

## Carver Elementary School

May 30, 2019

Dear Carver Families,

Thank you for another fantastic school year. A special thank you to all of our parents for their flexibility during our first phase of construction. Our new building is underway! This summer you should see a lot of progress with the new building, demolition of our current lunch shelter, and a parking lot expansion. Completion of this phase of construction is scheduled to be complete in February 2020. To begin the school year, our drop off and pick up procedures will be the same. Students will be dropped off on 5<sup>th</sup> street in the morning and walk to the breakfast line. After breakfast, TK-2<sup>nd</sup> grade will report to the auditorium and third and fourth grade students will report to the blacktop. Both areas will have supervision until teachers pick up their students.

A special "Thank You" to our PTO for all of their fundraising and support this year. This year our PTO helped fund Meet the Masters (\$2000), grade level field trips, student incentives such as Reading Rocks and Perfect Attendance T-Shirts, popsicles, pizza and ice cream parties, and so much more! Our school benefits from this incredible support!

The progress students have made could not occur without the endless energy, skills and devotion of the Carver staff. Thanks and *well done* to an incredible group of professionals.

A final word to our Carver students: Thank you for all your hard work throughout the school year. I am honored to be your principal; you make me proud to be a Carver Comet. I am grateful for your joy, hard work and amazing talents.

For our new and returning students, school will begin on Monday, August 12, 2019. Our office will be open beginning July 31, 2019 from 7:30-3:00. Class lists will be posted August 9, 2019 on the front gates only.

Have a Wonderful Summer!

Mrs. Ahvari
