Individual speakers are allowed three minutes to address the Board on agenda or nonagenda items. The Board may limit the total time for public input on each item to 20 minutes. With the Board's consent, the Board President may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard. **BACKGROUND INFORMATION:**

The purpose of this agenda item is to provide an update of the issuance of the Santa Ana Unified School District 2012 (Measure C) General Obligation Refunding Bonds (the "Refunding Bonds").

**RATIONALE:**

At its August 28, 2012 meeting, the Board authorized the issuance of the Refunding Bonds in order to refund the District's outstanding Series 2002 Bonds originally issued as part of Measure C. As a result of the successful sale, District taxpayers will save approximately \$6.5 million by refunding the outstanding Series 2002 Bonds, which corresponds to a present value savings of approximately \$4.5 million, approximately 23% of the principal amount of the bonds to be refunded. The projected savings translate into an average annual tax levy savings of approximately \$1.06 through 2031-32.

Animals may be brought onto District facilities for educational purposes, subject to rules and precautions specified in administrative regulations related to health, safety and sanitation. Teachers shall ensure that these rules and precautions are observed so as to protect both the students and animals.

Seeing-eye dogs and service dogs may accompany students, and the public as needed (cf.0410- Nondiscrimination in District Programs and Activities). 2. A record of such an impairment.
3. Being regarded as having such an impairment.

Upon receiving a request to reasonably accommodate a qualified individual with a disability, the District will:

1. Determine the essential functions of the job through a review of a job function analysis.
2. Engage in an interactive process with the employee to review the request for accommodation, identify the precise limitations resulting from the disability, identify potential means for providing accommodation, and assess their effectiveness to perform the essential functions of the job.

**ITEM:** Consent

**SUBMITTED BY:** Herman Mendez, Assistant Superintendent, Elementary Education

**BACKGROUND INFORMATION:**

The purpose of this agenda item is to seek Board approval of extended field trip(s) for the school(s) listed.

**RATIONALE:**

The Board recognizes that school-sponsored trips are important components of student development. In addition to supplementing and enriching classroom learning experiences, such trips encourage new interests among students, make them more aware of community resources, and help students relate school experiences to the outside world. The Board believes that careful planning can greatly enhance the value and safety of such trips. All trips involving out-of-state or overnight travel shall require prior approval of the Board. Approval is contingent upon national and international safety and security at the time of the trip.

Board Policy (BP) 6153 and Administrative Regulation (AR) 6153.1 require a parent waiver for school-sponsored trips. Trained staff will be employed by the hosting organization and will provide 24-hour supervision to the students. Parents have given permission for students to attend the trip under this provision. No eligible student will be denied the opportunity to attend.

**RECOMMENDATION:**

Approve the extended field trip(s) in accordance with Board Policy (BP) 6153 – School-Sponsored Trips and Administrative Regulation (AR) 6153.1 – Extended School-Sponsored Trips.

**BACKGROUND INFORMATION:**

The purpose of this agenda item is to seek Board authorization to obtain Request for Proposals (RFP) for the lease of copier equipment Districtwide.

**RATIONALE:**

At its March 25, 2008 meeting, the Board approved the award of a contract to Xerox Corporation for the lease of copiers Districtwide for a period of sixty months. This lease expires on March 31, 2013.

In December of 2007, the Board authorized staff to obtain bids for a 60-month lease/purchase of copiers. At the suggestion of legal counsel, the District solicited formal RFP/Bids only from copier vendors that hold a current California Multiple Awards Schedule (CMAS) contract for multifunction copiers. CMAS pricing establishes a base maximum amount that a supplier can charge the District. In addition, services are an allowable purchase under CMAS, including dedicated service technicians.

Three bids were submitted by potential suppliers: Xerox, Konica Minolta, and Danika. A weighted criteria was used in the evaluation of the proposals, including technical compliance, price, company strength and experience, administrative compliance, and oral presentation.

Staff has found that the requirement that a responding vendor must have a current CMAS contract although convenient, does tend to limit the pool of responding vendors and thus will be removed as a requirement from the upcoming process.

Not Applicable

**RECOMMENDATION:**

Authorize staff to obtain Request for Proposals for lease of copier equipment Districtwide.

**ITEM:**                   **Action**

**SUBMITTED BY:** **Michael P. Bishop, Sr., CBO, Deputy Superintendent, Operations**

**PREPARED BY:**   **Mavis Mitchell, Financial Coordinator, Charter Schools**

**BACKGROUND INFORMATION:**

The purpose of this agenda item is to seek Board ratification of the Amendment No. 1 to Charter Facilities Agreement with the District and Templo Calvario Community Development Corporation, a California non-profit public benefit corporation, which operates Edward B. Cole Sr. Academy, a California public charter school.

The District and Templo Calvario Community Development Corporation entered into a Proposition 39 Facilities Use Agreement dated April 12, 2011, whereby the District allows use of the District's property located at 333 E. Walnut Street in Santa Ana by Templo Calvario Community Development Corporation for the operation of the Edward B. Cole Sr. Academy. However, the original agreement established an option for the District, in its sole discretion, and the Charter School, by written request, to extend the term of the original agreement.

The Board of Education is asked at this time to approve an amendment to extend the term of the Agreement, contingent upon the renewal of the current Edward B. Cole Sr. Academy charter which expires June 30, 2013. The amendment would extend the Facilities Agreement until June 30, 2014, and specifically update the Term, Extension Option and Pro Rata Share sections of the Agreement. All other terms and conditions of the Agreement will remain in effect.

**RATIONALE:**

Subsequent to the amendment inherent and pursuant to Section 8 of the original agreement, the drafting and execution of a second amendment is required to specifically update the Term, Pro Rata Share and Extension Option sections of the Agreement.

**FUNDING:**

Not Applicable

**RECOMMENDATION:**

Ratify Amendment No. 1 to the Charter Facilities Agreement between Santa Ana Unified School District and Templo Calvario Community Development Corporation for Edward B. Cole Sr. Academy.

The Parties agree that the total square footage subject to the Agreement is Nineteen Thousand Three Hundred Thirty-Nine (19,339) square feet for the 2012-2013 academic year. Thus, the total pro-rata cost for the 2012-2013 academic year is Twenty Seven Thousand, Four Hundred Sixty One Dollars and Thirty Eight Cents (\$27,461.38) (“Total Pro-Rata Cost”)

4. **Binding Effect; Partial Invalidity.** This Amendment shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and assigns. 5. **Full Force and Effect; No Other Amendments.** The Agreement is hereby modified with respect to the terms set forth herein only, and any other portion thereof as necessary to implement the foregoing. Except as specifically set forth in this Amendment, the language of the Agreement and the previous Amendments and Attachments shall remain unmodified and in full force and effect as executed by the Parties.

6. **Counterparts.** This Amendment may be executed and delivered in any number of counterparts, each of which so executed and delivered shall be deemed to be an original and all of which shall constitute one and the same instrument.

7. **Inconsistencies.** In the event of any inconsistency between the terms of this Amendment and those of the Agreement, the terms of this Amendment shall control.

**IN WITNESS WHEREOF**, the Parties have, by their duly authorized representatives, executed this Amendment, in duplicate, as of the Effective Date set forth above, and agree that this Amendment shall constitute binding modifications to the Agreement.
