RULES OF CONDUCT FOR PROFESSIONAL EDUCATORS

Title 5, Article 3. Rules of Conduct for Professional Educators.

80331 - General Provisions

(a) These rules are binding upon every person holding a credential or any license to perform educational services under the jurisdiction of the Commission on Teacher Credentialing, and the consequences of any willful breach may be revocation or suspension of the credential, or license, or private admonition of the holder.

(b) Nothing in these rules is intended to limit or supersede any provision of law relating to the duties and obligations of certificated persons or to the consequences of the violation of such duties and obligations. The prohibition of certain conduct in these rules is not to be interpreted as approval of conduct not specifically cited.

(c) These rules may be cited and referred to as "Rules of Conduct for Professional Educators".

(d) The Commission shall complete a study of the effect of these rules and present its findings to the Governor, the Legislature, and the State Board of Education no later than September 1, 1989.

(e) As used in these rules:

(1) "Certificated person" means any person who holds a certificate, permit, credential, or other license authorizing the performance of teaching or education-related service in grades K through 12 in California public schools.

(2) "Professional employment" means the performance for compensation of teaching or other education-related employment in a position for which certification requirements are set by law.

(3) "Confidential information" means information made confidential by Section 35301 of the Education Code; or, information which was provided to the certificated person solely for the purpose of facilitating his/her performance of professional services for or on behalf of the person or employer providing such information.

80332 - Professional Candor and Honesty in Letters or Memoranda of Employment Recommendation

(a) A certificated person shall not write or sign any letter or memorandum which intentionally omits significant facts, or which states as facts matters which the writer does not know of his/her own knowledge to be true relating to the professional qualifications or personal fitness to perform certificated services of any person whom the writer knows will use the letter or memorandum to obtain professional employment nor shall he/she agree to provide a positive letter of recommendation which misrepresents facts as a condition of resignation or for withdrawing action against the employing agency.
(b) This rule has no application to statements identified in the letter or memorandum as personal opinions of the writer but does apply to unqualified statements as fact that which the writer does not know to be true or to statements as fact that which the writer knows to be untrue.

80333 - Withdrawal from Professional Employment

(a) A certificated person shall not abandon professional employment without good cause.

(b) "Good cause" includes, but is not necessarily limited to, circumstances not caused by or under the voluntary control of the certificated person.

A certificated person shall not:

(a) Use for his/her own private gain or advantage or to prejudice the rights or benefits of another person any confidential information relating to students or fellow professionals;

(b) Use for his/her own private gain or advantage the time, facilities, equipment, or supplies which are the property of his/her employer without the express or clearly implied permission of his/her employer;

(c) Accept any compensation or benefit or thing of value other than his/her regular compensation for the performance of any service which he/she is required to render in the course and scope of his/her certificated employment. This rule shall not restrict performance of any overtime or supplemental services at the request of the school employer; nor shall it apply to or restrict the acceptance of gifts or tokens of minimal value offered and accepted openly from students, parents or other persons in recognition or appreciation of service.

88035 - Performance of Unauthorized Professional Services

A certificated person shall not, after July 1, 1989:

(a) Knowingly, accept an assignment to perform professional services if he or she does not possess a credential authorizing the service to be performed; unless he or she has first exhausted any existing local remedies to correct the situation, has then notified the county superintendent of schools in writing of the incorrect assignment, and the county superintendent of schools has made a determination, within 45 days of receipt of the notification, that the assignment was caused by extraordinary circumstances which make correction impossible, pursuant to the procedures referred to in Education Code Section 44258.9 (g) (2) and (3).

(b) Knowingly and willfully assign or require a subordinate certificated person to perform any professional service which the subordinate is not authorized to perform by his or her credential or which is not approved by appropriate governing board authorization, unless he or she has made reasonable attempts to correct the situation but has been unsuccessful, and has notified the county superintendent of schools of those attempts, and the county superintendent of schools has determined, within 45 days of being notified of the assignment, that the assignment was caused by extraordinary circumstances which make correction impossible.
(c) Neither (a) nor (b) shall be applicable in a situation where extraordinary circumstances make the correction of the misassignment impossible.

(d) There shall be no adverse action taken against a certificated person under this rule for actions attributable to circumstances beyond his or her control.

80336 - Performance with Impaired Faculties

(a) A certificated person shall not:

(2) Assign or require or permit a subordinate certificated person to perform any duties authorized by his or her credential during any period in which the superior certificated person knows of his or her own knowledge or is in possession of facts showing that the subordinate certificated person’s mental or intellectual faculties are substantially impaired for any reason, including but not limited to use of alcohol or any controlled substance.

