Classroom Expectations

Within our math classroom, I expect students to:

1. Arrive to class on time, prepared, and ready to work.
2. Have all materials out on their desk and ready for class.
3. Be respectful, when the teacher or a fellow classmate is talking.
4. Always try their best and ask questions.
5. Follow the new cell phone policy.

Supplies for class

Each student is expected to bring the following to class:

- 3-ring binder for math notes
- Loose-leaf lined paper and graph paper (in binder)
- Agenda (Provided by the school)
- Pencil and eraser - **No work will be accepted in pen!**
- Pen - To write your name and title of the assignment

The following are recommended supplies:

- Scientific Calculator
- Colored Pens
- Highlighter

Grading Policy

Each student's class grade is based upon a variety of in-class activities, homework assignments, quizzes, tests, and a final exam. **Homework will be posted in Google classroom and collected in class the next day.** If you have questions, please ask! Students are encouraged to work together on their homework assignments, but **all work must be each individual student's work**. No copying or cheating homework will be accepted! Late work will be accepted only through the day of the chapter test (must be turned in by 3:22pm). All work is expected to be organized and easy to read. Label each assignment, **in pen**, with your name, the date and title, so it is easy to identify.

If a student is absent for a chapter test, a make-up test will be given within **two** days after their return, during after school office hours. Contact your teacher to schedule the appointment. **No** make-up quizzes (**your unit test score will replace any missing unit test**). If a student is absent, it is their responsibility to meet with the teacher to get any missing work.

Academic Honesty

All classwork, homework, projects, quizzes, tests, and final exams must be completed to the best of your ability. Although this is a tough class, please make sure that the pressure of this class does not force you into behavior of academic dishonesty. If behavior of academic dishonesty occurs, your teacher will contact the Assistant Principal and will have a conference with your parent/guardian.

Signatures due August 19, 2022. Please cut off the bottom and only turn in the signed portion.
