff who have conducted various workshops, highlighting the diverse services available within the District. Dr. Alvarez also extended his thanks to all staff members working with English learners, noting their efforts in teaming up to provide meetings for incoming students. He emphasized the significant collaboration happening across the District, underscoring its importance in enhancing educational outcomes.

Ms. Torres made several important contributions during the meeting, starting with a correction to the Superintendent's earlier report - she clarified that the Back-to-School date for high schools is on the 29th, not the 27th. Ms. Torres expressed her gratitude to public speakers for their comments and emphasized her commitment to being as welcoming as possible. She shared her personal experience of making public comments over the past 15 years and acknowledged the significance of this process from her perspective as a long-time activist. She congratulated Elizabeth and Jessica, CAC members. She requested that the process for after-school lockouts/communication be reviewed. Ms. Torres also echoed Mr. Bustos' request for an update on this matter. She joined Dr. Rodriguez in commending the work being done with UCI and SAUSD, expressing a desire to see a presentation on this collaboration. Additionally, she called for the recognition of VELA's contributions to be included on a future agenda. In her remarks, Ms. Torres highlighted the concluding days of Chicano Heritage Month and shared a passage from Gilbert Gonzalez's book, which focuses on Chicano education and segregation. The book includes a section dedicated to Santa Ana's history, particularly in relation to the Mendez case. Ms. Torres noted that the documented history often mirrors comments she hears about the students in the District. She also cautioned others against making statements that could negatively impact the perception of the District's students.

#### 13. ADJOURNMENT

Having no further business to come before the Board, Ms. Torres adjourned the meeting at 8:10 p.m.

2 BOARD OF EDUCATION

3 SANTA ANA UNIFIED SCHOOL DISTRICT

4 ORANGE COUNTY, CALIFORNIA

5  
6 **Proclamation Declaring National Latino/a/x Heritage Month**

7 **September 15-October 15, 2024**

8  
9  
10 WHEREAS, Latino/a/x Heritage Month, observed annually from September 15 to  
11 October 15, acknowledges the rich history, culture, and contributions of Latin  
12 American communities in the United States and globally; and  
13

14 WHEREAS, this period is historically significant as it marks the  
15 anniversaries of independence from Spain of several Latin American nations,  
16 including Costa Rica, El Salvador, Guatemala, Honduras, and Nicaragua on September  
17 15, Mexico on September 16, and Chile on September 18, with others like Belize on  
18 September 21; and  
19

20 WHEREAS, the recognition of this month highlights the depth of the struggle  
21 for independence, self-determination, and the ongoing resistance against colonial  
22 and neo-colonial forces that these nations have endured; and  
23

24 WHEREAS, the diverse and vibrant Latin American communities in the United  
25 States, including those identifying as Latino, Latina, and/or Latinx, are heirs to  
26 a legacy that is inextricably linked to the resistance against oppression,  
27 colonization, and systemic racism, both historically and in contemporary society;  
28 and  
29

30 WHEREAS, it is critical to engage in a process of reclaiming and redefining  
31 this month through a lens that prioritizes historical truth, acknowledges the  
32 complexity of Latin American identities, and centers the voices and experiences of  
33 those who have been marginalized by dominant narratives; and  
34

35 WHEREAS, Latino/a/x Heritage Month should serve not only as a celebration of  
36 cultural heritage but also as an opportunity to critically examine and address the

socio-political conditions that continue to impact Latin American communities, both within the U.S. and globally; and

WHEREAS, this reclamation effort aligns with the broader struggle for educational and social justice, equity, and the affirmation of the humanity of all people, particularly those of Latin American descent, by challenging the Master Narrative and promoting the Counter-Narrative that highlights the resilience, creativity, and contributions of these communities; and

WHEREAS, this reclamation encourages the SAUSD community to celebrate and provide opportunities for Latino/a/x and all students to nurture and grow their cultural and linguistic heritage as assets; and

**NOW, THEREFORE, BE IT RESOLVED,** that the Board of Education, recognizes September 15 to October 15, 2024, as Latino/a/x Heritage Month, and encourages teachers, other staff members, students and the community to use this opportunity to honor the contributions of our Latino/a/x population.

**BE IT FURTHER RESOLVED,** that this month shall be observed with an emphasis on fostering historical consciousness, encouraging the study and dissemination of the histories, cultures, and contributions of Latino/a/x communities, and promoting dialogues that address the ongoing struggles for justice, equity, and liberation; and

**BE IT FINALLY RESOLVED,** that this resolution serves as a commitment to uplift the voices of Latino, Latina, and Latinx communities, ensuring that their heritage is recognized not as a monolithic culture, but as a diverse and dynamic force that has shaped, and continues to shape, the social, political, and cultural landscape of our society.