(b) For the purpose of this rule, substantial impairment means a visible inability to perform the usual and customary duties of a position in a manner that does not represent a danger to pupils, employees, or school property. It does not include or mean inability attributable to lack of, or inadequate, professional preparation or education.

80337 - Harassment and Retaliation Prohibited

No certificated person shall directly or indirectly use or threaten to use any official authority or influence in any manner whatsoever which tends to discourage, restrain, interfere with, coerce, or discriminate against any subordinate or any certificated person who in good faith reports, discloses, divulges, or otherwise brings to the attention of the governing board of a school district, the Commission on Teacher Credentialing or any other public agency authorized to take remedial action, any facts or information relative to actual or suspected violation of any law regulating the duties of persons serving in the public school system, including but not limited to these rules of professional conduct.

80338 - Discrimination Prohibited

A certificated person shall not, without good cause, in the course and scope of his or her certificated employment and solely because of race, color, creed, gender, national origin, handicapping condition or sexual orientation, refuse or fail to perform certificated services for any person.

As an employee of the Santa Ana Unified School District, you are not permitted to bring relatives, children, or pets to work with you at any time. Bringing relatives, children, and pets to school is a prohibited and unsafe practice for several reasons:

1. Relatives, children, and pets are a distraction to the employee and take away a staff member’s attention from their duties.
2. Relatives, children, and pets are a liability to a staff member and/or the District as they risk getting injured or injuring others while on District facilities.
3. Bringing or authorizing a relative, child, or pet on an SAUSD campus would be considered outside the scope of employment and any injury or liability ensuing would not be covered by SAUSD.
4. Parents and community members perceive relatives, children, and pets at the work site as a negative issue. They expect that our teachers and employees are at work to serve the children of the community and not their own children, relatives, and/or pets.

We understand that there are certain occasional instances when a relative or child is able to be a great assistance to our schools and employees. Some of these instances include: class parties, school carnivals or special events, fieldtrips, career days, college days, etc. We welcome and invite relatives to assist during these special events with the understanding that these are infrequent and occasional events. Please work with your site or department administrator in order to obtain the appropriate clearance and forms for your relative or child to volunteer for these special events. Pets are never permitted on any SAUSD property or at any school-sponsored event (BP/AR 163.23).

If you need any further clarification or have any questions, please contact Chad Hammitt, Executive Director of Human resources at (714) 558-5859.

EVALUATION PROCEDURES

Purpose

The prime purpose of teacher supervision and evaluation is improved performance. Improvement is a continuous process, and the need for it is never satisfied. Important to the process is the development of self-evaluation by teachers and the initiation of a request for help and consultation. Walkthroughs and formal observation by administrators will be an integral part of each school day at Villa Fundamental Intermediate.

Formal Evaluation

The process outlined by the SAEA-SAUSD Agreement in which classroom teachers are formally observed and evaluated according to Board Policy. Refer to Agreement for policy relating to evaluations in the Santa Ana Unified School District.

All Certificated Teachers

Within the first 25 duty days: submit Goals and Objectives according to the Master Plan or Curriculum Handbook. Administrators may accept or modify the Goals and Objectives.

Goals / Objectives

“No later than the 25th duty day, each unit member shall develop a plan of goals and objectives/tasks for the year which are relevant to the unit member’s assignment and will assist in the achievement of the District and school goals and objectives. Such a plan shall include but not be limited to identification of:

• Needs assessment
• Goals
• Measurable performance objectives
• A plan for implementation
• A monitoring plan including performance indicators
• Methods to be used in evaluating student achievement

(SAEA SAUSD Agreement)

CUMULATIVE FOLDERS

If you need to see a student’s cum folder, please see our registrar. He will be asking you to sign in and out for protocol monitoring. Please remember that cumulative folders **CANNOT** be removed from the front office.

CUSTODIAL SERVICES

The custodian is on a rather rigid schedule, so please send all requests that will take longer than a few minutes for custodial service to Luz Ortiz or Jesse Serrano. We will work your request into his schedule. However, if an emergency arises, he will be more than willing to give you immediate assistance.

DAILY BULLETIN AND MORNING ANNOUNCEMENTS

A daily bulletin will be published on-line. All information in the bulletin must be read each day with appropriate notices to students, even if the notices are repeated from previous days. Most announcements will be made during period 1. Morning announcements will be limited to important information which is time-sensitive that would not be able to be placed in the daily bulletin (e.g. athletic scores). Staff members requesting items to be placed in the bulletin must submit a Bulletin Announcement form by 2:30 p.m. of the day preceding its appearance.

