

Favorite animal

Open Chrome and do a search for your favorite animal.

• Answer the following questions about your animal:

1. What part of the world does it live in (or where did it originate)?
2. What does it normally eat?
3. What is it's habitat (mountain, desert, ocean, etc...)
4. Does it travel or live alone or in groups (what is it's "group" called)
5. Tell me one interesting fact that you learn from reading

Open a NEW Google doc and write a paragraph to tell me about your animal

• Picture: drag the picture from Chrome onto your desktop and then into your Word document.
