PRESIDENT'S MESSAGE

Welcome to Santa Ana College! We are excited that you made the decision to join our community of learners. Your decision to expand your knowledge and strengthen your skills, at Santa Ana College, will change your life. For more than 100 years, Santa Ana College has been committed to student success. Whether you join us as a recent high school graduate, or a working professional returning to acquire more knowledge or learn new skills, in a college setting, we welcome you. We have many pathways available to help you earn a Workforce Education certificate, an Associate Degree for Transfer, Associate of Arts, Associate of Science Degree or a Bachelor's degree in Occupational Studies. We are here to help you clarify your path of study, enter your path by enrolling in classes, stay on your path through completion and ensure you are learning along the way!

As we continue to construct new facilities to ensure you are learning in the most up to date facilities, we appreciate your patience and understanding. Though our aesthetics are changing, our academic programs and support services continue to evolve to meet the changing needs of all students. Our programs are strong and I encourage you to utilize the variety of resources we offer, as often as you can. Welcome, again to our community of learners!

Warm Regards,

Marilyn Flores, Ed.D.
Interim President

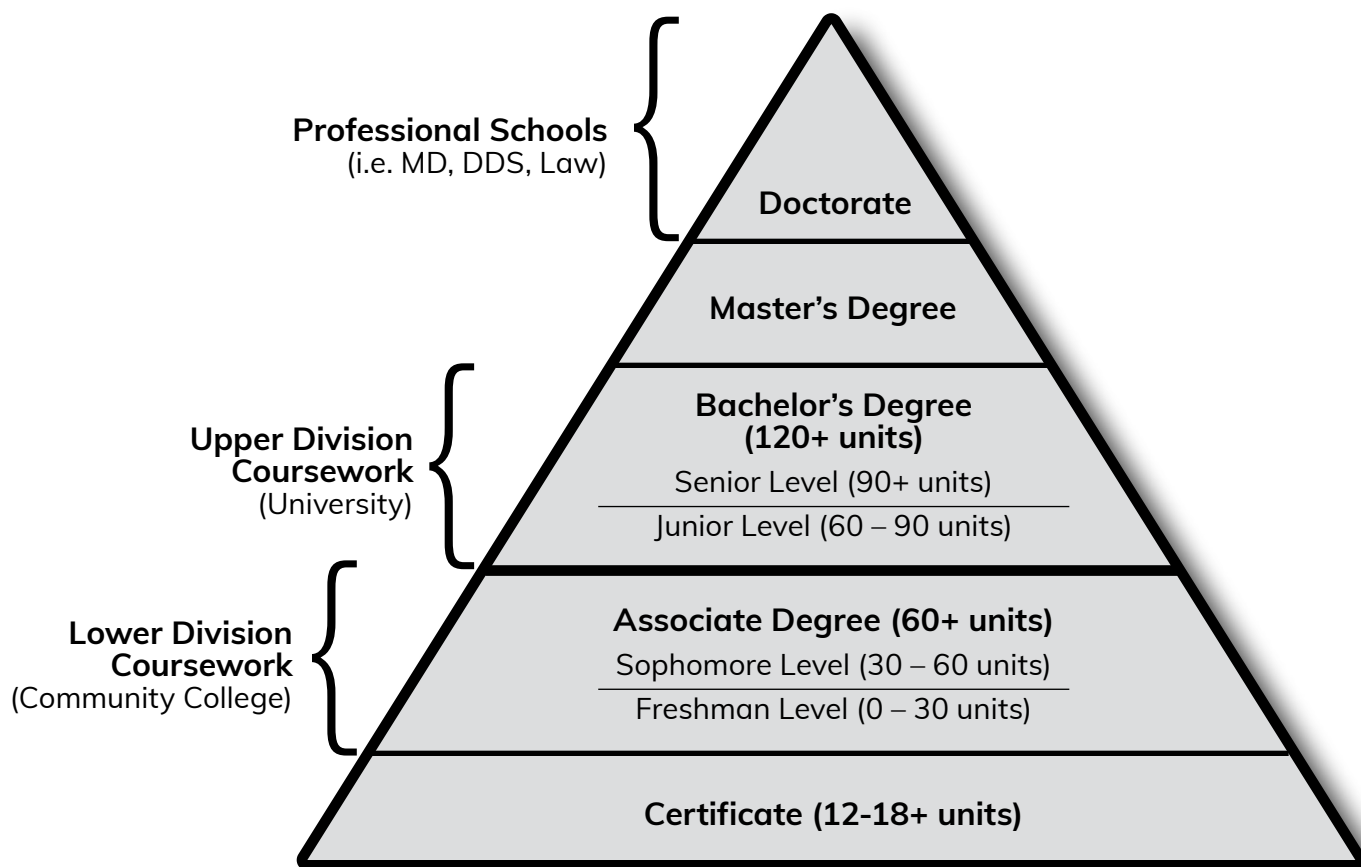

Santa Ana College Mission Statement

The mission of Santa Ana College is to inspire, transform, and empower a diverse community of learners.

