SUPERINTENDENT'S REPORT

Superintendent Almendarez invited all community members to our first Budget Town Hall meeting of the school year on October 5th. SAUSD will have a morning session at McFadden Institute of Technology and an evening session at Century High School. This will be an early opportunity to share our budget process for the 2024-25 fiscal year. We also hope to answer questions and receive comments from our families, staff, and overall community. Future town hall meetings are scheduled for December 19th and March 13th as we continue to develop our budget for the next school year. The Superintendent encouraged all our families and education partners to attend any of these town hall meetings to ensure our community's voice is heard. He also invited all community members to this year's College and Career Community Resource Fair, co-sponsored by SAUSD and the City of Santa Ana. This year's event takes place Thursday, September 28th at the Santa Ana Zoo, from 6:00 pm to 8:00 pm. The free event will include information on 4-year schools, Community Colleges, Career Technical Education, and the military. It will also include free entry to the zoo, raffles, other giveaways, and live entertainment. The Superintendent added that it is never too early to begin planning for both college and careers, so this event is open to all students and families in grades PreK through twelve. Hispanic Heritage Month also begins Friday, September 15th and runs through October 15th. Superintendent acknowledged our Board's approval last month of a proclamation declaring August as Chicano/Chicana/Chicanx Heritage month. This is a time to reflect on those in the Santa Ana community who have made and continue to make rich contributions to our overall culture. September 10th was also World Suicide Prevention Day. Issues dealing with suicide and self-harm must always be discussed openly and without stigma. Through collective action we can all work to address this urgent public health issue. Anyone in the SAUSD community who feels like they may need social-emotional support can always reach out to our schools for support. Also, the new 9-8-8 national crisis helpline is now available 24 hours a day, seven days a week. Superintendent added that there is no shame in asking for help.

Ms. Torres asked if there were any public presentations. Public speakers addressed school police, nutrition, inclusivity, sports events at Carr Intermediate School, OC Grand Jury Report on Students Experiencing Homelessness.