DUPLICATION OF MATERIALS

The copy machines are to be used for instructional materials ONLY. The use of the machine in the Discipline Office is for office personnel ONLY.

Only teachers and authorized staff are to use the copy machines. **DO NOT SEND STUDENTS TO COPY MATERIALS FOR YOU.** They are not authorized and will be sent back immediately if sent.

STAFF MEETINGS

Two staff meetings are scheduled every month on Wednesdays from 1:40 p.m. to 2:40 p.m. When scheduled, all participants are to be punctual and to attend the full length of the meeting unless excused in advance by the administration. Please review page 22. Other Wednesdays are designed for department and grade level meetings.

You are encouraged to generate Agenda items pertinent to the majority of staff members. Leave your name and agenda item request with Luz Ortiz, our Office Manager.

VISITORS

**All** visitors on campus must be cleared through the office. Visitors will be wearing a name tag. Please check all visitors for an office pass. Be sure all guests who speak to your students are cleared through the administration ahead of time.
REPORTING AN ABSENCE

All absences (illness, personal necessity, bereavement, field trip, conference) must be called in to the Substitute Management System (eSchool Solutions) – (714)558-5632. The absence will not be recorded, and a substitute will not be called unless you wait to receive a job number. You also need to notify the office of the absence. If it is more convenient, you may leave a message on Luz Ortiz’s answering machine (714)558-5107.

Absences may be reported to eSchool Solutions to 30 days before the absence starts. The system narrator will lead you step-by-step through the reporting process.

SUPPLIES

When you need supplies verify that funds are available with your department chair. Please pick-up an order form and the warehouse binder from the main office. After filling out the form obtain your department chairs’ signature and return it to the office assistant for final approval. Please plan ahead.

CLASS RECORD HARD COPY

A Class Record Hard Copy should be maintained by each teacher as a backup of student data. It is important to update at least every two weeks (just as we update are Pinnacle Records). Your records should indicate:

- Dates of entry or withdrawal if other than the beginning and end of the semester
- Grades earned on each assignment
- Attendance
- Tardiness
- Grades (academic, citizenship and comments) at the end of each grading period
- Data summaries by period (CST & Benchmarks)

The class record book should contain a key to indicate the individual teacher’s system of grading. (Markings for attendance and tardiness will be consistent school-wide.) See Attendance Procedures.

FUNDS

Do to our budget crisis; we can no longer reimburse staff members on classroom material purchases. If you need specific assistance on supplemental materials, please submit an items request to Renée. Please understand that purchase requests and reimbursements are now being managed at the District Office.

1) Clubs: Please see the office assistant with any questions regarding club expenditures, reimbursements, and record keeping.
CLASSROOM SUMMER WORK ORDER

HEALTH OFFICE PASS
IN STUDENT AGENDAS

It is essential that every student complete the top portion of the “Health Office Pass”, located in their agendas.

This information is vital to our office. It helps us more effectively and efficiently contact and locate parents in medical and emergency situations.

Please take time in your 1st period class to have all students fill out what they know and obtain the rest for homework from their parents or guardians. Every line should be filled in.

Thank you for your assistance in this matter,

The Health Office Personnel
First Aid Kits, Minor Care for Students & Student Information in Agendas

Please take care of your first aid kit. It will be one of the items on your check off list at the end of the school year. We will be more than happy to refill your kit as needed – just let the health office know.

Many times, students need minor care, which can be taken care of in the classroom with the use of your first aid kit and following a few simple procedures. This in turn will help to keep students from missing class time and help eliminate unnecessary visits to the health office.

When a student complains of:

Minor head ache or stomach ache:
1. Permission to rest head on the desk for a few minutes,
2. Get a drink of water or
3. Use of the restroom is often enough to effectively resolve minor complaints when student does not appear to be ill.

Minor Skin abrasions:
1. Encourage students to use the contents in the container before offering to send them to the health office. You’d be surprised how far an antiseptic towlette and band-aid can go.
2. This is a positive step towards good health habits and personal responsibility.

Minor Nosebleeds:
1. The majority of nosebleeds can be controlled by having the child sit with head slightly tilted forward and pinching the nostrils firmly immediately below the bony portion of the nose with a dry paper towel or tissue for at least 5 minutes.
2. Remember to use gloves for universal precautions.

Your discretion and good judgment will be greatly appreciated.

Remember that students have a health office pass in their agendas. It should be appropriately filled out and initiated by you, prior to sending students - Urgent and Emergency situations are exceptions. In the case of an urgent or emergency situation, please call the health office and explain the incident prior to the student’s arrival.

