

Seventh Grade History Faire--- April 28, 2017---- Welcome Parents!

Communication---Collaboration---- Chivalry

Your child is participating in a MacArthur Fundamental tradition that began over 20 years ago.

This event brings history to life. The History Faire gives students numerous opportunities to showcase their talents, learn new skills, improve their communication and leadership skills. The seventh graders come together as a community within their “kingdoms” and learn the significance of collaboration and chivalry.

The day of the History Faire is the culminating celebration. Students begin working on activities weeks prior to the event. The work takes place during history class, during lunch and at times after school. The MacArthur website has photos and current History Faire information.

Suggestions for how you can help?

1. Check to see what activity your child is doing. Encourage their participation and find out interesting facts about their kingdom and life in the Middle Ages.
2. Help your child plan a costume.
3. Help the parents in your child’s kingdom prepare the food pavilion.
Each pavilion will need an EZup and decorations. Create a way for the Parents in your kingdom to be able to communicate with each other.
4. Attend the day of the Faire (bring your camera)
