The topic outline for Calculus BC includes all Calculus AB topics. Calculus BC is an extension of Calculus AB rather than an enhancement; common topics require a similar depth of understanding. Both courses are intended to be challenging and demanding. Calculus AB and Calculus BC are primarily concerned with developing the students' understanding of the concepts of calculus and providing experience with its methods and applications.

Mathematics is a fundamental skill that all students need to attain.

In order to be successful and achieve these skills, students are expected to:

1. Attend class daily and be on time.
2. Take notes.
3. Do all required homework.
4. Participate in class.
5. Follow all school rules.

Suggested Materials for Success:

1. Binder [1 inch] with 10 dividers
2. Lined Paper and Graph Paper
3. Pencil, color pencils & Highlighters **-All work should be done in pencil.**
4. Red Pen **-For Corrections**
5. Graphing Calculator

Cell phone Policy:

Cell Phones are **NOT allowed**, they must silence or turn them off and leave them in the designated area. If a student is using their phone, air pods or apple watch in class it will be confiscated, returned at the end of the day, and they will be assigned detention.

Grading policy:

The semester grade is cumulative. Student grades will be based on the following:

Tests, Quizzes, Classwork, and Homework

Homework will be given **daily** to ensure students practice concepts.

It is the responsibility of the student to make-up any missed assignments before the end of the unit.

If a student is absent on a Test day, they will have **2 school days** to make up a missed Test.

Students are strongly recommended to attend tutoring.

Please check your son or daughter's grade regularly.