WHAT CAN YOU DO?

TEST BLOOD GLUCOSE

If over 200 mg/dL for several tests or for 2 days CALL YOUR DOCTOR
First Aid for Seizures

- In case of seizure, immediately contact the school nurse or designee
- Cushion head, remove glasses
- Loosen tight clothing
- Turn on side and keep airway clear
- Note the time a seizure starts and the length of time it lasts
- Don’t put anything in mouth
- Don’t hold down
- As seizure ends...
- Offer help

Most seizures in people with epilepsy end without harm after 1 or 2 minutes and usually do not require a trip to the emergency room. But sometimes there are good reasons to call for emergency help:

- Prolonged seizure
- Difficulty breathing after a seizure
- Slow recovery
- Pregnancy or other medical diagnosis
- Repeated seizures on the same day
- Any signs of injury

**TARDY PROCEDURES:**

1. If a student is not in their assigned seat when the bell for class rings, the student is tardy. A Tardy Card needs to be initiated. Students need to fill out the date and sign the card. The first, second, and third tardy is handled by the teacher. Upon the fourth tardy, students are sent to the office to be assigned Central Detention or Saturday School Program. (See card for list of consequences.)
2. Cards will be issued at the beginning of the school year. Students will use the same card for both first and second semester.
3. You will mark students tardy on your IQ Screen. To mark a student absent, please click on the “T.”
4. If student arrives after 31 minutes, he/she is considered Truant/Tardy.

Place the cards in the appropriate counselor or administrator’s box. Students will be sent for when counselors or administrators are available to meet with them. Cards will be returned to you as soon as possible. (Example provided on following page)

FIELD TRIPS AND ASSEMBLIES

- Please DO NOT MARK students absent when they’re attending a field trip.
- If you are planning to go on a Field Trip, please send a list all office staff. Also, make sure that ALL teachers, including the P.E. Dept, receives a list as well.
- Special Ed Teachers: as a reminder, please call the teacher if a student will not be attending their regular class.
- Students are to promptly be released from their classes to fully receive instruction. Teachers who hold students are responsible to give them a pass.

HALL PASSES/OUT OF CLASS:

PLEASE DO NOT SEND A STUDENT OUT OF YOUR CLASSROOM WITHOUT A PASS, REGARDLESS OF WHERE THEY ARE GOING!!!

When an OFFICE CALL SLIP is given to you for a student, PLEASE, PLEASE note the TIME when the student is requested to be in the office. SEND THE STUDENT to the office as is directed on the “call slip”. If a student is being called for at once, and you feel that you cannot send the student immediately, CALL WHOMEVER IS ASKING FOR THE STUDENT (or a secretary) and tell them what the situation is. When sending a student to the office on an errand, write down whom they are to see and for what they are to ask. (Students get mixed up by the time they are to verbalize your needs…so please help us.)

UNRESOLVED ABSENCES

Students are expected to resolve absences at the attendance office prior to period 1. If a student has an unresolved absence, the student did not report to the attendance office. Please send the student immediately to the attendance office.

Teachers should emphasize to their students that good attendance provides a greater opportunity for academic successes. A consistent teacher-supported attendance procedure is important to all of us. Teachers appreciate common support in a school-wide attendance program and parents appreciate a policy of consistency as well.
TRUANCY

Definition of Truancy: Failure to attend an assigned class or classes without consent of parent/guardian or school official. A Saturday School will be given to the student who is truant during any part of the school day. Teachers are to immediately report a suspected truancy to the attendance office.

TARDINESS

Definition: A student who is not in his/her seat and ready for instruction at the time the tardy bell begins to ring.

1. Tardy to school

Students who arrive late to school must sign the tardy card from their 1st period teacher. (This procedure applies to the first fifteen minutes, during 1st period.) If a student arrives after 31 minutes, he/she is considered Truant/Tardy and must report to the attendance office.

2. Tardy to class

Each teacher will maintain a record of tardiness for students of each class. The record should be kept current and the specified action taken. Tardies are accumulated on an annual basis.

NOTE

TEACHERS & STUDENTS MUST BE IN CLASSROOM WHEN BELL RINGS!!!!!!!
REFERRAL OF STUDENTS

Teachers are responsible for maintaining good discipline in their classes. If, however, a teacher finds it necessary to refer a student to a counselor or administrator, it would be helpful to send a summary of prior action by the teacher. **STUDENT CONDUCT TO AND FROM SCHOOL**

“Every teacher in the public school shall hold pupils to a strict account for their conduct on the way to and from school, on the playground, or during nutrition.

