

MacArthur Fundamental Intermediate School
Parent Booster Organization (PFO)

Who are we?

The MacFIS Parent Booster Organization (aka PFO) helps fundraise and support a variety of student activities.

How much does it cost to join?

Membership is just \$5 for the family! Of course, you can always donate more! 😊

How do you help various clubs on campus?

We help run the food concessions for the dances where the monies go directly to the clubs.

What about special activities like the 8th grade dance, 7th grade History Faire, or Career Day?

We help organize and plan, provide helpers and chaperones, and donate monies for these special activities and other student activities. We help with ASB's MacTivity trips, the 7th grade Catalina Island science trip, AVID's college trips, and the 8th grade Museum of Tolerance field trip.

Do you help with the library?

Yes! We help purchase new library books every year!

Who takes care of the Student Store?

We have a Student Store on campus, run by the PFO. We could definitely use help to purchase snacks and help sell the items after school. The students LOVE our Student Store!

Who are the Board Members?

Our board consists of four parents and one teacher. Becky Clevenger (President), Reyna Ramos (VP), Cathy Gavino (Treasurer), Minh Vu (Accountant), and Sherry Skipper-Spurgeon (Secretary). Mr. Casper attends all Board meetings and others are always welcome to attend! Meetings are usually held on the second Tuesdays of the month at 3:15 p.m. in the library.

How can my family join and help out?

Simply complete the form on the bottom and return it with your donation to your child's math teacher or the front office by the end of September. Thank you!
