

What is Dual Enrollment?

Dual Enrollment courses allows high school students to take college classes while they are still enrolled in High School.

Benefits of Dual Enrollment

- Simultaneously earn college and high school credit
- Makes you a more competitive applicant for college applications
- Save money on total college cost after high school

Things to Consider

- Grades will be reflected on both high school and college classes
- Grades will have an impact on both high school and college GPA
- Courses will be challenging, they are college courses