**SUPERVISION**

Corridor duty is an extremely important responsibility and depends upon the alertness, punctuality and cool demeanor of the teacher for its success. Active circulation is necessary.

**IT IS THE PROFESSIONAL RESPONSIBILITY OF ALL TEACHERS TO ASSIST IN MAINTAINING ACCEPTABLE CAMPUS BEHAVIOR.**

**NO CLASSROOM OR GROUP OF STUDENTS SHOULD BE LEFT UNSUPERVISED AT ANY TIME!!!!!!!**

Should an accident occur when children are under your care and negligence in supervision can be proved, you become legally liable for the incident. If it becomes necessary for you to leave your classroom at any time when students are in the room, ask the teacher next door to cover for you. It is best to call the office and relief will be sent immediately. Under no circumstances should children be left alone in their rooms unattended by a staff member—this includes before school, break, lunch and after school.

- Room 307 will be used for Saturday School. If there is an overflow, room 306 may be used.

- Keys are to be picked up on Friday from Luz. There will be three keys available—keys for room 307, 306 and the bathrooms. You may enter the building through the door located outside room 307.

- Lesson plans have been created for The 7 Habits of Highly Effective Teens. Please pick up the lesson plan folder and attendance roster from Gloria on Friday.

- Dress code is required. If a student is out of compliance, notify parents to either bring the appropriate clothes or pick them up.

Central Detention
Procedures

To: Certificated Staff
From: Myrna Aceves

Please find attached a schedule for Central Detention supervision for the first semester. Everyone has been assigned to one day of supervision. Please make your own arrangements to switch with a colleague and if there is a conflict, please notify Gloria, Discipline Secretary.

The procedures are fairly simple and may be outlined as follows:

- A Central Detention List will be delivered to you by Discipline Secretary Gloria during 7th period.
- Central Detention runs from 2:35 until 3:20
- Detention must be held in room 203. You will need to be there by 2:35.
- Students will enter the room with a call slip.
- Collect these call slips and use them to take attendance. If a student doesn’t have a call slip, find their name on the Central Detention list (if not listed, please add it to the list).
- When taking attendance place a check mark on the no show or show box.
- Please do not read aloud the list of names, because this is inefficient and allows students to hear names of students who have not shown up.
- Staple these call slips to the attendance list and return the list to the Discipline Secretary at the end of the session.
- Students are to use the 45 minutes for working on their assignments, and are to do so quietly.
- Students are to wear their school clothes (not PE clothes). All Villa rules (i.e. tucked shirts, etc.) still apply.
- Students are only assigned to Central Detention by counselors or administrators.

The vast majority of students have been assigned for missing homework assignments. It is helpful for you to circulate throughout the room to monitor their work. Feel free to assist students if you wish.

Thank you in advance.
REPORT OF INCIDENT

If a student needs to be referred to the office, (see “Referral of Students” section), a Report of Incident Form needs to be completed.

When filling out an incident report please note the following:

- Fill out the form completely. Take the time to write the correct student identification number and grade.
- Write your name in the box for Teacher’s Signature legibly
- Circle whether it is a counselor referral or administrator referral (see “Referral of Students” section)
- When writing the explanation use only the FACTS AND LANGUAGE USED NEEDS TO BE NON-JUDGEMENTAL. Do not add judgmental comments or actions you think the counselor or administrator should make. If you don’t know what may have happened attempt to investigate further in order to write the facts rather what someone told you or what you think happened.
  Be careful when checking fighting. If students are throwing fists or slapping etc.. in anger, that is fighting. If students are pushing each other, such as in horseplay, this is not fighting. This would be considered “roughhousing”. This is important to remember since fighting can result in suspension.

PHONE CALLS TO PARENTS

It is important that you keep a record of your parent phone calls.

   Situations may occur in the future and a reference to your phone call could be extremely valuable!

   Forms are available in the front office. Keep the original (white) copy of the Home Phone Call form and give the remaining copies to the Discipline Secretary at the Discipline Desk.

Weekly Progress Reports

Students in danger of failing will be placed on a weekly progress report by either a counselor or an administrator.

