SUPERINTENDENT'S REPORT

Dr. Meléndez greeted all present.

Dr. Meléndez announced recent events of a former teacher and a current high school student who were arrested on separate occasions. She commended the Santa Ana Unified School District Police Department for working collaboratively with outside agencies on both arrests. Dr. Meléndez stressed that the safety of students is the highest priority, and the District will remain vigilant in working with the community to provide a safe and secure learning environment in and around school sites. The District has an incredible team that works together in conjunction with other departments inside and outside of the District to ensure that students are kept as safe as possible.

Dr. Meléndez congratulated Chief Valentin and School Police Services for being honored with a Community-Policing Award presented by the Orange County Human Relations Council. The award is presented to departments that develop creative ways to provide outstanding service in a way that builds and strengthens relationships with the communities they serve.

Dr. Meléndez recognized all teachers, support staff, and classified employees on behalf of the Board of Education and the entire school District. In appreciation and admiration, Dr. Meléndez invited Susan B. Mercer, President of the Santa Ana Educators Association, and Michael Leon, Chapter 41 California School Employees Association Labor Relations Representative, to the lectern.

Dr. Meléndez acknowledged Adriana Sanchez, Mark Ornelas, Jose Vaca, Gloria Lopez, Victor Sanchez, and Dorothy Hinshaw for being recognized by the Orange County Department of Education as Classified Employees of the Year.

Dr. Meléndez was pleased to congratulate four outstanding teachers; Martie Lubetkin, Support Services Teacher of the Year; Patricia Banuelos-Perez, Districtwide Elementary Teacher of the Year; Anne Menaldo, Districtwide Intermediate Teacher of the Year; and Todd Harvey, Districtwide High School Teacher of the Year.

Dr. Meléndez stated that last month, a committee from the Western Association of Schools and Colleges (WASC) visited Saddleback High School. Principal Robert Laxton, staff and teachers have embarked on an aggressive change of agenda to help accelerate students' learning and achievement. They've identified several areas that require special attention; including helping their long-term English learners attain academic proficiency and raising students' achievement in higher-level math. The visiting committee from WASC noted numerous positive trends, including the fact that pacing guides and benchmark tests ensure that all Saddleback students have equal access to the entire curriculum. The committee confirmed that Saddleback's action plan contains the steps necessary to help the school achieve its important goals.

Dr. Meléndez was pleased to announce that US News released their rankings of the Best High Schools in the nation. Both Segerstrom High School and Godinez Fundamental High School received Silver Medals, with Segerstrom placing $116^{\rm th}$ and Godinez $141^{\rm st}$ in the state. California had more than 500 schools ranked among the best in 2012, including 97 Gold Medal schools and 301 Silver Medal schools. The rankings are based on how well students performed on State assessments.

Dr. Meléndez concluded with good news; in April, SAUSD was one of just eight Orange County school districts to receive a grant from the Orange County Arts Education Collaborative Fund. The funds were made possible by funding from The Boeing Company and the Orange County Community Foundation. Grants are awarded only to districts like SAUSD that have adopted a formal arts education plan.