About Associate Degrees/Certificates

The Bachelor of Science Degree is a four-year degree requiring students to complete 120 units of course work consisting of upper and lower division major/discipline and general education courses.

The Associate in Arts Degree for Transfer (AA-T) and Associate in Science Degree for Transfer (AS-T) are degrees that qualify students for transfer to CSU, many Independent California Colleges and Universities as a Junior. (Major classes plus general education classes = 60 units).

All Associate degrees offered at Santa Ana College provide students with the necessary skills to compete successfully in related job markets. Completion of an Associate degree does not always adequately satisfy transfer major requirements. Meet with a counselor to develop a custom education plan.

Certificates of Achievement (CA) and Proficiency (CP) are a verification of achievement in a particular academic or occupational area requiring 6-30 units of major/discipline focused classes.

<p>CSU-GE “Certification” refers to the official notification provided by Santa Ana College that a student transferring to any CSU campus has completed courses fulfilling CSU lower-division general education requirements. Without certification students will be held to the general education requirements specific to the CSU campus to which they transfer. Students fully certified in CSU-GE are also qualified to receive a SAC Certificate of Achievement in CSU-GE.</p> <p>Courses from other California Community Colleges or CSU campuses will be applied to the same GE area for which they were approved at the college where they were completed. Courses from other regionally accredited colleges and universities (which do not maintain a CSU-GE certification list) may also be considered for inclusion. Please see your counselor for additional information. Courses completed at foreign institutions (without U.S. regional accreditation) are not acceptable. College credit earned through Advanced Placement, International Baccalaureate, or CLEP examinations may be used to meet requirements. See the current SAC catalog for policies.</p> <p>IMPORTANT NOTE: <u>Almost all CSU campuses require the “Golden Four” (requirements in categories A1, A2, A3, and B4) be completed the semester before the start of the upcoming term. For fall semester/quarter transfer, students must complete golden four courses by the end of the prior spring term. For spring semester transfer, students must complete golden four courses by the end of the prior summer term.</u> (Exceptions exist for Chico, Fresno, Humboldt, San Francisco, San Marcos and Sonoma for spring semester transfer, and for San Bernardino for spring quarter transfer. Exceptions are subject to change. Cal Poly SLO is open only for fall transfer.) <i>It is the student’s responsibility to request certification by submitting a certification/certificate of achievement petition to the Admissions and Records Office prior to established deadlines.</i></p>

AMERICAN INSTITUTIONS REQUIREMENT					
CSU has an American Institutions graduation requirement that is separate from IGETC. Courses used to meet the CSU requirement can usually also be used in Area 3 or 4. To meet the CSU requirement, students should take Political Science 101** or 101H** AND one of the following courses: History 118, 120**, 120H**, 121**, 121H**, 123, 124**, 124H**, 127, 146. UC requires the completion of a college course or courses with a grade of "C" or better OR a one-year course in high school in U.S. History or a half-year course in U.S. History and a half-year course in American Government with grades of "C" or better (UCLA requires grades of "B"). UCSB requires the completion of a college course. If you are using college coursework to satisfy this requirement, check the appropriate UC catalog to determine which course(s) to take.		Not part of IGETC but may be completed at SAC.			
* Courses designated with an asterisk may be counted in one area only; ** Indicates that transfer credit may be limited by either UC or CSU or both. Please consult a counselor for additional information; *** High School transcript must be on file in the admissions office.					
Advising Notes					
_____ _____ _____					
It is generally recommended that students complete all the listed requirements for IGETC and receive full certification prior to transferring. Students may obtain partial certification however by completing all but 1-2 courses. CAUTION: IGETC completion is not recommended, or in some cases accepted, by all UC campuses and/or majors. Please consult https://admission.universityofcalifornia.edu/admission-requirements/transfer-requirements/general-education-igetc/igetc/campus-guidance.html to view the IGETC considerations for each UC campus. Your counselor can also help you determine your best path. IGETC "Certification" refers to the official notification provided by Santa Ana College that a student transferring to any UC or CSU campus has completed courses fulfilling lower-division general education requirements. Without certification students will be held to the general education requirements specific to the UC or CSU campus to which they transfer. Students fully certified in IGETC are also qualified to receive a Certificate of Achievement in IGETC. Courses from other California Community College campuses will be applied to the same GE area for which they were approved at the college where they were completed. Courses taken at other regionally accredited institutions (which do not maintain an IGETC certification list) will be placed in the subject areas for which Santa Ana College has equivalent courses. In some cases non-equivalent courses may also be considered. Please see your counselor for additional information. Courses completed at foreign institutions (without US regional accreditation) are not acceptable except for Area 6A. It is the student's responsibility to request certification by submitting a completed certification/certificate of achievement petition to the Admissions and Records Office prior to established deadlines.					