The following are guidelines for filling out the card:

  Standards Based: Look at the standards based assessments (Benchmark and Common Assessments). Add in the score and type of assessment.
  Academic: Look at all grades received for the current week. Get an approximate grade average for that week.
  Citizenship: Review the student’s citizenship for the current week and place a 5, 4, 3, 2, or 1 in the space provided.
FIELD TRIP PROCEDURES

Field trips should be planned and scheduled during the first two months of the school year and all arrangements made immediately following approval. Field trips must be submitted to the school principal FOUR (4) WEEKS IN ADVANCE.
(AR 6135, 4.0)

CRITERIA FOR STUDENT PARTICIPATION IN A FIELD TRIP**

- You may set criteria for field trip participation; however, let Renée know the criteria as soon as it is set and prior to parent and student notification.
- Citizenship grades may be used as a criterion for participation.
- Participation may be limited to those in the particular club or organization, participation in fund raising activities, etc…

CLUBS / ORGANIZATIONS

One great opportunity for students to get involved with developing a strong connection to the school is by being a member of a school-sponsored club or organization. This is also a great way for teachers to have positive interaction with students as well.

If you are interested in continuing or starting a club at school, you need to submit a CLUB/ORGANIZATIONS APPLICATION to Renée. No group of students may organize as an official club before ASB approves their club charter. A staff advisor is required for any student club.

Daily Bulletin Announcements:

All Student Council and club/organization announcements must go through Renée for approval before they are put in the daily bulletin.

Make sure that your announcement is specific as to what, where, and when (date and time)

Club Meetings:

Use the daily bulletin to advertise your club meeting dates and time. Club meetings are usually held after school.

Club Events, Activities, and Fundraisers:

All club events, activities, and fundraisers must be approved by administration and ASB at least 4 weeks before the event date. Prior notification and request is needed in order to place the event on the Master Calendar. Please fill out the event or fundraiser request forms and submit it to the ASB advisor.

TEACHER COURSE SYLLABUS
Villa Fundamental will strive to communicate with all learners and stakeholders. Providing students and parents with a course syllabus will set the high standards we have for all learners. The course syllabus will highlight the goals and objective of the course, its grading and homework policies, and teacher rules and expectations. All teachers are to submit a copy of their syllabi to Mr. Swanson by the second week of September and to download them onto the Villa website parent portal.

GRADING PROGRAM
Villa Fundamental has a unique grading program for all students. Students will receive three types of grades in every class each grading period:

Standards-Based Grades: This grade will be based on a limited number of standardized common assessments to predict how well the student will perform on the California Standards Test.

Student Performance: This grade will be based on all other assignments that students are expected to complete for a given class. This grade will also include teacher assessment of a student’s effort within the class, homework completion, and other teacher-made tests and assignments.

Classroom Behavior: This grade will reflect the students’ behavior in class and will reflect factors such as participation, readiness to learn, cooperation, following class rules, attendance and punctuality.

A minimum of one grade per week per student should be placed in the teacher’s record hard copy.

HOMEWORK POLICY
Homework is an integral part of the fundamental school program. Successful completion of homework demonstrates student understanding, responsibility, maturity and organization. Responsibility for completion of homework is shared among the school, parent and student. It is the school’s responsibility to assign the homework in an understandable and clear format, the parents’ responsibility to monitor and provide the environment for homework completion, and the student’s responsibility to neatly complete the homework, according to instructions. Although there are opportunities to complete homework in the after-school homework centers at school, all students should have a formalized nightly quiet time at home in which they read silently or complete homework.
Goals

- Students will develop a homework “ethic”, which includes time management, responsibility, and appreciation for learning.
- Assignments will incorporate enrichment, extension and application of class work.
- Homework will provide practice in time management and working independently.
- Parents will demonstrate support and involvement by providing a suitable environment for the completion of homework.

Students Will:

- Write all assignments in a Daily Agenda Notebook and ask for clarification if needed.
- Complete and turn in, on time, their homework assignments.
- Organize time/study habits to complete long-term projects on time.
- Meet with the teacher to arrange a due date for missed class work and homework if students are absent.
- Review all completed homework listed on the calendar with a parent. Parent will indicate that they have reviewed work by initialing the Agenda on Monday.
- Be required to sign a homework card for missed homework.

LESSON PLANS

Planning is acknowledged to be one of the most influential factors in successful teaching.

Evidence of long range, weekly, and daily planning is a factor reviewed as part of the evaluation process. **Up-to-date, explicit lesson plans and seating charts shall be available at all times. They should be in teachers’ desks or faculty mailboxes should it be necessary for substitutes.**

Lesson plans should include specific objectives, content standard being addressed, provision for review, reinforcement, and evaluation of student understanding and progress.

A set of “emergency” lessons should be on file in the office and should be updated immediately if there was a need to use them.

If you will be faxing or emailing your lesson plans, please make to call the main office and speak to either Luz Ortiz or the office assistant.

