

DOUGLAS MACARTHUR FUNDAMENTAL INTERMEDIATE SCHOOL
A California Distinguished School
600 West Alton Avenue
Santa Ana, CA 92707

Ray Gonzales, Principal • Cheri Daniels & Raul Olivas, Assistant Principals

Dear Parent or Guardian of Santa Ana 7th Graders,

Your child is being asked to take the California Healthy Kids Survey at school. Students throughout the state of California participate in this survey, the information they provide helps school site teams as well as district teams make decisions that will improve the overall school climate and safety for students. Santa Ana Unified School District administers this survey every other year to students in grades 5, 7, 9 and 11 as well as all students who participate in Ed Options programs.

The survey includes questions about alcohol, tobacco, and other drug issues, as well as questions about school safety and the learning environment. Student participation in the survey is voluntary. We hope that you will encourage your child to participate so that student opinions and knowledge can be used to improve the school.

The survey is anonymous. No names or any other identifying information is connected to the answers except for the name of the school.

If you have questions, please contact Scott Whisner at 714-568-7700 x57858 or by email at Scott.Whisner@saUSD.us.

If you wish to view the survey, you may do so at the school office or the Support Services office located at 1801 S. Poplar Street, Santa Ana Ca. 92704.

Sincerely,

Scott Whisner
Assessment & Data Specialist
MacArthur Fundamental Intermediate School

Please Return to: Scott Whisner or any of the front office staff

You only need to return this to the school if you DO NOT WANT your child to participate in the California Healthy Kids Survey.