CALIFORNIA COLLEGE PROMISE GRANT PROGRAM (CCPG)

The California College Promise Grant Program (CCPG) which pays for enrollment fees, is available to California residents who qualify in one of the following ways:

1. You or your parents, if you are dependent, receive CalWORKs/TANF, SSI/SSP or GA/GR (General Assistance General Relief)
2. Your total family's income (adjusted gross income and/or untaxed income) was

FOR FAMILY OF	BASE YEAR INCOME

4	\$38,625 or less
5	\$45,255 or less
6	\$51,885 or less
7	\$58,515 or less
8	\$65,145 or less
Each Additional Family Member	+\$6,630

3. You have applied for federal financial aid and have demonstrated financial need by the Financial Aid Office.

To apply for the California College Promise Grant Program, please apply online at www.fafsa.ed.gov, sac.edu/finaid or fill out a paper CCPG application form and submit to the Financial Aid Office, room VL-105. These standards are for the 2020-2021 academic year and are to be used to determine CCPG eligibility effective Summer 2020.

Loss of CCPG due to Probation Status

Beginning Fall Semester 2016, the CCPG eligibility will be tied to student academic progress in the same way as priority registration. Students who are on Academic Probation or Progress Probation for two consecutive semesters are at risk of losing BOTH their priority registration AND CCPG eligibility.

FINANCIAL AID INFORMATION

FINANCIAL AID TO-DO LIST

1. Submit a Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov. If you are an AB-540 student, complete the Dream Act application instead of the FAFSA at dream.csac.ca.gov. The priority application period is from October 1st to March 2nd. You can apply after these dates; however it is best to apply before March 2nd to be considered for a Cal Grant.
2. Apply for the SAC Scholarships and other available scholarships. sac.edu/scholarships
3. Check if you are eligible for other services such as EOPS, Book Loan programs, and SSSP.
4. Check on-line or visit the Financial Aid Office, Room VL-105 to follow up on:
 - The status of your financial aid application
 - Completing and submitting all required forms on time
 - Understanding your award letter and how to accept/decline your award on-line.
 - Award disbursement dates
 - Selecting your award disbursement method (direct deposit, debit card, or check) at rsccd.edu/fa
 - If you have special circumstances (for example: loss of job, no contact with parents etc.)

FINANCIAL AID TIPS

1. Apply for financial aid even if you do not think you are eligible. There are many factors besides income that are used to determine your eligibility. You may qualify.
2. Do not wait until you start classes or transfer to apply for financial aid. Apply today!
3. Remember, you must reapply for financial aid each academic year.

GLOSSARY

Articulation: Articulation is the process that links two educational institutions to help students make a smooth transition from a community college such as Santa Ana College to a four-year college or university without experiencing a delay or duplication of coursework. Course agreements for CSU, UC and CCC are available on www.assist.org. For out-of-state and private institutions, please visit www.sac.edu/counseling

Associate Degree for Transfer (ADT): The Associate in Arts for Transfer (AA-T) or Associate in Science for Transfer (AS-T) is intended for community college students who plan to transfer and complete a bachelor's degree in a designated similar major at a CSU campus. For more information about the benefits for this program visit www.adegreewithaguarantee.com and schedule an appointment with a counselor.

CSU General Education (Plan B): A program that community college students can use to satisfy lower division general education requirements for any CSU campus. A petition must be completed with a counselor and submitted to the Graduation Office, S-104, to be certified.

Electives: Courses that are not required or used for a specific major, general education, or graduation requirements, but can be used to complete the total units required for a degree and/or transfer.

General Education (Plan A): A program of courses in the arts and sciences that provides students with a broad educational experience. Courses typically include the fields of Mathematics, English, Arts, Humanities, Social Sciences, Physical and Life Sciences. Completion of a general education program is required for the associate degree. Plan A is not advisable for students planning to transfer to a 4-year institution.

IGETC (Plan C): Intersegmental General Education Transfer Curriculum (IGETC) is a program that community college students can use to satisfy lower-division general education requirements at any CSU or UC campus. A petition must be completed with a counselor and submitted to the Graduation Office, S-104, to be certified.

Impaction: When a particular major or campus has received more applicants than spaces available, that major/campus is declared impacted. Applicants applying to these majors/campuses will go through a more competitive selection process. For more information on impaction, please directly contact the university.

Lower Division: Courses offered at the freshman or sophomore levels of college. Community colleges typically offer only lower division courses.

Major: A series of courses in a particular field of study designed to develop special knowledge, skills or expertise.

Major Preparation: A set of lower division courses required for a major that sets the foundation for upper division coursework. Transfer students are required to complete certain major preparation courses to meet admissions requirements for the 4-year institution. For more information on major preparation, consult with a counselor. For CSU and UC requirements visit www.assist.org

Minor: A secondary field of study in addition to the major— typically requires fewer courses than a major.

Pre-requisite: A course or courses that must be successfully completed before a student can enroll in the next-level course.

Transfer Admission Guarantee (TAG): Interested students must meet campus-specific requirements to qualify for a UC TAG. By participating, students can ensure their admissions to a participating UC campus. Currently, six campuses participate in TAG- Davis, Irvine, Merced, Riverside, Santa Barbara, and Santa Cruz. For more information, visit the University Transfer Center, S-110.

Transferable Courses: Santa Ana College courses designed for transfer are numbered 100 level and above. Each university determines how/if these courses meet transfer requirements.

Upper Division: Courses offered primarily for junior or senior level college students. Most community colleges do not offer upper division courses.