MEETING CLASSES

All TEACHERS SHOULD BE AT THE DOOR OF THE CLASSROOM TO GREET STUDENTS AS THEY ENTER. This practice will provide visibility and assist with supervision during passing periods.

PLANNING PERIODS

Planning lessons, speaking with parents, and other related educational activities must comprise the majority of this time. Teachers are not to leave campus during their planning periods except in case of emergency and only with the approval of the principal. (Refer to Work Day-SAEA-SAUSD Agreement.)
**SEATING CHARTS**
Each teacher should have up-to-date seating charts for each class. Charts should be kept in or on the teacher’s desk in each room where the class meets so that they are easily available for substitute teachers.

**SUGGESTIONS FOR PREVENTING TARDINESS:**

It has been observed that teachers successful in preventing excessive tardies have used the following methods:

a. Teachers stand at their door prior to the tardy bell ringing.

b. They begin their presentations or classroom routines immediately and consistently each period each day. (This becomes a reputation with their students.)

c. Some teachers have found a dynamic, exciting, or unusual start to some lesson helps avoid tardiness.

d. Some teachers throw in an occasional quiz at the beginning of the period. It is a legitimate quiz of the previous lessons, not usually an extremely difficult quiz, and it profits the students both instructionally and grade-wise to be there promptly and take advantage of the question.

**DISCIPLINE**

A positive school discipline program will be an integral part of the total school environment. Good discipline is tantamount to academic success and character development.

Consistent discipline should be both “ASSERTIVE” and “PROGRESSIVE” in nature, with the burden of responsible citizenship focused upon the student.

Pupils will be held accountable to the school’s Code of Student Conduct. Acceptable classroom behavior should be delineated to pupils and should be consistently enforced by all teachers. It is expected that teachers will assume an active role in the overall school discipline program and attempt to remediate pupil problems prior to referral. Persistent, serious, or intolerable actions by students will require involving an assistant principal or principal.
TEACHER DISCIPLINE PLANS

Each teacher is responsible for establishing and maintaining an environment conducive to learning for all pupils.

a. A discipline plan for the classroom is to be established. The plan will include a hierarchy of consequences for classroom rules infractions.

b. A “severe clause” will be included to cover instances of severe infractions of rules dealing with physical safety, property, damage, and/or willful disobedience.

c. Consequences should be given in the classroom and parents should be contacted before or after the student is sent to the office.

d. Establishing Positive Consequences

   1) Catch kids being good – Being in full (expected) uniform
   2) Give of yourself – your time, a smile, verbal praise
   3) Celebrate kids’ successes in learning
   4) Complimentary note or phone calls to parents.
   5) Awards or certificates
   6) Special privileges.
   7) Home follow through for positive notes or phone calls.

Disciplinary Referrals

a. When a student has been referred to an assistant principal or a counselor, the teacher shall:

   1) Notify the assistant principal or counselor’s office by a written report (Pupil Referral Form). It should clearly and concisely describe the infraction with ONLY THE FACTS. Do not state opinions or suggestions on what consequences to give.

   2) Confer with the assistant principal or counselor as soon as possible and re-admit the student to class when the re-admittance has been discussed.

   3) See Guidelines for referrals to assistant principal and counselors.

b. Severe Infraction

   Definition: Acts which are sustained and hamper the educational climate and are beyond the reasonable control of the teacher in a classroom setting. Examples: constant class disruption, defacing/destroying school property, obscene language, stealing, defiance, possession or use of drugs, alcohol, or tobacco, threatening another student, fighting, weapons.
Send students directly to the office with a Pupil Referral Form. Another student may be required to bring the form to the office. If unable to send written referral with the student, call the office to alert personnel.

**Teacher Interventions for Problem Students**

If a problem has been persistent, but not of a serious nature, the teacher is expected to have done the following before referring the students to the office:

a. Communicate with the student regarding the misconduct placing the emphasis on isolating the problem and generating solutions to the problem. (For a problem that has been persistent, any communication with the student about the misconduct should be recorded noting the date, incident, and resolution. This information may become valuable when meeting with the parents.)

b. Use appropriate, corrective measures, which might include:

   1. Reinforcing positive behavior and administering consistent consequences for negative behavior.
   3. Changing the seat in the classroom.
   4. Isolation, or time out, in the classroom
   5. Having students write a letter to their parents explaining the infraction. Parent should sign it and student should return it to the teacher. Save the letter in their discipline file
   7. Serving a teacher detention.
   8. Holding a parent/teacher conference – upon your request the assistant principal or counselor may sit in on the conference.

c. Holding a conference with the counselor and / or school psychologist. He / she can assist in developing behavioral contracts.

d. Holding a conference with the assistant principal or counselor.

e. Seeking out advice/suggestions from other teachers.
IT IS HIGHLY RECOMMENDED THAT FREQUENT CONTACT BE MADE WITH PARENTS TO KEEP THEM INFORMED OF THE POSITIVE AS WELL AS THE NEGATIVE.

