Early College

Century High School: Early College

02/22/2022

What is Early College?

Early college is a **FREE** program that allows incoming

students to receive:

- An Associate's Degree for Transfer in Arts, Humanities

  and Communication

- Up to 60 semester units of college credit

- IGETC transfer pattern completion for CSU and UC

  general education requirements.

Why choose Early College?

Highlights of the Early College Program at Century include:

- A no-cost opportunity for all students, regardless of their income and background

- Provides students with a 'head start' on college credit while they attend high school

- Facilitates the transition into university where the student may complete a Bachelor's Degree

- Exposes students to rigorous college-level coursework

There's more!

- Many Early college classes are taught by SAC and Century teachers ON Century's campus

- Early College students have access to all SAC services and amenities

  - Student Health Services

  - Career Center

  - School Library and Tutoring

- Compared to AP classes

  - Early College classes still earn an extra point towards their GPA

  - Early College students do not rely on a single test score to earn college credit

CHS EC Plan

Early College Criteria (9th)

The freshman early College Cohort is only open to **75** incoming 9th graders.

Students must have a **GPA of 3.0** and above.

Students **MAP scores (~200)** are **considered**

After being notified of acceptance, students will need to complete a SAC application for the Fall.

Commitment

Early college is a big commitment that challenges a student's ability to be responsible, independent, and consistent. In addition students must make sure it fits with **their** personal college and career goals.

Keep in Mind

- All SAC core academic classes meet IGETC requirements and are acceptable at all CSU and UC institutions

- Classes that meet IGETC requirements are **more likely** but **not guaranteed** to be honored at private colleges.
  - Avg. # of Accepted Units: 32
  - USC: 12
  - Stanford: 0

Next Steps

- Accepted students are notified
- Students must complete registration of Study Skills 109 for Summer 2022 by due date given by the Early College Team
  - Complete Google Form
- Complete a SAC application
  - Make sure your class is on WebAdvisor