Disrespect to Substitutes
If students cause trouble, returning teachers shall do one or more of the following:

a. Call parents at work or at home.

b. Have student(s) who have been disrespectful write letters to parents stating extent of disrespect, have parent sign letter and return.

c. Hold detention after school (contact parent if after school).

d. Counsel the student.

e. Take the student to the phone and have him/her call parents.

f. Have student(s) write a letter of apology to the substitute.

If students repeat disrespectful behavior after the above procedure has been followed, the returning teacher shall make out a referral and send it to the office for follow-up.

Only refer students to the office if the behavior interferes with continuing instruction. Please refer to page 45.

FIRE DRILL

The following outlines the “Fire Drill” procedure that should be followed in the event of a fire or the sounding of the fire alarm. At the sound of the fire bell, please do the following:

1. Teachers and students should be out of the room within 60 seconds.
2. The teacher is the last person to leave the room.
3. Turn off all the lights.
4. Classroom door should be closed and unlocked.
5. Take your class roster with you.
6. Students are to proceed in an orderly and quiet manner.
7. Classes are not to return to the room until the “all clear” is given by administration.
8. Take roll and report all missing students to administration (Command Post).
Villa Fundamental Intermediate School

LOCK DOWN PROCEDURES

The following outlines the "Lock Down" procedure that should be used in the event of a serious disturbance on or adjacent to the campus. Lockdown is an Immediate Response Action employed to safeguard students and staff when there is an armed predator approaching the campus, on campus, or in the school. Lockdown is employed to keep people away from a violent predator while law enforcement engages the suspect. During LOCKDOWN, students are to remain in the classrooms or designated locations at all times.

The office will announce that there is a "LOCKDOWN" procedure in effect.

If students are in classes -
- Teachers will LOCK all doors and windows. All students and the teacher will remain in the classroom area until further notice.
- Teachers will instruct students to lie on the floor, lock the doors, and close any shades or blinds and/or cover windows.
- Students and teachers should stay away from the windows.

- Teachers should take attendance and check with the office to confirm whereabouts of missing student(s).
- Teachers should not open the classroom door to anyone.
- And teachers remain in class until the announcement is made that "CODE VILLA" has ended OR Law enforcement officials evacuate students/staff.

If students are at outside -
- Students proceed to the nearest safe building (Gym, Library, Dance Room) and remain there until the signal indicating that the "LOCKDOWN" has ended.
- Students are NOT permitted to use a classroom phone or cell phones during a lockdown. Lines need to be free for emergency responders.
- Allow no one outside of classrooms until the Incident Commander gives the all-clear signal.
- If the fire alarm goes off, do not evacuate unless you see smoke or fire. The predator may use the fire alarm to get access to people.
Villa Fundamental Intermediate School

DUCK AND COVER PROCEDURES

The following outlines the "Duck and Cover" procedure that should be used in the event of an earthquake. A "duck and cover procedure" means an activity whereby each student and staff member takes cover under a table or desk, ducking to his or her knees, with the head protected by the arms, and their back to the windows.

During the earthquake
  o At first sign of shaking, adults should give the Duck and Cover command.

If students are indoors:
  o Do not run outside immediately.
  o Get under a desk or table. Otherwise, stand next to an inside wall or under an inside doorway.
  o Stay away from computers, televisions, stacks of books, file cabinets, and other heavy objects.
  o Get as far away from windows, mirrors and other glass as much as possible.
  o DUCK AND COVER heads with arms and hands. Teachers will instruct students to duck and cover with their backs to the window, place their heads between their knees, and cover their heads with arms and hands. Close eyes tightly.
  o Do not rush to elevators. Elevators are likely to have stopped operating.
  o Teachers should calmly direct students to their line-up area, taking their red emergency backpack with them.

If students are outdoors:
  o Do not run inside immediately.
  o Direct students away from buildings, trees, poles and wires. Stay in the open.
  o Call Duck and Cover command—students and staff should cover as much skin surface as possible, close eyes and cover ears.
  o Beware of fires, downed utility lines, and aftershocks.

**Teachers with a prep period will report to command center.**
